A. Notwithstanding the provisions contained in Section 7, appropriations may be disbursed by a department to reimburse another department for work performed.

SECTION 8. General obligation bonds appropriated in this ordinance need not be authorized contemporaneously with this ordinance to be included as estimated revenues. Any increase or decrease in revenues or any increase or decrease in appropriations to any department or program, or any transfer of funds from one department to another, or any transfer of funds within a department, shall be made in accordance with law.

SECTION 9. All provisions of law contained in the Maui County Code and Hawaii Revised Statutes, both as amended, that affect the expenditure of the revenues from the rates, fees, assessments and taxes herein adopted, are incorporated herein and made a part hereof. All provisions of law limiting the expenditure of fund revenues are incorporated herein and made a part hereof.

### GRANT REVENUES

SECTION 11. The grant revenues, which include revenues from grants and revenues with restricted uses, set forth in Appendix A, Part I (attached hereto and made a part hereof), are expected to be derived by the County from Federal, State, or private sources during Fiscal Year 2018. These grant revenues are hereby appropriated in the amounts set forth in Appendix A, Part I, to the programs and uses identified therein; provided, that disbursement is conditioned on: (1) receipt of a notification of grant award from the grantor, or receipt of notification from the grantor that the grant award will be forthcoming and that the County is authorized to incur costs pursuant to such grant award; and (2) written notice to the County Council, to which a copy of the notification from the grantor is attached. When a specific amount from a grant is appropriated for a specific position, the individual in that position shall be paid only the amount so specified during this fiscal year and no more, notwithstanding that the terms or rules and

regulations of the grant may allow additional pay for said position. Unless specifically authorized, grant revenues shall not be used for salaries and personnel services for a County position. Except as provided for above, grant revenues may be disbursed for operations, services and/or equipment. In addition, any amounts appropriated as County matching funds, may also be encumbered or disbursed for operations, services and/or equipment.

A. Subject to the requirements of this section, the Mayor is hereby authorized to execute any documents to receive and expend the funds for the grants and programs identified in Part I of Appendix A.

B. Grant revenues derived during Fiscal Year 2018 that are not included in Part I of Appendix A shall be subject to Sections 12 and 13, as may be appropriate.

SECTION 12. Whenever the County is notified that grant revenues are available from Federal or State sources for programs other than those identified in Part I of Appendix A, the County Council may authorize the acceptance of such revenues by adding the revenues to Part I of Appendix A. The following procedure shall apply.

A. These grant revenues are deemed appropriated upon enactment of an ordinance adding the estimated revenues to Part I of Appendix A; provided, that disbursement is conditioned on: (1) receipt of a notification of grant award from the grantor, or receipt of notification from the grantor that the grant award will be forthcoming and that the County is authorized to incur costs pursuant to such grant award; and (2) written notice to the County Council, to which a copy of the notification from the grantor is attached.

B. Subject to the requirements of this Section, the Mayor is hereby authorized to execute any documents to receive and expend the funds for the programs identified in the grant award.

SECTION 13. Whenever the County receives donations of monies from private sources not provided for in Part I of Appendix A, the County Council may approve its acceptance and authorize its expenditure in accordance with Chapter 3.56, Maui County Code.

SECTION 14. The special purpose revenues set forth in Appendix A, Part II (attached hereto and made a part hereof), are expected to be on hand as of June 30, 2017, or derived by the County during Fiscal Year 2018, from the programs or activities described in the Maui County Code at the references set forth under A through S therein. The balance remaining in each of the revolving or special funds as of June 30, 2017, is hereby re-appropriated to the particular fund for expenditure for the purposes identified in the ordinance establishing the revolving or special fund. Notwithstanding

the foregoing, appropriations from the Open Space, Natural Resources, Cultural Resources, and Scenic Views Preservation Fund; Emergency Fund; Affordable Housing Fund; Countywide Sewer Capital Improvement Reserve Fund; and Upcountry Water System Expansion Capital Improvement Reserve Fund, shall be specifically identified in the budget ordinance. Revenues derived from the particular program or activities during the fiscal year are hereby appropriated for expenditure for the purposes identified in the ordinance establishing the revolving or special fund.

