Subject: Opposed to Proposed bill 6.04.041 Proposed Bill to Prohibit the Feeding of feral animals

Hello,

I am writing to voice my concern and opposition to the proposed bill to Prohibit the feeding of Feral animals. Presently I own a unit in the Kihei Ali'i t Kai complex which has a feral cat colony next door.

With the present catch. spay/neuter release program that is in place, the size of the colony is very manageable. Over the last 20 years, I have noticed a huge decrease in feral cats. The present program is working.

At our complex I welcome the cats as they keep the rat population in check.

To inhumanly starve the cats is against all rights and eliminates any and all Aloha of the Island.

I am strongly against the Proposed Bill 6.04.041.

Sincerely,
Eileen Dick
