Dear Chair King and Councilmembers:

SUBJECT: GRACE PERIOD FOR PERMITS IN RENEWAL PROCESS

By practice, the Department of Planning does not take enforcement action against permittees who are in the process of applying for renewal of their permits. The Department recommends this practice be codified in the Maui County Code.

Therefore, pursuant to Sections 8-8.3(6) and 8-8.4 of the Revised Charter of the County of Maui (1983), as amended, I respectfully propose the Council's consideration and passage of the attached proposed bill, "A BILL FOR AN ORDINANCE RELATING TO RENEWALS FOR CONDITIONAL, BED AND BREAKFAST HOME, SHORT-TERM RENTAL HOME, AND SPECIAL USE PERMITS."

The bill states:

"The purpose of this ordinance is to allow for a grace period to temporarily extend a permit while an application for the permit's renewal is being processed, unless the applicant fails to provide requested information to the department within sixty days."

The Department believes this legislation would establish a greater degree of fairness in the County's land use processes and encourage the timely submittal of applications for renewal of permits that have expiration dates.

The Maui Planning Commission and Lanai Planning Commission have recommended that the Council pass the bill. The Molokai Planning Commission has recommended disapproval.

Here is a summary of the planning commissions' recommendations:

<u>Planning Commission</u>	<u>Date of Vote</u>	<u>Recommendations</u>	<u>Vote Count</u>

Lanai	June 20, 2018	Pass the bill with revisions.	7-0
Molokai	July 11, 2018	Not pass the bill; if the bill is passed, exclude Molokai.	9-0

- Molokai Planning Commission, July 11, 2018:

A previous version of the bill would have allowed for a permit to be temporarily renewed throughout the duration of a renewal process, unless the applicant-permittee caused substantial delay. As reflected in the meeting minutes, the Maui Planning Commission and Lanai Planning Commission sought more definitive standards in the bill. The concerns have been taken into account in the current version of the bill.

For instance, commissioners recommended that the bill's grace period not be limitless. Therefore, the bill now allows for grace periods of up to six months (or up to 12 months if Council action is required).

In addition, commissioners sought an objective principle to define the type of delays that would be sufficient to end the grace period. Consequently, the bill now provides that a grace period will cease when the applicant-permittee fails to provide requested information to the Planning Department over a 60-day period.

Thank you for your attention and consideration. Should further clarification be necessary, please feel free to contact me.

Sincerely,

MICHELE MCLEAN, AICP
Acting Planning Director
