Dear Mr. Hart:

**SUBJECT: AFFORDABLE HOUSING PROJECTS (CHAPTER 201H, HAWAII REVISED STATUTES) (INDEPENDENT DEVELOPMENT OF 100 PERCENT AFFORDABLE HANA HOUSING PROJECT) (LU-2(2))**

At its meeting of October 18, 2017, the Land Use Committee requested, upon the Deputy Director of Public Works' recommendation, a diagram identifying what a typical roadway cross-section would look like, showing the shoulder area and pavement width.

May I please request you work with the Department of Public Works and respond with the following:

1. Please provide to the Committee a roadway cross-section that is acceptable to the Department.
2. Please advise the Committee of the outcome of your further discussions with the Department on proposed exemption F.14, relating to Section 18.20.260, Maui County Code, and proposed exemption F.16, relating to Section 18.40.010, Maui County Code. Your response should indicate whether the Department is agreeable to the proposed exemptions or whether the Department recommends they be removed.
