**Committee
Report No. _____**

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Disaster Recovery, International Affairs, and Planning Committee, having met on February 19, 2025, March 19, 2025, and May 14, 2025, makes reference to Bill 104 (2024), entitled “A BILL FOR AN ORDINANCE AMENDING CHAPTERS 19.04, 19.08, AND 19.29, MAUI COUNTY CODE, ADDING A NEW DEFINITION AND USE FOR KITCHENETTE AND AMENDING THE EXISTING DEFINITIONS [sic] OF DWELLING UNIT AND WET BAR, AND AMENDING SECTION 19.36B.020 TO ADD PARKING REQUIREMENTS FOR KITCHENETTES.”

Bill 104’s purposes are to amend the Comprehensive Zoning Ordinance to:

1. Provide lower-cost opportunities for more autonomous living areas in a dwelling unit by:
 - a. Allowing for kitchenettes in dwelling units in the County’s Residential and Rural Districts on Maui and Lāna‘i; and
 - b. Requiring a dwelling unit with a kitchenette to be occupied on a long-term residential basis, with one additional off-street parking space to accommodate the higher-intensity use for the kitchenette.
2. Make conforming amendments to the definitions of “kitchen” and “wet bar.”

**Committee
Report No. _____**

Your Committee notes that the Council's Housing and Land Use Committee (2023-2025 Council term) met on November 20, 2024.

Your Committee further notes the 2019 Hawai'i Housing Planning Study found that 22.5 percent of Maui County households were crowded and doubled up—meaning more than two generations, unrelated individuals, or same-generation relatives are in the household—signifying a pent-up demand for housing.

Your Committee also notes that the August 2023 Maui wildfires resulted in extensive damage and the destruction of thousands of residential units in Lahaina, including 4,271 rental units. Many of those units accommodated multiple tenants per household, including extended and multigenerational families.

Your Committee notes the following:

- The Lānaʻi Planning Commission, at its meeting of February 21, 2024, recommended approval of the proposed bill, with no proposed revisions.
- The Maui Planning Commission, at its meeting of February 27, 2024, recommended approval of the proposed bill, with no proposed revisions.
- The Molokai Planning Commission, at its meeting of March 13, 2024, recommended approval of the proposed bill, with an amendment to exempt Molokai.

By correspondence dated June 27, 2024, the Planning Director transmitted a revised proposed bill to the Council, approved as to form and legality by the Department of the Corporation Counsel, incorporating the planning commissions' findings and recommendations.

**Committee
Report No. _____**

The Chair of the Housing and Land Use Committee requested that County agencies comment on Bill 104.

By correspondence dated September 19, 2024, the Fire Chief expressed safety-related concerns, noting that the higher density allowed under the bill would add to traffic impacts during an emergency and that additional potential ignition sources would increase fire risks.

By correspondence dated November 14, 2024, the Housing and Land Use Committee Chair transmitted a proposed CD1 version of Bill 104, entitled “A BILL FOR AN ORDINANCE AMENDING CHAPTERS 19.04, 19.08, 19.29, AND 19.36B, MAUI COUNTY CODE, RELATING TO KITCHENS, KITCHENETTES, AND WET BARS,” with proposed revisions to:

1. Make the bill’s title and purpose more accurate and concise.
2. Move the requirements for dwelling units with kitchenettes to be occupied on a long-term residential basis and to have one additional off-street parking space for each kitchenette. The requirements had been in Section 19.04.040, “Definitions.” But the Hawai‘i Legislative Drafting Manual advises that “a definition should not contain substantive provisions of law.” Consistent with the advice, in the proposed CD1 version, the requirements are placed in Maui County Code Chapters 19.08, “Residential Districts,” and 19.29, “Rural Districts.”
3. Incorporate technical and nonsubstantive revisions.

A representative from the Department of Planning noted that some property owners have converted wet bars into kitchenettes without the proper building permits and inspections. A representative from the Office of Recovery said Bill 104 could allow these property owners to apply for after-the-fact building permits.

**Committee
Report No. _____**

Your Committee notes that requiring long-term occupancy for dwelling units with kitchenettes would prohibit transient accommodations in the entire dwelling unit.

The Department of Planning representative proposed several amendments to the proposed CD1 version of Bill 104 to require that kitchenettes:

- Be internally accessible via an enclosed living area.
- Be prohibited within accessory dwelling units.
- Not contain gas appliances.

The Planning representative said prohibiting kitchenettes in accessory dwelling units would focus safety concerns on the primary dwelling unit. Further, the Fire Chief said disallowing gas appliances would decrease the number of ignition sources. Your Committee supported these safety recommendations.

Your Committee discussed reducing the number of permitted kitchenettes and wet bars in the Residential and Rural Districts on Maui and Lānaʻi. The Office of Recovery representative noted that a reduction in the number of wet bars already allowed would make existing structures with two or more legal wet bars nonconforming.

Your Committee revised Bill 104 to reduce the number of kitchenettes and wet bars allowed in the applicable zoning districts from two to one of each.

Your Committee notes that Bill 104, CD1, would help to further the following Countywide Policy Plan and Maui Island Plan goals, objectives, and policies:

COUNCIL OF THE COUNTY OF MAUI

**Committee

- “Revise laws to support neighborhood designs that incorporate a mix of housing types that are appropriate for island living.” (Countywide Policy Plan, page 58)
- “Use planning and regulatory approaches to provide higher housing densities.” (Maui Island Plan, pages 5-6)
- “Amend development codes to facilitate different types of housing, including mixed use, mixed housing types, clustering, and conservation subdivisions.” (Maui Island Plan, pages 5-6)

Your Committee expressed support for Bill 104, CD1, as an opportunity to accommodate multigenerational families in West Maui and expand rental opportunities and housing types for extended and multigenerational families on Maui and Lānaʻi.

Your Committee voted 7-0 to recommend passage of Bill 104, CD1 (2024) on first reading. Committee Chair Paltin, Vice-Chair Uʻu-Hodgins, and members Cook, Lee, Rawlins-Fernandez, Sinenci, and Sugimura voted “aye.” Committee members Johnson and Kama were excused.

Your Committee is in receipt of Bill 104, CD1 (2024), entitled “A BILL FOR AN ORDINANCE AMENDING CHAPTERS 19.04, 19.08, 19.29, AND 19.36B, MAUI COUNTY CODE, RELATING TO KITCHENS, KITCHENETTES, AND WET BARS,” approved as to form and legality by the Department of the Corporation Counsel, incorporating your Committee’s recommended revisions and nonsubstantive revisions.

Your Disaster Recovery, International Affairs, and Planning Committee RECOMMENDS that Bill 104, CD1 (2024), attached, entitled “A BILL FOR AN ORDINANCE AMENDING CHAPTERS 19.04, 19.08, 19.29, AND 19.36B, MAUI COUNTY CODE, RELATING TO KITCHENS,
