COMMITTEE**

**Committee
Report No. 18-100**

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Infrastructure and Environmental Management Committee, having met on June 5, 2018, makes reference to County Communication 18-149, from the Director of Public Works, transmitting a proposed bill entitled "A BILL FOR AN ORDINANCE AMENDING SECTION 10.60.042, MAUI COUNTY CODE, RELATING TO CROSSWALKS ESTABLISHED."

The purpose of the proposed bill is to establish a mid-block crosswalk on South Kihei Road approximately 250 feet north of Hoonani Street, Kihei, Maui, Hawaii.

Your Committee noted the Public Works Commission unanimously recommended approval of the proposed bill at its meeting of February 22, 2017.

Your Committee further noted the crosswalk request was initiated by the Kihei Community Association as part of their effort to establish contiguous sidewalk access along the northern end of South Kihei Road. The crosswalk would connect the end of the sidewalk on the mauka (east) side of South Kihei Road with the makai (west) side of the road, which continues north.

The Deputy Director of Public Works said staff will need to evaluate site-specific data relating to road traffic and the number of pedestrians using the crosswalk to determine whether pedestrian activated flashing lights are warranted.

Your Committee voted 4-0 to recommend passage of the proposed bill on first reading and filing of the communication. Committee Chair
