Aloha Chair Sugimura & Honorable Committee Members,

My name is Jen Mather and I live in Lahaina. I would like to submit my support of the following individuals for your approval to the West Maui Community Plan Advisory Committee:

- 1) Kai Nishiki - a staunch advocate for all of Maui, Kai has been on the front lines of shoreline access, especially in Lahaina. I believe she brings a strong voice and unimpeachable character.
- 2) Karen Comcowich - mother of two, wife of a farmer, balanced and even keeled, Karen would bring the voices of the regular Lahaina community members who want what is best for the West Side.
- 3) Dawn Hegger-Nordblum - Dawn's resume speaks volumes about what she will be able to bring to this committee.

I would like to highlight the potential conflict of interest of one individual:

- 1) Rick Nava - currently running for County Council, if approved and then elected, this would prove detrimental to the process by having to find another individual during a time sensitive operation.

Mahalo for your consideration and for the thoughtfulness that you will invest in ensuring that our advisory committee has the best representation of the many cross-sections of our community.

Aloha,
Jen Mather