### FINANCIAL PROCEDURES

SECTION 17. For the purpose of this section, "County fund" excludes pension or retirement funds, funds under the control of any independent board or commission, funds set aside for the redemption of bonds or the payment of interest thereon, park dedication funds, or special purpose funds. In the event there are monies in any County fund that, in the judgment of the Director of Finance, are in excess of the amounts necessary for the immediate requirements of the respective funds, and where in the judgment of the Director of Finance, such action will not impede the necessary or desirable financial operation of the County, the Director of Finance may make temporary transfers or loans therefrom without interest to the Bond Fund or the Housing

Interim Financing and Buy-Back Revolving Fund. The amount of such temporary transfers or loans shall not exceed the amount of general obligation bonds or notes authorized but not issued. At any time the aggregate amount of such transfers and loans that shall be unreimbursed shall not exceed \$55,000,000. Monies transferred or loaned shall be expended only for appropriations from the Bond Fund or the Housing Interim Financing and Buy-Back Revolving Fund, which are specified to be financed from the sale of general obligation bonds or notes. The fund from which transfers or loans are made shall be reimbursed, from time to time in whole or in part based on expenditures or anticipated expenditures, by the Director of Finance from the proceeds of the sale of general obligation bonds or notes upon the eventual issuance and sale of such bonds or notes. Within 30 days after each transfer or loan, the Director of Finance shall report to the County Council on: (1) the amount of transfer or loan requirement; (2) the reason or justification for the transfer or loan; (3) the source of funding to reimburse or repay the transfer or loan; and (4) the time schedule proposed for reimbursement or repayment of the transfer or loan. The transfer or loan shall be reimbursed or repaid within twenty-four (24) months after the later of: (i) the date of the transfer or loan; or (ii) the date that the public improvement funded by the transfer or loan was placed in service, but in no event later than three (3) years after the expenditure has been made.

At the close of each quarter, the Director of Finance shall submit to the County Council a Combined Statement of Cash Receipts and Disbursements showing for each month for each individual fund the cash balance at the start of the accounting period, the cash receipts and disbursements during the period, and the cash balance at the end of the period. Within forty-five (45) days after the close of each quarter, the Director of Finance shall submit a separate report showing the accumulated balance of any fund or account which exceeds \$100,000, and which would be available for appropriation upon certification by the Mayor.

SECTION 18. The Director of Finance is hereby authorized to establish appropriate individual and separate accounts for receipts and expenditures except as otherwise provided herein.

SECTION 19. The Director of Finance is further authorized to establish accounts for items of receipt and expenditures for the departments, agencies, or divisions as required by law in order to establish accounting and financial procedures under utility and other enterprise fund accounting. The Director of Finance is authorized to transfer appropriations from programs under countywide costs to departments where generally accepted accounting principles require such transfer to properly reflect the financial accounting of such department; provided, however, that the total appropriation transferred shall not exceed the appropriation of the respective program in countywide costs; and provided, further, that the County Council shall receive notice of such

transfer with an explanation of the action. Receipt of said written notices by the County Clerk shall constitute receipt by the County Council.

SECTION 20. Whoever intentionally or knowingly violates this ordinance shall be fined not more than \$1,000 or imprisoned not more than thirty (30) days or both.

SECTION 21. If any appropriation set forth in this ordinance is held invalid by a court of competent jurisdiction, the Self Insurance fund appropriation shall be adjusted to the extent necessary to maintain the equality of estimated revenues, proposed expenditures and total appropriations, as required by Section 9-5 of the Revised Charter of the County of Maui (1983), as amended.

SECTION 22. If any provision of this ordinance or the application thereof to any person or circumstance, is held invalid by a court of competent jurisdiction, the invalidity does not affect other provisions or applications of the ordinance, which can be given effect without the invalid provision or application, and to this end the provisions of this ordinance are severable.

SECTION 23. This ordinance shall take effect on July 1, 2017.

The cost of issuance of the Bonds or any series thereof, including without limitation, the initial fee of paying agents and registrars, the fees of financial consultants and bond counsel, the cost of preparation of any Official Statement relating to the Bonds, any notices of sale and forms of bid and the definitive Bonds, and the costs of publication of any notices of sale, may be paid from the proceeds of the Bonds or any series thereof and such costs shall be allocated pro rata to each of the foregoing projects financed from such proceeds.

