Subject: Keawakapu parking lot

Dear Planning Committee,

I strongly oppose both changing the zoning for the Maui Oceanfront Hotel and changing the parking lot to meet their needs and not the public.

Many longtime residents, including myself, use this parking lot throughout the week in order to enjoy the public beach. Maui residents sacrifice enough for Hawaii tourism and the private businesses that benefit from tourism. The government needs to also meet the needs and wants of local residents.

Please don't take this public parking lot away from Maui local people!!

Mahalo,
