**Importance:** High

Aloha Kenneth,

Its been a pleasure coordinating with you regarding training for the Maui Police Department (MPD). Specifically, the following training classes and costs are referenced herein for your review;

### Courses:

**Introduction to Behavioral Analysis Interviewing** on April 22-23, 2019      \$495.00 (regular fee)

**Advanced Behavioral Analysis Interviewing on April** 24-26, 2019      \$795.00 (regular fee)

Per our conversation we are very pleased to continue our excellent relationship with the MPD by extending a Flat Rate fee of **\$7,000.00** based on a total number of attendees at **40**. Below is a typical price factoring based upon thirty-five attendees at the regular course fees per attendee at \$495.00/\$795.00 respectively.

35 Attendees for the Introductory BA Interviewing Course @ \$495.00 = **\$17,325.00**

35 Attendees for the Advanced BA Interviewing Course @ \$795.00 = **\$27,825.00**

As I mentioned earlier, it has been an honor and pleasure training the consummate professionals of your department and hearing their accomplishments in applications of lessons learned from the training! With that said, I am please to assist with cost savings to support your training needs and budget with the aforementioned discounted flat rate of **\$7,000.00**.

Please let me know when this is approved so I may make appropriate travel and lodging arrangements for the time period referenced on Maui.

I look forward to seeing you and some other friends from MPD in April and please let me know if you require any additional information. Our FEIN for Ternion Risk Mitigation Group, LLC is **47-4372552**.

Finally, I have attached the most recent flyer produced by the University of Hawaii Office of Continuing Education at Kauai Community College as I will be teaching there the first week of April.

Mahalo,

Roger
