9. Grantee assures Agency that if it is required to formulate an Equal Employment Opportunity Program in accordance with 28 C.F.R. §§ 42.301 et seq. it will submit a certification to Agency that a current program is on file.

10. Grantee shall maintain accounting procedures and practices acceptable to Agency, and books, records, documents and other evidence which sufficiently, accurately and properly reflect all direct and indirect expenditures and all interest or other income earned as the result of funds provided pursuant to this Contract. Grantee shall ensure that its own books, records, and documents are available for inspection, reviews or audits at all reasonable times by Agency or the United States Department of Justice. 14. If so required by Agency, Grantee shall certify to Agency that any expendable or nonexpendable personal property purchased or acquired with funds received under this Contract will be used for criminal justice purposes before title in such property may vest in Grantee. Grantee shall submit a certification to Agency within thirty (30) days after the date this Contract terminates. If a certification is not provided by Grantee, title to any personal property purchased or acquired with funds received under this Contract shall vest in Agency and such personal property shall be delivered to the Agency in good working order upon expiration or sooner termination of this Contract.

15. Grantee shall ensure that Eighteen Thousand Four Hundred Sixty dollars (\$18,460.00) are available as matching funds to provide the services under this Contract. Grantee shall maintain records which clearly and accurately show the source, amount and the timing of match contributions. If, at the end of the Contract period, Agency determines that Grantee does not have the required matching contribution, Grantee shall return all of the federal portion of the project cost for which Grantee does not have the required match.

D. PERSONNEL.

1. Grantee shall secure at its own expense all personnel required to perform the services required under this Contract. All such personnel shall not be considered employees of, or have any contractual relationship with the State of Hawaii unless Grantee is otherwise an agency of the State.

2. Grantee shall ensure that none of the work or services to be provided under this Contract shall be subcontracted or assigned without the prior written approval of Agency.

E. SUBCONTRACTS.

Grantee may provide some or all of the services required under this Contract by subcontract provided that Grantee secures the prior written consent of Agency. In the event Grantee enters into a subcontract with a private organization to perform any of the services or activities required under this Contract, Grantee agrees that the period of each subcontract shall not exceed the term of this Contract, and funds to the private organization will not be released unless and until the requirements set forth in applicable state law and implementing rules are complied with by the subcontractor. All subcontracts shall include provisions to ensure that Grantee is capable of satisfying the requirements of this Contract. All

subcontracts shall be reduced to writing and shall include all provisions of this Contract required of Grantee.

F. SERVICES AS INDEPENDENT CONTRACTOR.

1. In the performance of the services required under this Contract, Grantee shall be an independent contractor with the authority to control and direct the performance and details of the work and services required under this Contract; however, Agency shall have the right to inspect work in progress to determine whether, in Agency's opinion, the work is being performed by Grantee in accordance with the provisions of this Contract. All persons hired or used by Grantee shall be Grantee's agents and employees and Grantee shall be responsible for the accuracy, completeness, and adequacy of any and all work and services performed by its agents and employees. Furthermore, Grantee intentionally, voluntarily, and knowingly assumes the sole and entire liability if such liability is determined to exist, to its agents and employees or to third persons, for all loss, cost, damage or injury caused by Grantee's agents and employees in the course of their employment. The performance of work under this Contract alone shall not be construed as employment with the State of Hawaii and shall not entitle Grantee's agents and employees to vacation, sick leave, retirement, or other benefits directly

afforded state employees by statutes. Grantee shall be responsible for payment of all applicable federal, state, and county fees which may become due and owing by the Grantee by reason of the Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments and taxes and (iii) general excise taxes. The Grantee also is responsible for obtaining all licenses, permits and certificates that may be required in order to perform this Contract.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

G. COMPENSATION.

1. Subject to continuing availability of funds, Agency agrees to pay Grantee, for services satisfactorily performed under this Contract, a sum not to exceed Fifty-five Thousand Three Hundred eighty dollars (\$55,380.00) to be spent for the purposes of this Contract. This sum represents any and all compensation to be paid to Grantee for any and all services it provides, and for any and all travel costs, materials, supplies, equipment, overhead, taxes, and other incidentals and operating expenses which it incurs or may incur in connection with this Contract.

2. It is covenanted and agreed by and between the parties hereto that, as to the portion of the obligation

under this Contract to be payable out of federal funds, this Contract shall be construed to be an agreement to pay such portion to the Grantee only out of federal funds to be received from the federal government when the federal funds are so received and shall not be construed as a general agreement to pay such portion at all events out of any funds other than those which are received from the federal government.

