**Subject:** Purchase of Lot 6 of Hamakualoa

To the Maui Council -

I am in favor of the purchase of the last remaining lot for Hamakualoa Preserve, lot #6. I understand there is already a resolution to purchase it and the meeting on June 4 is to approve it. This is an important part of Hamakualoa; it has the best access to Hana Hwy for the entire preserve. Let's not lose this opportunity.

Thank you,

Aloha,
