**Subject:** RE: Lahaina Rebuild

Aloha Art,

In the next few weeks, Council Member Nohe U'u Hodgins will be holding meetings in Lahaina to solicit ideas, comments and questions from our West Side residents in order to establish a list of priorities which will form the basis of a Comprehensive Recovery and Resiliency Plan for Lahaina. Member U'u Hodgins is the Chair of the Great Committee spearheading this effort. All 9 members of the Council are on this Committee.

Press releases as well as other notifications will be disseminated.

I will forward your email to the Great Committee staff so that they can send you information on the upcoming meetings.

Mahalo for reaching out to us. We look forward to your participation.

Chair Lee

**Subject:** Lahaina Rebuild

Many of us here in west Maui would like to be involved in the planning of the rebuild of commercial Lahaina. We would like to see the utilities underground and the removal of the commercial part of front street replaced with a grass pedestrian walkway, How can our voice be heard?