H. METHOD OF PAYMENT.

1. All funds available for use under this Contract shall be subject to the allotment system as provided in Chapter 37, Hawaii Revised Statutes.

2. Payments to Grantee under this Contract shall be made in accordance with and subject to the following provisions:

a. Payments shall be made monthly upon receipt of Grantee's completed request for funds.

b. All payments shall be made in accordance with and subject to Chapter 40, Hawaii Revised Statutes, which specifies the accounting procedures and controls applicable to payments out of the Treasury of the State of Hawaii.

c. If an amount of reported expenditures is preliminarily determined by Agency to be inappropriate and

unallowable, Agency may deduct an equivalent amount from the next payable installment and may withhold payment of the amount of the moneys equivalent to the questioned expenditures until later resolution of the discrepancy by audit or other means. If, after payment of the last installment, investigation and examination reveal additional expenditures that are determined by Agency to be inappropriate and unallowable, Agency may require that an equivalent amount of moneys be refunded to Agency notwithstanding Agency's preliminary determination of appropriateness and allowability.

d. Failure to submit required reports by the applicable deadline will result in the withholding of payments until such time as the reports are received by Agency. Grantee shall continue to provide the services, programs and activities during the period that payments are being withheld.

I. INDEMNIFICATION.

1. It is strictly understood that the State of Hawaii shall in no way be held liable for any damages, cause of action or suits resulting from the acts, activities or omissions of Grantee. Grantee shall indemnify and save harmless the State of Hawaii, Agency, and their officers, agents, and employees from and against any and all liability, loss, actions, claims, suits, damages, costs or expenses, including all attorneys'

fees, and all claims, suits, and demands therefor, arising out of or resulting from the acts or omissions of Grantee, its officers, employees, agents, or subcontractors occurring during or in connection with the performance of Grantee's services under this Contract, or arising out of or resulting from breach of this Contract by Grantee. Grantee shall defend the State of Hawaii, Agency, and their officers, agents, and employees against any such action or claim unless the action or claim involves an act or omission solely of Agency, its officers, agents, or employees.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

3. The County of Maui will indemnify the State of Hawaii, Agency, and their officers, agents, and employees to the extent permitted by law, and it is understood that payment is subject to approval by the county council/or city council, as the case may be.

J. CONFIDENTIAL MATERIAL.

Any information, data, report, record, summary, table, map, or study given to or prepared or assembled by Grantee under this Contract which is identified as proprietary or confidential information that Agency requests to be kept confidential shall be safeguarded by the Grantee and shall not

be made available to any individual or organization other than any subcontractor to which the material may relate, without prior written approval of Agency. Grantee shall submit a completed Privacy Certification for review and approval prior to the expenditure of funds for the collection of identifiable research/statistical data. All information, data, or other material provided by the Grantee or the Agency shall be kept confidential only to the extent permitted by law. Grantee shall comply with the requirements of Chapters 487J, 487N and 487R, Hawaii Revised Statutes as applicable.

K. COPYRIGHT AND PATENT.

The Agency shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the Grantee pursuant to this Contract, and all such material shall be considered "works made for hire." No summary, report, map, chart, graph, table, study or other documents or discovery, invention, or development produced in whole or in part with funds made available under this Contract (collectively and individually "material") shall be the subject of an application for copyright or patent by or on behalf of Grantee, its officers, agents, or its employees, or its subcontractors without prior written authorization from Agency. To the extent that any material, summary, report, map,

chart, graph, table, study, or other documents, or discovery, invention, or development under this Contract is not recognized as a "work made for hire" as a matter of law, Grantee hereby assigns to the Agency any and all copyrights in and to the material.

L. MODIFICATION OF CONTRACT.

Any modification, alteration, amendment, or change to this Contract other than to the "Application For Grant" (attached hereto as part of Exhibit "A") or to the period during which this Contract is in effect in Section B, including increases (subject to the availability of funds) or decreases in the amount of compensation, permitted by this Contract shall be made by written supplemental agreement to this Contract and executed by Grantee and the Attorney General or the Attorney General's designee. Modifications, alterations or changes to provisions of the "Application For Grant" may be requested by Grantee, approved by the Administrator of the Crime Prevention and Justice Assistance Division on Agency's behalf, and made by substituting or inserting the revisions in Exhibit "A." Modifications, alterations or changes to the period during which this Contract is in effect may be requested in writing by Grantee or Agency, up to forty-five (45) days before the Contract would otherwise terminate, and shall be effective as of

the date approved by the Administrator of the Crime Prevention and Justice Assistance Division (if requested by Grantee) or Grantee (if requested by Agency) and made by attaching a party's written request with the other party's written approval thereon to this Contract. No oral modification, alteration, amendment, change, or extension of any term, provision or condition of this Contract shall be permitted.