**SECTION 3. Details of Bonds.** The Bonds authorized for issuance and sale in Section 1 hereof shall be issued and sold in their entirety at one time, as a separate issue or as part of an issue of general obligation bonds of the County, or from time to time in part in series, as shall be determined by the Director of Finance to be in the best interest of the County; provided, however, nothing herein shall prohibit or be deemed to prohibit the issuance and sale of all or part of the Bonds contemporaneously with the issuance and sale of other authorized general obligation bonds either as part of the same series or as separate series. The Bonds shall be issued in fully registered form without coupons and in the denomination of \$5,000 or any integral multiple thereof. The Bonds of a given series shall be numbered in any manner as the Director of Finance shall determine. The Bonds shall mature annually in substantially equal installments of principal or in substantially equal installments of principal and interest, the first of such maturities to be not later than five years from the date thereof and the last of such maturities to be not later than twenty-five (25) years from the date thereof, shall be dated, may be redeemable

prior to their stated maturities at any time or times on and after five (5) years from their date at prices not exceeding 104% of the principal amount thereof, and shall bear interest at such rate or rates per annum, not exceeding twelve per centum (12%) per annum, as shall be specified in the contract approved or the bid accepted for the purchase of the Bonds of such series, if any contract therefor be approved or any bid therefor be accepted, such interest being payable on a date not more than six (6) months from the date of the Bonds of such series and semiannually thereafter. The Director of Finance is hereby authorized to determine, in accordance with and subject to the provisions of this ordinance, the series designation of the Bonds; the date of the Bonds; the principal and interest payment dates of the Bonds and the record dates of holders of the Bonds entitled to receive such interest payments; the maturity dates of the Bonds; the amount of principal of the Bonds maturing on each maturity date; the place or places at which the Bonds may be paid or registered, which may include the office of the Director of Finance; whether the Bonds shall be in book-entry form; and whether or not the Bonds shall be subject to redemption prior to their stated maturities and, if subject to such prior redemption, the provisions for such prior redemption, the premiums (if any) payable upon such redemption and the respective periods in which such premiums are payable.

SECTION 4. Redemption of Bonds. If any Bond (or portion thereof in installments of \$5,000 or any integral multiple thereof) is to be redeemed, notice of redemption shall be given in such manner as the Director of Finance shall determine. If any Bond shall have been duly called for redemption and notice of such redemption duly given as aforesaid, and if moneys for the payment of such Bond at the then applicable redemption price and the interest accrued on the principal amount thereof to the date of redemption are made or duly provided for by the County, interest on such Bond shall cease to accrue and become payable from and after the date fixed for redemption.

SECTION 5. Registration, Exchange and Transfer of Bonds. At all times during which any Bond of any series remains outstanding and unpaid, the registrar for such series shall keep or cause to be kept at its designated office bond registration books for the registration, exchange and transfer of such series of Bonds. Upon presentation at its designated office for such purpose the registrar, under such reasonable provisions as it may prescribe, shall register, exchange or transfer, or cause to be registered, exchanged or transferred, on the bond registration books the Bonds of such series as hereinbefore set forth. The bond registration books shall at all times be open for inspection by the County or any duly authorized officer thereof.

Any Bond of any series may be exchanged at the designated office of the registrar for such series of Bonds for a like aggregate principal amount of such Bonds in other authorized principal sums of the same series, interest rate and maturity. Any Bond of any series may, in accordance with its terms, be transferred upon the bond registration books by the person in whose name it is registered, in person or by such person's duly authorized agent, upon surrender of such Bond to the registrar for such series for cancellation,

accompanied by a written instrument of transfer duly executed by the registered owner in person or by such owner's duly authorized agent, in form satisfactory to the registrar.

All transfers or exchanges pursuant to this Section shall be made without expense to the holder of such Bonds, except as otherwise herein provided, and except that the registrar for such series of Bonds shall require the payment by the holder of the Bond requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange. All Bonds surrendered pursuant to this Section shall be canceled.

No transfer or exchange of Bonds shall be required to be made during the fifteen (15) days next preceding an interest payment date for such series of Bonds, nor during the forty-five (45) days next preceding the date fixed for redemption of such Bonds.

