Dear Council Members,

I a descendant of the Marciel Family of Kaupo, Maui. As the current steward of our family legacy lands, I support the appropriation of funds for the construction of infrastructure improvements at the old Kaupo School property.

Preservation of this significant historic property:

- demonstrates your commitment to recognizing, designating, and protecting local cultural resources;
- conveys our rich cultural heritage to future generations;
- benefits the county as a whole, and increases economic vitality at the local level.

Attached please find my signed, written testimony and photographs retrieved from my family archive. Please feel free to contact me if you have any questions or concerns.