M. CONFLICT OF INTEREST.

Grantee represents that it presently has no interest and promises that it shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of the services under this Contract.

N. TERMINATION OF CONTRACT.

1. If, for any cause, Grantee refuses or fails to satisfactorily fulfill in a timely or proper manner its obligations under this Contract or any extension thereof, or if Grantee breaches any of the promises, terms or conditions of this Contract and, having been given reasonable notice of and opportunity to cure any such default, fails to take satisfactory corrective action within the time specified by Agency, Agency shall have the right to terminate this Contract by giving written notice to Grantee of such termination ten (10) calendar

days before the effective date of such termination. The Grantee shall continue performance of the Contract to the extent it is not terminated. Notwithstanding termination of the Contract, and subject to any directions from the Agency, the Grantee shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Grantee in which the Agency has an interest.

2. Furthermore, Agency may terminate this Contract without statement of cause at any time by giving written notice to Grantee of such termination at least thirty (30) calendar days before the effective date of such termination.

3. In the event of termination of either type, all finished or unfinished documents, reports, summaries, lists, charts, graphs, maps, or other written material prepared by Grantee, under this Contract shall, at the option of Agency, become Agency's property and, together with all information, data, reports, records, maps, and other materials (if any) provided to Grantee by Agency, shall be delivered and surrendered to Agency on or before the effective date of termination.

4. Grantee shall be entitled to receive only such compensation as shall have been satisfactorily earned prior to the effective date of termination. Agency shall determine

the amount of work satisfactorily completed and the amount of compensation satisfactorily earned. If the termination is for cause, any other provisions to the contrary notwithstanding, Grantee shall not be relieved of liability to Agency for damages sustained by Agency because of any breach by Grantee of this Contract.

O. WAIVER.

The failure of the Agency to insist upon strict compliance with any term, provision, or condition of this Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the Agency's right to enforce the same in accordance with this Contract. It is expressly understood and agreed that no waiver granted by Agency on account of any violation of any promise, term or condition of this Contract shall constitute or be construed in any manner as a waiver of the promise, term or condition or of the right to enforce the same as to any other or further violation.

P. DISPUTES; GOVERNING LAW; VENUE.

# APPLICATION FOR S.T.O.P. VIOLENCE AGAINST WOMEN GRANT

## PART II. DESCRIPTION OF PROJECT

Note: This form does not provide spell check.

### A. THE PROBLEM

The Department seeks to retain the services of the current full-time Project Investigator to provide a higher level of follow-up services for the four (4) deputy prosecuting attorneys assigned to the Domestic Violence Unit. The Domestic Violence Unit prosecutors are assigned to represent victims of domestic violence of which 90% are women. The Department employs four (4) other investigators who service thirty two (32) other prosecutors assigned to the various divisions, including victims of Domestic Violence. Without the services of a full-time Investigator, domestic violence against women cases would not have the follow-up services needed to prosecute perpetrators to the fullest extent for the severity of their crimes. The Department is committed to maximizing the number of convictions of perpetrators of domestic violence against women and views these cases as high priority.

The Department is applying for the FY 2016 STOP Violence Against Women Formula Grant to retain the Project Investigator position and seeks to maintain valuable follow-up services to affect a higher rate of convictions of perpetrators.

The Project Investigator provides an array of follow-up services exclusively for the Department's four prosecuting attorneys assigned to represent female victims of domestic violence in Maui County. The Project Investigator provided 1,576 follow-up services for 666 cases during the period 05/01/2017 to 01/15/2017 under the 2015 STOP VAWA Formula grant. The data was compiled for the 7 out of the 12 months of the grant period. (See Attachment "A" for a list of Investigator's follow-up services.) The Investigator serviced at a minimum of 100 cases per month. Out of the 666 cases received, 472 cases were opened and charged and 49 cases dismissed and 151 (32%) cases were convicted.

