Ms. Kate Blystone, Director
Department of Planning
County of Maui
Wailuku, Hawaii 96793

Dear Ms. Blystone:

SUBJECT: BILL 163 (2025), BILL 164 (2025), AND BILL 165 (2025), TO AMEND THE MAUI ISLAND PLAN'S DIRECTED GROWTH MAP C5 (PULEHU ROAD), AMEND THE WAILUKU-KAHULUI COMMUNITY PLAN DESIGNATION, AND CHANGE THE ZONING FOR 166.511 ACRES SITUATED AT KAHULUI, HAWAII'I (HO'ONANI VILLAGE) (DRIP-19)

Thank you for participating in the Council's Disaster Recovery, International Affairs, and Planning Committee's meetings on Bills 163, 164, and 165 (2025) on November 5 and 6, 2025.

The DRIP Committee recommended passage of Bills 163 and 164 on first reading, relating to the Maui Island Plan amendment and Community Plan amendment, respectively. The Committee then requested the landowner's representative provide Maui Island Plan and Community Plan maps.

Maps returned by the representative showed discrepancies. According to the maps, a 3.068-acre portion of the property is already within the MIP Urban Growth Boundary and bears a Heavy Industrial Community Plan designation. Because this information was inconsistent with the bills the Committee considered, I sent follow-up questions to the representative by correspondence dated December 11, 2025. The representative's response, with the questions restated, is attached, along with the two maps.

The representative confirmed that the landowner is now seeking a Maui Island Plan amendment and Community Plan amendment for 163.443 acres,

rather than 166.511 acres. No MIP amendment is being sought for the 3.068 acres.

Additionally, the representative noted that the 3.068-acre portion of the property is zoned Agricultural and that the proposed Change in Zoning from Agricultural District to M-1 Light Industrial District is still for the entire 166.511 acres.

May I please request that you provide a copy of this correspondence to the Maui Planning Commission and advise the Commission of the 3.068-acre decrease in property size for the requested Maui Island Plan and Community Plan amendments, as a part of its consideration at the scheduled public hearing on January 13, 2026. If sufficient time remains, may I also request that your analysis be adjusted accordingly—particularly as it applies to alignment of requested land use designations.

May I further request that you insert the appropriate map numbers and, if appropriate, the public hearing date, and return the numbered maps to drip.committee@mauicounty.us. The proposed Land Zoning map will be transmitted to you upon receipt from the landowner's representative.

Should you have any questions, please contact me or the Committee staff (Jarret Pascual at ext. 7141, or Yvette Bouthillier at ext. 7758).

Sincerely,

TAMARA PALTIN, Chair
Disaster Recovery, International Affairs,
and Planning Committee

Bill 163 (2025), Bill 164 (2025), and Bill 165 (2025)
Response to December 11, 2025 Letter

Dear Chair Paltin,

We are in receipt of your letter dated December 11, 2025. We offer the following responses:

1. **The Maui Island Plan map shows that a 3.068-acre portion of the property is already in the Urban Growth Boundary. When taken out of the property's gross area of 166.511 acres, the net area is 163.443 acres. Please confirm that the map is correct and whether Bill 163 should be revised to seek an amendment for 163.443 acres only.**

Confirming that the map is correct and Bill 163 should be revised to seek an amendment for 163.443 acres only.

2. **The Community Plan map shows that this 3.068-acre portion of the property has a Heavy Industrial Community Plan designation. As you know, Bill 164 seeks a Community Plan Amendment for 166.511 acres from Agriculture to Business/Multi-Family. Please advise if the landowner is seeking a Community Plan Amendment for the 163.443 acres only.**

Landowner is seeking a Community Plan Amendment for the 163.443 acres only.

3. **Please confirm the zoning for the 3.068-acre portion of the property. Please also advise if the property's Change in Zoning from Agricultural District to M-1 Light Industrial District is for the entire 166.511 acres or for the 163.443 acres only. Please also provide the Land Zoning Map depicting the proposed Change in Zoning.**

The zoning for the 3.068-acre portion of the property is Agricultural. The property's Change in Zoning from Agricultural District to M-1 Light Industrial District is for the entire 166.511 acres.

We are working with our surveyor on the preparation of a Land Zoning Map depicting the proposed Change in Zoning and will transmit to the DRIP Committee upon receipt.

We appreciate your attention to this matter and please feel free to contact me with any questions or concerns.

Sincerely,
