(Committee Chair Sugimura)

WEST MAUI CPAC INFORMATION SHEET

WHO: Applicants are being sought for the West Maui Community Plan Advisory Committee (“CPAC”). Section 2.80B.080, Maui County Code, states that the CPAC shall be composed of 13 members, 9 appointed by the Council and 4 appointed by the Mayor. The CPAC shall consist of residents of the West Maui community plan area. The Mayor and Council shall strive for diversity and balance of age, gender, background, profession, heritage, experience, and ideology of all CPAC participants. Experience in land use planning is helpful, but not required.

WHAT: According to the Maui County Code, the CPAC is “charged with reviewing and recommending revisions to the community plan” regarding the proposed decennial update to its community plan area. The Community Plan will guide what future growth should look like and will provide recommendations for future transportation systems, parks, greenways, and infrastructure, including decisions about the character of new development, land use, parks, and infrastructure over the next 20 years. Last updated in 1996, the West Maui Community Plan area includes Ukumehame to Honokohau.

WHEN: It is anticipated that CPAC meetings will begin in the Fall of 2018. There will be one or more initial orientation sessions, followed by multiple working meetings. According to the Maui County Code, the CPAC shall hold at least seven public workshops at times and locations convenient to the general public to allow public participation in the process. The CPAC will have 180 days to forward its recommended revisions to the Planning Director. Additionally, the CPAC does not dissolve until the updated West Maui Community Plan is enacted by the Council.

WHERE: The CPAC will hold all meetings in West Maui.

WHY: Community Plans implement the Countywide Policy Plan and the Maui Island Plan’s vision, values, and policies. Community Plans contain land use maps showing the desired type and location of future development. These maps guide new zoning ordinances or changes to existing zoning ordinances. Community Plans provide guidance on the implementation of Maui Island Plan’s Directed Growth Strategy, which identifies areas appropriate for future urbanization and revitalization.

HOW: CPAC members will need to invest a significant amount of time in reading and analysis, in addition to actual meeting time. Applicants are encouraged to read the existing West Maui Community Plan, which is available online at <https://www.mauicounty.gov/DocumentCenter/View/1720/West-Maui-Community-Plan-1996>. There is also a web site (<https://wearemaui.org>) created

by the Department of Planning that provides comprehensive information on all of the West Maui community engagement activities including numerous survey results, past event recaps, resources, and projects updates. It is recommended that all interested applicants review the information on this web site. The time commitment is likely to be considerable and frequent absences are strongly discouraged. The CPAC will function like other County boards, with duly noticed agendas, public testimony, deliberation, and voting.

DEADLINE: Applications will be due (postmarked or delivered) by 4:30 p.m. on Friday, July 6, 2018, to the Office of Council Services, Room 703, or submitted by email to pea.committee@mauicounty.us.

CONTACT INFO: For more information about the Council's CPAC nomination process, please contact Policy, Economic Development, and Agriculture Committee staff via email at pea.committee@mauicounty.us, or via phone at 270-7134 or 270-7668. For more information about the West Maui Community Plan update process, please call the Department of Planning, Long Range Planning Division, at 270-7214, or refer to the Department's website at <https://wearemaui.org>.
