Please we don't want the Westin Maui community planning action committee (cpac) to delay this or any other project that has any affordable housing in the West Side Maui. We are in housing crisis mode.

Aloha Milli

RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

Aloha and thank you for taking your time to read this. My name is Millena Buraco and i have 2 small kids. Like me so many others families are trying to give their family a little of dignity. we are supporting the Lahaina work force Makila Farm with a hope to be able to finally own a house in Maui. Now days even to pay a rent has been challenging. I believe they are trying to be honest with all the requirement asked to build in that area. No harm to any one that already live in Launiapoko specially to the environment. The local family in the valley would be the most priority on the water matters. This new project seems like have been covered all the issues. The local community needs this project to be approve. We need more opportunities like this.  
thank you  
Millena Buraco