The Project Investigator to provide photos of injuries and 911 tapes for each case. The demands of domestic violence cases has increased requiring prosecutors to appear in court multiple times even up to a year or more to settle a case due to the current defendants' attorneys strategies to prolong the trials in the event that the victim will withdraw the charges. Due to the prosecutors multiple appearances in court, the Project Investigator must work collaboratively with the prosecutor and the victim/witness counselor to obtain more information to effectively convict the perpetrator. In addition, the Project Investigator is tasked with writing investigative reports and retrieving media/communication type of evidence such as CADS/911, videos, and photographs from the Maui Police Department's criminal data information system, locate victims, obtain medical records, recover evidence from victims/witness, serve subpoenas, and other services as listed in Attachment A. The Project Investigator is given every domestic violence case which involves a female victim and will provide the photos and 911 calls for each case to the assigned prosecutor. Recently, we acquired a new evidence tools, the Body Cam. Producing this type of evidence is very time consuming. The Project Investigator needs to download large video's and then two copies are produced for evidence. This protocol has made the charging decisions more effective and efficient.

The Project Investigator plays an integral part in the Department's Domestic Violence Unit. In addition to providing photos and 911 tapes for the prosecutors, the Project Investigator accompanies the prosecutors when meeting with a victim outside of the Department's facility, and provides other services immediately upon request of the prosecutors. 90% of initial screenings are held at the Victim/Witness Unit's facility. The interview is conducted by the prosecutor, with a victim/witness counselor, and the Project Investigator sits in to receive assignments from the prosecutor.

The DVU's triage process is to first put the victim at ease and to build trust between the victim and DVU staff before any strategic efforts can be made for the process of prosecution. Oftentimes the victims are distraught and anxious initially, so the prosecutor is not able to question the victim nor can the Investigator photograph the session until the victim is willing to authorize the process. Due to the prosecutors multiple appearances in court, the Project Investigator must work collaboratively with the prosecutor and the victim/witness counselor to document obtain more information to effectively convict the perpetrator. The Project Investigator received a specialized training in the area of social networking. The social networking training will enable the investigator to assist the assigned prosecutors in conducting online research and investigation of unlawful and/or illegal online messages sent by perpetrators intended to intimidate, harass, and threaten female victims of domestic violence.

The current disposition of statistics should be viewed with the understanding that there are many factors outside the control of the deputy prosecuting attorney handling a case. These include 1) failure of a victim to appear at trial, 2) recantation of a victim, 3) adverse rules of judges, 4) sympathetic attitudes of jurors to domestic violence perpetrators, sometimes resulting in acquittal of cases despite prosecution having a strong case, and 5) insufficient or faulty police investigation. In addition, at least 20% of victims have come through this Department multiple times and will withdraw their charges.

The Department's Victim/Witness Unit and the DVU Unit work cooperatively with non-profit private organizations - Women Helping Women , Child & Family Service, PACT, and government agencies - the State Court System, Department of Human Services (Child Protective Services) and the Maui Police Department (MPD) Domestic Violence Unit. The Women Helping Women staff assist the Project Investigator in locating victims and refer victims to this Department's DVU to conduct follow-up services needed for trial preparation. The MPD's Domestic Violence Unit also works closely with the Project Investigator in providing other evidence and information not provided through their information database system.

The DVU prosecutors express their concerns that although perpetrators are convicted, the safety and well-being of the victims still remain at risk after prosecution when perpetrators are released. There are limited transient temporary housing options in Maui County and limited financial aid for women victims to pursue a life of normalcy and independence. It is speculated that the shortage of temporary housing, limited financial aid, unemployment, and financial hardship, drug addiction, poor self-esteem, contribute to many female victims returning to their homes with the perpetrators. This has resulted in the recycling of domestic violence and perpetrators and reappearing in the court system. Domestic Violence against females in Maui County represents 99% of all Domestic Violence cases received on an annual basis.

## B. GOALS AND OBJECTIVES

1. To strengthen prosecution of domestic violence cases by providing complete and thorough investigative services before court date of each case within the grant period.

2. Objectives:

- a. The investigator will provide maximum follow-up services to 100% of the cases accepted for prosecution, serving up to at least 30 (unique) victims per month.
- b. The investigator will provide photos of injuries and record 911 tapes for all incoming referrals.
- c. 70% of the cases convicted will plead guilty before trial and settle due to the investigator's services within the grant period.
- d. To obtain a conviction rate of 60% of cases that were provided a maximum of follow-up services and prosecuted during the grant period.
- e. The investigator will continue collaboration efforts and meet with police counterparts and non-profit organizations, government agencies to ensure thoroughness of investigation and reduction of duplication of efforts on a monthly basis within the grant period.
- f. The investigator will maintain close communication with the prosecutors on a daily basis to ensure the quality of investigative services and the effective impact on prosecution/conviction activities within the grant period.

