Subject: proposed Wailuku business restructure....

Aloha - as a full-time Maui resident for 33 years, I am strongly Opposed to the County spending this tremendous amount of money for something that is absolutely Not necessary in Wailuku.

The only time parking may be a problem is for the 1st Friday of the month street fair. Otherwise I do believe the present parking lot and surrounding streets are adequate for almost all of the time.

As importantly is the fact that visitors really like the quaint historic town; we have so few unique towns on our Island now. They don't come to see the same concrete structures that are everywhere on the mainland. Why must we waste so much money Unnecessarily and destroy the particular good 'flavor' of Wailuku?

We have more pressing issues in our County such as affordable housing, etc. MAHALO for doing All you can to stop this travesty. Respectfully,
Bonnie Newman, Kihei
