Mr. Paul Haake, Captain
Department of Fire and Public Safety
County of Maui
Wailuku, Hawaii 96793

Dear Mr. Haake:

SUBJECT: WAIKAPU DEVELOPMENT VENTURE AFFORDABLE HOUSING PROJECT (WAILUKU) (LU-2(4))

At its meeting of August 1, 2018, the Land Use Committee discussed the proposed Waikapu Development Venture Affordable Housing Project ("Project") and expressed concerns about whether the units located along Honoapiilani Highway will be adequately serviceable in the event of a fire or emergency.

On behalf of the Committee, may I please request your response to the following questions:

1. Does your Department determine that units 11 through 22 are adequately serviceable in the event of a fire or emergency given their distance from the nearest entry point to the subdivision along Waiale Road?
2. In the event of the fire or emergency, are any of the units in the project inadequately serviceable?

I have attached the Preliminary Site Plan of the Project for your reference.

I would appreciate your response by **August 15, 2018**. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.
