la'a poepoe, resident of molokai, providing comments for LU-54. i believe it is the duty of the county to fulfill the obligations owed to the permanent full-time residents of a particular area, and provide support for the intent of policies within our individual community plans. i would recommend seeking an updated capacity limit for strh permits that can be agreed upon by the community, done so in an effort to prevent the unwanted proliferation of non-resident absentee property ownership in our rural country neighborhoods. mahalo ia no
