Subject: A BILL FOR AN ORDINANCE ESTABLISHING A NEW CHAPTER 20. , MAUI COUNTY CODE, PROHIBITING THE SALE AND USE OF SKIN CARE PRODUCTS CONTAINING OXYBENZONE AND OCTINOXATE (IEM-45)

Aloha Chair Cochran and Council Members,

I support a complete ban in Maui County of the sale and use of sunscreens containing Oxybenzone and Octinoxate.

With inaction on the federal and state levels, it falls to us in Maui County to protect our fragile reefs in every way necessary.

The time is now. Please pass this bill today!

Mahalo,

Mr. William Evans
