RE: Support Makila Farms

Dear Chair,

We have lived in our Launiupoko home for eighteen years. We support workforce housing. Makila Farms will give others such as teachers a chance to live in this beautiful agricultural community. This development is an innovative, affordable, well designed project. We have reviewed the issues the past two years since Makila Kai was introduced. We feel that water, wastewater, traffic, fire and zoning have been addressed in the Makila Farms proposal. We do not want the Maui Community Planning Action Committee (CPAC) to delay this or any other affordable housing using project in West Maui. We are in a housing crisis mode. Thank you for giving your consideration to this well thought out affordable development.

Sincerely,
Ed and Mary Jane Brown
