Councilman Robert Carroll, Chairman
Maui County Council Land Use Committee
200 South High Street
Wailuku, HI 96793

Re: Conditional permit for 355 Haiku Road

Dear Chairman Carroll and committee members,

We are writing you in **strong opposition** to the conditional permit that is being proposed at 355 Haiku Road. Unfortunately, because of work, I will not be able to testify in person.

My name is Donald DeCoite and I was born and raised on Maui. I am a Maui business owner. My home and adjoining 24 acres of property are directly adjacent to 355 Haiku Road, on the south and east sides.

I oppose the conditional permit because of the traffic that will be generated by the events that are being proposed. Haiku is a quiet, peaceful community. We do not need extra cars traveling on our road that will add congestion. This is tourism related traffic, not agriculture related traffic, which is what the land is zoned for.

This will be detrimental to my home and community. The extra traffic will negatively affect my lifestyle. There is no benefit to those of us who live in Haiku to have this permit approved.

We **strongly oppose** this permit and encourage the committee to deny this request.

Sincerely,
Donald & Angela DeCoite