Whenever any Bond of a series shall be surrendered for transfer or exchange, the County shall execute and deliver at the designated office of the registrar for such series, and the registrar shall prepare and authenticate, and send by registered mail to the owner or new owner thereof at such owner's request, risk and expense, a new duly executed Bond or Bonds of the same series, interest rate and maturity and for the like aggregate principal sum registered on the bond registration books in such manner as the owner or transferee, as the case may be, may request.

**SECTION 6. Execution and Form of Fully Registered Bonds.** The Bonds shall bear the manual or facsimile signatures of the Director of Finance or the Deputy Director of Finance and the Mayor of the County and shall be sealed with the seal or a facsimile seal of the County. The Director of Finance may, at the Director's election, sign or direct the Deputy Director of Finance to sign such number of Bonds of any series as the Director of Finance shall determine and deliver such signed Bonds to the registrar for such series for safekeeping prior to the time such Bonds are actually issued, exchanged or transferred. Unless the Director of Finance is the registrar, the Director of Finance shall direct the registrar for the Bonds of a given series to authenticate such Bonds and no such Bond shall be valid or obligatory for any purpose unless and until the certificate of authentication endorsed on each Bond shall have been manually executed by any authorized officer of the registrar. It shall not be necessary that any Bonds which are manually signed by the Director of Finance, and for which the Director of Finance is the registrar, bear any such certificate of authentication. Upon the registration of any Bonds the registrar shall insert on such Bonds the date as of which such Bonds are registered.

Bonds may be printed, typewritten or otherwise produced. The form of the Bonds, the registrar's certificate of authentication and the instrument of assignment shall be substantially as follows with such appropriate insertions, variations, and omissions as are required with respect to a particular series of Bonds:

This bond is one of a series designated "General Obligation Bonds, \_\_\_\_\_ Series \_\_\_\_\_" of like date and tenor, except as to number, denomination, interest rate and maturity. This series of bonds is authorized by the Council to be issued to provide funds for various public improvements in the County. This bond and the series of which it is a part are issued under and pursuant to and in full compliance with the Constitution and statutes of the State of Hawaii, including Part I of Chapter 47, Hawaii Revised Statutes, as amended, the Revised Charter of the County of Maui (1983), as amended, and

proceedings of the aforesaid Council duly taken thereunder. The full faith and credit of the County are irrevocably pledged of the punctual payment of the principal of and interest on this bond according to its terms.

[The bonds of the series of which this bond is one (or portions of the principal amount thereof in installments of \$5,000 or any integral multiple thereof) maturing after \_\_\_\_\_, \_\_\_\_\_, are subject to redemption at the option of the County prior to the respective stated maturities thereof, on and after \_\_\_\_\_, \_\_\_\_\_, in whole at any time, and in part from time to time on any interest payment date and in inverse order of maturities, at the principal amount thereof (or the portion of the principal amount thereof to be redeemed), the interest accrued thereon to the date fixed for redemption and the following redemption premiums expressed as a percentage of the principal amount redeemed: [\_\_\_\_% if redeemed during the period \_\_\_\_\_, \_\_\_\_\_ to \_\_\_\_\_, \_\_\_\_\_, both inclusive; \_\_\_\_% if redeemed during the period \_\_\_\_\_, \_\_\_\_\_ to \_\_\_\_\_, \_\_\_\_\_, both inclusive; \_\_\_% if redeemed during the period \_\_\_\_\_, \_\_\_\_\_ to \_\_\_\_\_, \_\_\_\_\_, both inclusive; \_\_\_\_\_% if redeemed during the period \_\_\_\_\_, \_\_\_\_\_ to \_\_\_\_\_, \_\_\_\_\_, both inclusive; and no premium if redeemed on or after \_\_\_\_\_, \_\_\_\_\_.] If less than all the bonds of any maturity are called for redemption, the bonds of such maturity to be redeemed (or portions thereof to be redeemed) shall be selected by lot.

[Insert any publication option.] If this bond be redeemable and this bond (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of the redemption hereof given as aforesaid, and if on or before the date fixed for such redemption payment hereof shall be duly made or provided for, interest hereon shall cease from and after the redemption date hereof.]

