Subject: EDB-1: in support of Maui Nui Botanical Gardens. □■

My spouse and I are newcomers to Maui and appreciate all that we have learned about Native Hawaiian plants and trees. I incorporate these plants in my garden and teach others about protecting native species on Maui.

Please provide an appropriate amount of financial support to Maui Nui Botanical Gardens.

The people of Maui deserve to have their natural resources protected through the educational programs offered at the gardens

Please consider our appeal for help.

Dear Chairwoman Rawlins-Fernandez,
Vice-Chair King and Committee Members,

I humbly ask for your generous support of Lana'i Kina'ole.

Lana'i Kina'ole is Lana'i's newly formed certified, non-profit Home Healthcare Organization. The dedicated, compassionate care of the Lana'i Kina'ole staff makes it possible for patients to remain at home on Lana'i.

Many of the patients cared for would have to be moved off island to a care facility. This move would cause great stress on the patient as well as their family.

With your generous support for Lana'i Kina'ole Lana'i's infirmed patients can remain at home with loving family and friends.

With Aloha,

Nancy Tamashiro
