RE: Support Makila Farms!

Dear Chair Kama,

My name is Sean U'u and I was born and raised on Oahu. In 2000 I moved to Maui hoping for a better life and more opportunities. I have moved from house to house and I can tell you that it's not fun trying to find a place and afford the rent here on Maui especially in Lahaina. The reason why I am writing this letter is because I am supporting the Makila Farms Project. I live with my girlfriends family and been on Maui for 18 years. I've been working in the construction industry for 2 ½ years. I hope Makila Farms Work Force Project passes . If this passes local families and I have the chance to own a home. We will be able to afford a two bedroom home and be able to grow our own fruits, vegetable, and have our farm animals on the land. Please let this project pass so local families and the struggling families no longer have to struggling paying for rent.

I do not want the West Maui Community Planning Action Committee (CPAC) to delay this or any other project that has any affordable housing in West Maui. We are in housing crisis mode

Thank you,

Sean U'u