[If this bond be of a denomination in excess of \$5,000, portions of the principal sum hereof in installments of \$5,000 or any integral multiple thereof may be redeemed, and if less than all of the principal sum hereof is to be redeemed, in such case upon the surrender of this bond at the principal office of the Registrar, there shall be issued to the registered owner, without charge therefor, for the then unredeemed balance of the principal sum hereof, a bond or bonds of like series, maturity and interest rate in the denominations of \$5,000 or any integral multiple of \$5,000.]

The bonds of the series of bonds of which this Bond is a part are issuable as fully registered bonds without coupons in the denomination of \$5,000, and any integral multiples thereof. Subject to the limitations and upon payment of the charges, if any, bonds may be exchanged at the principal office of the Registrar, in \_\_\_\_\_, for a like aggregate principal amount of bonds of other authorized principal sums and of the same series, interest rate and maturity.

Upon such transfer a new bond or bonds of authorized denomination and of the same aggregate principal amount, series, interest rate and maturity as the bond surrendered, will be issued to the transferee in exchange herefor.

[This bond shall not be valid or obligatory unless the Certificate of Authentication hereon shall have been manually signed by an authorized officer of the Registrar.]

It is hereby certified, recited and declared that all conditions, acts and things essential to the validity of this bond and the series of which it forms a part exist, have happened and have been done; that every requirement of law affecting the issuance thereof has been duly complied with; and that the amount of this bond and the series of which it forms a part, together with all other indebtedness of the County, is not in excess of any statutory or constitutional limitation of indebtedness.

SECTION 7. Sale of Bonds. Without any further authorization from or action by the Council, but subject to the provisions hereof including in particular those limitations set forth in Section 3 and of applicable law, the Director of Finance is hereby authorized to issue and sell the Bonds at one time or from time to time in series at competitive sale or at negotiated sale in accordance with Section 47-8, Hawaii Revised Statutes, as amended, in each case at such price or prices and upon such terms and conditions as the Director of Finance shall approve and determine to be in the best interest of the County. Without limiting the generality of the foregoing, with respect to the sale of the Bonds or of portions of the Bonds, the Director of Finance is hereby

authorized to retain bond counsel, paying agents, registrars and financial and accounting consultants, upon such terms and conditions as the Director of Finance shall deem advisable and in the best interest of the County, to select the date for such sale, to publish and distribute a Notice of Sale or to enter into a contract for the sale of the Bonds or portions thereof, in each case in such form and containing such terms and conditions as the Director of Finance shall approve and deem advisable, to distribute an Official Statement and such other information relating to the Bonds as the Director of Finance may deem advisable, to receive bids for the sale of the Bonds or the portion thereof being offered and to award the sale of the Bonds or the portion thereof being offered to the bidder offering the lowest interest cost therefor, in accordance with the applicable Notice of Sale, if any; provided that the Director of Finance may reserve the right to reject any and all bids. Subject to the provisions of Section 3 hereof, without further action of the Council, the Bonds shall bear interest at the rates per annum as specified in the contract or contracts approved or in the bid or bids accepted.

The Director of Finance and all officials of the County are hereby authorized to take such action and execute such orders, receipts and other documents as may be necessary in order to effectuate the sale of the Bonds or any portion thereof, and, if any contract therefor be approved or any bid therefor be accepted, the preparation, execution and delivery thereof, in accordance with the provisions hereof and applicable law. Subsequent to the sale of the Bonds, the Director of Finance shall report the results of such sale to the Council by letter.

SECTION 8. Authorization of Bond Anticipation Notes. General obligation bond anticipation notes are hereby authorized for issuance and sale by the Director of Finance in anticipation of the issuance and sale of the general obligation bonds authorized herein. The issuance and details of the notes shall be governed by the provisions of Section 47-16, Hawaii Revised Statutes, as amended. Bonds in anticipation of which bond anticipation notes are issued pursuant to this section may be issued and sold in accordance with the provisions of this ordinance at any time within five years of the date of issuance of the first notes issued in anticipation of such Bonds.

The proceeds derived from the sale of any notes issued in anticipation of the Bonds shall be used to pay all or part of the cost of any appropriation for the various public improvements set forth in Section 2.

