Hi Kelly  
 Good morning!  
 FYI....finally we have a chance to see a much needed change ...we certainly support it and it is much needed!  
 Thanks for all of your support and continuing leadership!  
 Ray

Aloha and Greetings Committee Chair Molina and County Council Members

On behalf of Maui's ever growing population and its anticipated needs the Maui County Council has the ability to allow its residents to bring a new level of professionalism and capability in keeping with its present and future needs.

Maui County, with a soon to be reached billion dollar budget serving three populated Islands with wide spread and diverse needs requires a recalibration and a transformation in the way our government works and how it is managed and in the way it delivers and perceives it's tasks.

Before the Council shortly will be a step in the direction to allow government in Maui to be more effective, more efficient and more transparent. This first step is to allow the residents of Maui County to make a choice as to the way their County is managed.

After living and working on Maui since the 70s and having the ability to be a member of the original Blue Ribbon Committee and the TIG that looked at introducing a functioning Managing Director and office I am more than pleased to see the balanced and appropriate Resolution that is now on the docket. It most certainly is a refinement of the original ideas put forth and represents the many many hours and thoughts and research done to present.

Passing of this Resolution will allow Maui's citizens and residents the ability and the choice to vote on the upcoming November ballot concerning the type of government they want and desire. Every vote counts and every vote will be the result of thought and reflection. Allowing this to happen is the sacred task of our legislators. I personally support this Resolution and I certainly support the right of every voting citizen to be able to make that choice.

I ask the Council Members of Maui County to allow this Resolution to pass and to allow the voting ballot in November to reflect this.

Mahalo
