Aloha

My name is Daniel Sullivan, I've been a shop owner in Paia for 12 years now. Paia has become the most popular tourist destination on Maui for shopping , beaches and the Road to Hana, yet we still do not have any bathrooms or trash cans . As a business owner I have had to shoulder this burden picking up trash for years now . We need this improvement desperately to make Paia a functioning town and maintain the tens of thousands of visitors Paia hosts each year.

Thanks for you consideration

Much Aloha

Daniel Sullivan
