To whom it may concern. I support Na Hale O Maui program for giving the low to med income and first time buyers a chance to make their dreams come through. Hawaii is not cheap so this program gives me a chance, a chance that i never knew existed until now. That's why I'm a supporter of this program.

Aloha- to whom this may concern,

I, Krystal Cacal, am writing this letter in support of Na Hale O Maui seeking grant of the home located at 244 Komo Mai Street, Lahaina, HI 96761.

This home is built in the heart of my hometown. Most days that I pass the house, I always tell myself, I'm going to own a home like that especially in the hometown I grew up in. This is Na Hale O Maui's opportunity to bless someone such as myself or any family going through their program, a beautiful home like that, let alone affordable.

I ask, that you please consider granting the home to Na Hale O Maui. In hopes, that they could get a family who is deserving and hard working a home like that.

Mahalo for your time,

Krystal Cacal

Aloha Committee Chair Johnson, Vice-Chair Molina, and Committee Members,

My name is Jason Economou, and I am Government Affairs Director for the REALTORS Association of Maui (RAM). I am submitting this testimony on behalf of RAM, and its 1,700+ members, in strong support of the proposed grant of real property to Na Hale O Maui.

For several years now, the County of Maui has openly pursued the goal of increasing its inventory of affordable housing units that will be affordable in perpetuity. Affordability in perpetuity is a difficult thing to accomplish, but Na Hale O Maui is one of the few organizations that has truly figured it out. Granting them this property is making an investment in the people of Maui County, and preserving much needed housing inventory for our working class community. Na Hale O Maui's community land trust model has a proven track record of success, and it would benefit the community for generations if you entrust them with this property and empower them to help more families.

As demand for housing on Maui increases and inventory dwindles away, working class families risk getting priced out of the market completely. To avoid this, I encourage you to utilize Na Hale O Maui and their land trust model to preserve housing inventory at affordable rates for future generations. We strongly support granting them this and other properties.

Mahalo,

Jason A. Economou
Government Affairs Director
REALTORS Association of Maui

Maui Tomorrow supports removing the 2.96 exemption for the Wailuku Redevelopment District and the transfer of the one home to Na Hale O Maui, but has not discussed the requested DHHL exemption. Frankly, I doubt that the county has the legal authority to impose inclusionary zoning rules on DHHL.

Subject: Today's Affordable Housing Committee Agenda

At the Stand Up Maui's Board meeting on February 18, 2021, the Board approved a motion to recommend the approval of the Exemption of the Department of Hawaiian Home Lands from the requirements of the Residential Workforce Housing Policy and the grant of real property listed in AH-3 to Na Hale O Maui. We did not have time to fully discuss the other changes proposed on today's meeting agenda.

Thanks,

Stan Franco