SECTION 9. Security for the Bonds. The full faith and credit of the County are hereby pledged to the payment of the principal of and interest on the Bonds and the principal and interest payments shall be a first charge on the General Fund of the County.

SECTION 10. Tax Covenant and Approval of Issuance of Bonds as Tax-Exempt, Taxable, Build America Bonds or Recovery Zone Economic Development Bonds. The Bonds (and any previously authorized but unissued general obligation bonds) (the "Authorized Bonds") are hereby authorized to be issued, in whole or in part, and in any combination, including one or more separate issues or series, as either tax-exempt bonds ("Tax-Exempt Bonds"),

federally taxable bonds ("Taxable Bonds"), build America bonds ("BABs") or Recovery Zone Economic Development Bonds ("RZEDBs"). The Director of Finance shall determine and elect, based on the best interests of the County, which portions of the Authorized Bonds (including any previously authorized but unissued general obligation bonds) shall be designated and issued as Tax-Exempt Bonds, Taxable Bonds, BABs or RZEDBs. Previously authorized but unissued general obligation bonds are hereby expressly authorized to be issued as Tax-Exempt Bonds, Taxable Bonds, BABs or RZEDBs and in this regard any portion of any ordinance or resolution of the County in conflict with this Section is hereby amended.

For Authorized Bonds (including any previously authorized but unissued general obligation bonds) that are designated and issued as Tax-Exempt Bonds, the County hereby covenants and agrees to comply with the provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986, as amended ("Code"), and the applicable Treasury Regulations if and to the extent required to maintain the exclusion from gross income of interest on the Tax-Exempt Bonds for federal income tax purposes for so long as any Tax-Exempt Bond shall be outstanding.

For Authorized Bonds (including any previously authorized but unissued general obligation bonds) that are designated and issued as Taxable Bonds, the interest on such Taxable Bonds shall not be excluded from gross income for federal income tax purposes.

For Authorized Bonds (including any previously authorized but unissued general obligation bonds) that are designated and issued as BABs, the County covenants to do all things necessary and appropriate to ensure such Bonds qualify as "build America bonds" under Section 54AA of the Code and "qualified bonds" under Sections 6431 and 54AA(g) of the Code, and to treat such Bonds as "build America bonds" issued pursuant to Section 54AA of the Code and eligible for the refundable credit authorized under Code Section 6431 equal to thirty-five percent (35%) of the interest payable on qualified bonds issued under Code Section 54AA.

For Authorized Bonds (including any previously authorized but unissued general obligation bonds) that are designated and issued as RZEDBs, the County covenants to do all things necessary and appropriate to ensure such Bonds qualify as "recovery zone economic development bonds" under Section 1400U-2 of the Code and "qualified bonds" under Sections 6431 and 54AA(g) of the Code, and to treat such Bonds as "recovery zone economic development bonds" issued pursuant to Section 1400U-2 of the Code and eligible for the refundable credit authorized under Code Section 6431 equal to forty-five percent (45%) of the interest payable on qualified bonds issued under Code Section 1400U-2.

SECTION 11. Reimbursement of expenditures. The County expects that it will pay certain capital expenditures in connection with the public improvements of the County described in Section 2 hereof prior to the issuance of the Bonds, and reasonably expects to reimburse such expenditures from the proceeds of such Bonds. The County hereby declares its official intent to use

proceeds of the Bonds to reimburse itself for future expenditures in connection with such public improvements. This Ordinance is adopted in part for purposes of establishing compliance with the requirements of Section 1.150-2 of the Treasury Regulations.

This Ordinance shall be reasonably available for inspection by the general public during normal business hours at the offices of the County Clerk, located at 200 South High Street, Wailuku, Maui, Hawaii, commencing within fifteen (15) days after the approval hereof by the Council.

SECTION 12. CUSIP Identification Numbers. The Director of Finance may authorize the printing of CUSIP identification numbers upon the Bonds. Such numbers and the printing thereof shall be subject in all respects to the provisions of Section 47-10, Hawaii Revised Statutes, as amended.