C. PROJECT ACTIVITIES

1. A full-time Project Investigator exclusively to provide follow-up service for female victims of domestic violence cases will service up to at least 30 victims per month. The Project Investigator will conduct and complete assignments for cases exclusively in the area of domestic violence as directed by the Domestic Violence Unit Prosecutors assigned to domestic violence cases. The maximum number of services will be provided based on the individualized needs of each case. See Attachment "A" for a checklist of the array of services to be performed. The Project Investigator will assist in locating and/or contacting victims and witnesses, and serving subpoenas. The Investigator will team up with the Department's victim/witness counselors in making follow-up visits to victims' homes in cases where there is serious injury or a repeat offense, property damage, and statements from victims and witnesses as needed. The Project Investigator will also testify as needed.
2. The Project Investigator will provide the Deputy Prosecutors with the maximum amount of evidence collected from the investigations to help build the strongest cases possible. It is anticipated that a 70% average of the cases investigated will be settled before trial due to the information provided to the DV prosecutors. Additionally, the Project Investigator will assist the prosecutors and the victim/witness counselors in locating and/or contacting victims and witnesses, making follow-up visits and serving subpoenas.
3. The Project Investigator will meet monthly with police counterparts in the MPD's Domestic Violence Unit, Records and Evidence sections, and Dispatch Center. On-going communication concerning individual cases will result in thorough initial investigations and strengthen prosecution. Close contact with the police will prevent duplication of assignments. The Investigator will also maintain relationships with agency personnel at the homeless shelter, the Paroling Authority, Child and Family Services, Child Protection Services, Women Helping Women, and PACT, who assist with locating victims.
4. The Project Investigator will communicate (daily/weekly) with the prosecutors to review

completed assignments and accept new assignments for investigative work. The process and procedures of the follow-up services as well as the transfer of information to the prosecutors will be reviewed and revised as needed.

5. The Project Investigator will continue to provide more than 4 follow-up services to assist the Deputy Prosecuting Attorney in obtaining a conviction rate of 60%. The Project Investigator will obtain this goal by locating the Victims, interviewing all witnesses, providing 911 recordings and assist the Deputy Prosecuting Attorney in doing a thorough investigation of the case assigned to them.

D. PROJECT ORGANIZATION AND MANAGEMENT

The Program Director shall be the Prosecuting Attorney, John D. Kim. He will direct, monitor, and evaluate the activities for the Project Investigator and activities assigned within the Domestic Violence Unit. The Program Director shall also direct the gathering of statistics as described in the evaluation section of this grant application.

E. PERSONNEL

The Domestic Violence Investigations Program will include the services of one (1) full-time Project Investigator. Duties will include interviewing victim/witnesses for trial preparations, obtaining physical evidence, and testifying in court proceedings. The Project Investigator will photograph/videotape physical evidence, crime scenes, victims/witnesses statements as needed, create charts, diagrams, and photo displays for court hearings, trials, serve legal instruments such as subpoenas, and search/locate and identify victims/witnesses. Administrative duties will include entering work activities on a daily basis in the Department's database, and compiling statistics for reporting purposes applicable to this grant request, and submitting time sheets on a monthly basis. The Project Investigator will also provide on-call services for emergencies that have arisen during the investigation or the preparation of domestic violence cases for hearings and trial

F. BRIEF PERSONNEL BIOGRAPHIES

The Project Investigator, David S. Olsten was hired by the County of Maui, Department of the Prosecuting Attorney on April 16, 2008 under a VAWA STOP grant and continues to work exclusively to serve the Domestic Violence Unit. Olsten was a former Investigator for the Maui County Liquor Control Department for eleven (11) years and a Police Officer for the Maui Police Department for three (3) years. See Attachment of Investigator's resume.

G. PARTICIPATING AGENCIES

The Domestic Violence Investigations Program will be implemented by the Maui County Department of the Prosecuting Attorney. The Investigator will maintain a close working relationship with the attorneys in the Department's Domestic Violence Unit in order to provide the support they need for successful prosecutions. The Project Investigator will work closely with the Department's Victim/Witness counselors and Women Helping Women in locating and/or contacting victims and witnesses to keep them more engaged during prosecution.

Direct communication with police counterparts in the MPD's Domestic Violence Unit, Records and Evidence sections, and Dispatch Center will promote timely information sharing and evidence preparation. Other agency personnel may be useful in aiding the Investigator's work as mentioned in the Activities section of this application. Additional collaboration efforts between the Maui Police Department, various victim service providers (Women Helping Women, Child

and Family Services), Child Protection Services, PACT and the Paroling Authority will enhance agency communication and increase the quality of investigative services.

