Dear Dr. Lebo:

SUBJECT: TRAFFIC SAFETY AND ENVIRONMENTAL CONCERNS RESULTING FROM DEVELOPMENT IN MAKENA (IEM-80)

The Infrastructure and Environmental Management Committee is in receipt of County Communication 18-225 relating to traffic safety and environmental concerns resulting from development in Makena. The Committee first discussed this item at its meeting of August 20, 2018. The Committee intends to further discuss this item at its meeting of Tuesday, November 20, 2018 at 1:30 p.m., in the Council Chamber on the 8th floor of the Kalana O Maui Building, 200 S. High Street, Wailuku.

At the Committee's meeting of August 20, 2018, community members voiced concerns relating to development in the Mo'omuku ahupua'a of Makena, including lands identified for real property tax purposes as tax map keys (2) 2-1-005:024, (2) 2-1-005:026, (2) 2-1-005:129 through (2) 2-1-005:139, and surrounding parcels. The Committee has been informed that a "stop work order" for active grading and building permits is in place for tax map key (2) 2-1-005:135 based on a request from the State Historic Preservation Division.

May I respectfully request that a representative from the Department of Land and Natural Resources, State Historic Preservation Division, Archaeology Division, attend the Committee's meeting on November 20, 2018, to participate in the discussion regarding cultural sites on the property.