SECTION 13. Bond Insurance. If the original purchaser of the Bonds, or any portion thereof, shall procure insurance for the payment of the principal of and interest on such Bonds and desires that a statement with respect to such insurance shall be printed upon such Bonds, space shall be provided on the backs of the printed Bonds for the printing of such statement. The cost, if any, of the printing of any such statement upon the Bonds shall be at the expense of such original purchaser, and the County shall not have any liability with respect thereto. Should the procuring of such insurance or the printing of a statement of such insurance upon the back of the Bonds cause a delay either in the printing of the Bonds or in the delivery of and payment therefor, the County, after notifying the original purchaser of the same, shall proceed with the printing of such Bonds without a copy of such statement thereon, or shall proceed with the delivery of such Bonds without such insurance having been obtained, as the case may be, unless an agreement is reached between the County and the original purchaser of such Bonds extending the date of delivery of and payment for such Bonds. Neither the failure by the original purchaser of the Bonds to obtain any such insurance nor the failure to print on any Bonds a copy of a statement of insurance or any error with respect thereto shall constitute cause for failure or refusal by the original purchaser of the bonds to accept delivery of and pay for such Bonds. If any such insurance on the Bonds shall be obtained by the original purchaser of such Bonds, (a) such insurance shall not constitute a part of the contract by and with the County evidenced by a particular Bond or constitute a part of the proceedings providing for the issuance thereof, and (b) no liability or responsibility shall attach to the County or any officer or agent thereof in any way by reason of any such insurance, including, without limiting the foregoing, with respect to the procuring, maintenance, enforcement or collection thereof. Without limiting the effect of the provisions of the preceding sentence, the County shall be under no obligation to take or refrain from taking any action by reason of the existence of such insurance or any of the provisions thereof, even though the taking or refraining from taking of such action may result in or be cause for cancellation or cessation of such insurance.

SECTION 14. Refunding Bonds. Pursuant to Chapter 47, Hawaii Revised Statutes, as amended, and particularly Section 47-17, there are hereby authorized for issuance and sale at one time or from time to time general

obligation refunding bonds of the County (the "Refunding Bonds") in one or more series for the purpose of refunding in advance of their maturity all or part of any outstanding general obligation bonds of the County as the Director of Finance shall determine to be in the best interest of the County, and to pay all costs incurred in the issuance thereof and the refunding of such outstanding bonds, and shall be in any amount necessary for such purposes. The proceeds of the Refunding Bonds of any particular series shall be applied to the payment of the principal of, and redemption premium, if any, and interest on the bonds to be refunded and to the payment of all costs incurred in the issuance of such Refunding Bonds and the interest accrued on the Refunding Bonds to the date of delivery thereof and payment therefor, all as determined by the Director of Finance.

SECTION 15. Effect of Section Headings. The headings or titles of the several Sections hereof shall be solely for convenience of reference and shall not affect the meaning, construction, interpretation or effect of this ordinance.

SECTION 16. Repeal of Inconsistent Ordinance and Resolution. Any ordinance or resolution of the County, or any portion thereof, in conflict or inconsistent with this ordinance is hereby repealed to the extent of such conflict or inconsistency.

SECTION 17. Effective Date. This ordinance shall take effect on July 1, 2017.

1. Applicable law.

By letter dated January 4, 2017, the Mayor was notified that at its December 9, 2016 meeting, the Salary Commission had voted to increase the salaries of the Mayor, Managing Director, and Deputy Managing Director as well as directors and deputies of various departments, including the Corporation Counsel and Prosecuting Attorney. March 20, 2017

Pursuant to Section 2.44.015(C), Maui County Code<sup>1</sup>, the Corporation Counsel and Prosecuting Attorney recommend that salaries of deputies corporation counsel and deputies prosecuting attorney be adjusted in the manner set forth in the attached proposed bill.

2. Salary adjustment recommendations.

As proposed in 2013, we believe the most equitable pay proposal for our deputies would be to increase their salaries by a flat percentage rate across the board. We submit that our deputies' salary be increased by 6% across the board for Fiscal Year 2017 and 6% across the board for Fiscal Year 2018. The average dollar amount increase would be \$5,123 for Fiscal Year 2017 and \$5,430 for Fiscal Year 2018.

We respectfully request that the attached proposed bill be referred to the appropriate standing committee for discussion and action. Thank you for your consideration. Should you have any questions or require clarification, please contact us.