#### H. PERFORMANCE INDICATORS/OUTCOME MEASURES

The Performance outcomes will be measured by the number of convictions resulting from the thorough and complete investigative services. Work activities of the Project Investigator will be tracked on a daily basis. Data on the number of cases accepted, the number of victims serviced, the type of follow-up services provided will be collected and entered in the Department's database. Case disposition statistics will be collected to determine outcomes of prosecution efforts. This will include the number of cases settled due to the investigator's efforts. Attachment "A" will be used for the reporting the type of follow-up services assigned to the Project Investigator, the total number of cases accepted during the grant period and cases serviced. Attachment "B" will be used to measure outcomes by disposition of cases.

#### I. PROBABILITY TO IMPROVE THE CRIMINAL JUSTICE SYSTEM

The impact of the Department's Domestic Violence Investigations Program is evident in the data collected including the increase in the number of cases receiving more follow up services that the defendants admit to offenses before trial due to the Investigator's services. The Department is encouraged that prosecution efforts will continue to be strengthened. The addition of the Investigator to the Department's Domestic Violence Unit is invaluable to the attorneys; it provides the support they need to make the best possible case, improves morale, and lessens the effect of attorney burnout common in domestic violence prosecution. The Investigator will provide thorough and complete follow-up investigative services, provide immediate photos of injuries and 911 tapes on all referrals for the prosecutors to assist with charging decisions and evidential information for hearings and trials. He will also meet regularly with MPD's Domestic Violence Unit and other stakeholders to continue to work on eliminating duplication of investigative efforts, improve teamwork, and promote accountability between the Department and all agencies involved with domestic violence. The Investigator's project activities will help to strengthen the cases for effective prosecution of perpetrators, improve favorable outcomes for victims, and send the message to the public that violent behavior will not be tolerated and that effective action will be taken when violence against females occurs.

I resigned my position at the Maui Police Department to venture off into the entrepreneurial world. My father, Harold "Oly" Olsten and I formed Olsten Enterprises, Inc. We purchased operating businesses that were not doing so well and built them into successful businesses, then sold them. For example, we purchased a business which was on the verge of closing, Maui's Famous Cookies. We turned the company around and built it into one of the largest and most successful wholesale cookie manufacturing factories in the State of Hawaii. I managed the day to day operations. We grew the company into one that was running twenty four (24) hours a day six (6) days a week. We were selling wholesale to virtually every retail store on the Island of Maui. We were shipping cookies out to the mainland and Canada in air freight containers in large wholesale quantities to national chain stores, such as Safeway, etc... Along the way we developed additional product lines including Maui Princess Candies and a few others. We also opened up a retail store in the Rainbow Mall in Kihei named after my grandmother, Mrs. Olsten's Cookies and Fudge. We sold both of these businesses after re-building them for a substantial profit.

As required by the Statutory Eligibility Requirements of the Violence Against Women Act (VAWA), STOP Formula Grant Program found in 42 U.S.C. 3796gg-5 and 18 U.S.C. § 922(g)(8)-(9) and implemented at 28 CFR Part 90,

I certify that the Department of the Prosecuting Attorney, Maui County (name of Grantee) will:

1. Ensure its policies and practices do not require that the victim bear the costs associated with the prosecution of any misdemeanor or felony domestic violence, dating violence, sexual assault, or stalking offense, or in connection with the filing, issuance, registration, modification, enforcement, dismissal, withdrawal, or service of a warrant, protection order, or a petition for a protection order to protect a victim of domestic violence, dating violence, sexual assault, or stalking, or witness subpoena, whether issued inside or outside the state.
2. Provide notification to domestic violence offenders of the requirements delineated in section 922(g)(8) and (g)(9) of the title 18, United States Code and any applicable related federal, state, and local laws.

18 U.S.C. § 922(g)(8)-(9) states:

“It shall be unlawful for any person --

(A) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate;

(B) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and

(C) (i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury; or

to ship or transport in interstate or foreign commerce, or possess in or affecting commerce, any firearm or ammunition; or to receive any firearm or ammunition which has been shipped or transported in interstate or foreign commerce.”

The undersigned understands and agrees, on behalf of the Grantee, that if it fails to comply with any of the provisions stated above, it will jeopardize the Grantee and the State of Hawaii from receiving any funds from the VAWA STOP Formula Grant.
