For Transmittal to:

Honorable Yuki Lei K. Sugimura, Chair
and Members of the Budget, Finance, and Economic Development Committee
200 South High Street

Dear Chair Sugimura:

SUBJECT: ADMINISTRATION AND MANAGEMENT OF GRANTS (BFED-20(12))

Your correspondence dated March 20, 2026 requested information on the values of grants approved, but not fully encumbered or not fully disbursed along with the original amount allocated, actual amount disbursed, the amount realized as Carryover/Savings or otherwise remaining unspent, and the reason the entirety of the funds were not used.

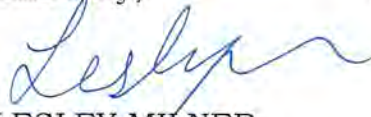

Attached please find reports for each Department that include the grants awarded, the amount encumbered, the amount paid, any amount that has been disencumbered, and any remaining encumbrance. Please note that there are some grants that moved between departments due to the bifurcation of the Department of Housing and Human Concerns, leading to negative disencumbrances on one report and positive amounts on the other.

Any disencumbered funds become carryover savings in an ensuing fiscal year. As you can see from the reports, not all grants are completed or disencumbered in the year in which they are awarded. Typically, unused funds are the result of the grantee spending less than the total award amount.

Yuki Lei K. Sugimura, Chair
