Dear Chair King:

SUBJECT: MOLOKAI COMMUNITY PLAN UPDATE (PC-2)

The Department of Planning (Department) is pleased to respond to your August 21, 2017 request for information on the Molokai Community Plan Update. For ease of reference, your questions are listed below with the Department's response.

1. *Property adjacent to Hoolehua Airport, identified by tax map key 5-2-004-084, is currently designated Agriculture. The Committee discussed a proposal to change the community plan designation to Airport to reflect the current use of the property. Please describe what the current use of the property is.*

Response: The property is owned by the State of Hawaii and is predominantly vacant scrubland. A portion of the existing airport runway is on the property. See attached map.

2. *The Department of Planning is proposing to change the various County community plan designations within the State Land Use Conservation area to State Land Use Conservation for clarity. Please describe the various County community plan designations within the State Land Use Conservation area included in the proposal.*

Response: The majority of State Land Use Conservation lands are identified as Conservation on the Community Plan Land Use map. The remaining State Land Use Conservation lands are identified as either Park, Open Space, Agriculture, or Public/Quasi-Public. See attached map.

3. *Please provide a Special Management Area overlay map of Molokai.*

Response: The Special Management Area is shown on Map 3.2 Resource Management Areas in the Draft Molokai Community Plan Update (June 30, 2017).
