Re: Don Guzman for Prosecutor

To Whom It May Concern,

I have known Don Guzman for over a dozen years, in which he has worked as a prosecutor, defense attorney, and county counsel member. He is a friendly, outgoing person, with a generous heart. He is very approachable, and I believe would work well with the staff and attorneys in the prosecutor's office.

Within the legal profession, Don has a reputation for being fair, honest and ethical. He believes that justice should be administered fairly for all persons.

I highly recommend Don Guzman to be appointed as the next prosecutor for the County of Maui.

Sincerely,

Cary Virtue
Attorney
