OFFICE OF THE
COUNTY COUNCIL

Lanai Community Center Budget District Meeting, 4/1/2019

Present: Committee Chair Keani Rawlins-Fernandez, Committee Vice-Chair Kelly T. King, Councilmembers Riki Hokama, Tasha Kama, Alice Lee, Michael J. Molina, Tamara Paltin, Shane Sinenci, and Yuki Lei K. Sugimura.

Meeting was called to order at 6:04 p.m. by Chair Rawlins-Fernandez.

The Committee received oral testimony from 23 individuals as well as written testimony (attached).

Unless otherwise indicated, testimony below was received in support of funding for the organization, program, or project noted:

1. Wally Hanog – Lanai Kina`ole.
2. Fairfax Pat Reilly – Youth and senior programs, such as Kaunoha Senior Services (Senior Center, meals, bus service, expand nutrition aide to full-time); Office on Aging; MEO Bus Services needs a bus with a lift; shared community kitchen; Public Works - maintenance for veterans' cemetery, road repair because of heavy truck use; Housing and Human Concerns, need for affordable housing; emergency preparedness – preposition Lanai with electricity, emergency supplies, food.
3. Chantell Schilling – Branch Manager, Lanai MEO - read testimony on behalf of Nancy Tamashiro and Alan Emmel in support of MEO bus transportation for seniors.
4. Carol Onuma – Lanai Kina`ole, three-year funding.
5. Dorothy Eharis Yoza – President, Lanai Area Council Senior Club - senior programs; MEO transportation for seniors; maintain and extend ferry fares.
6. Winifred Basques – MEO transportation for seniors; Lanai Kina`ole; improved road maintenance (no slurry seal).
7. Pamela Haban – Board member, E Malama I Na Keiki O Lanai Preschool – continued funding for Preschool.
8. Momi Suzuki – Lanai Kina`ole.
9. Barbara Lucas – Chair, Lanai Chamber of Commerce – Lanai town parties, 5th Fridays, support businesses around Dole Park.
10. Joelle Aoki – Executive Director, Coalition for a Drug Free Lanai – continued funding. Also support for Lanai Kina`ole.
11. Susu Woolsey – E Malama I Na Keiki O Lanai Preschool.
12. John Schaumburg – Lanai Kina`ole.

13. Alice Granito – Teacher/Director, E Malama I Na Keiki O Lanai Preschool – continued funding for Preschool.
14. Kristin Kahihikolo – Program Manager, Kaunoa Senior Services – continued funding for Lanai Senior Center. Request an additional half-time position because of expanded programs and transportation services, to make the Program Nutrition Aide a full-time County-funded position, and funding for a truck; support certified community kitchen; Lanai Youth Center; CDL programs; MEO and its request for a part-time driver position; Lanai Kina`ole.
15. Gabe Johnson – Affordable housing, diversified economy (agricultural park for farming, educate new farmers on sustainability); improved healthcare (behaviorial health program for community health center); community kitchen; skate park; funding for staff to attend Lanai Water Advisory Committee meetings; kupuna; Lanai Cat Sanctuary.
16. Stan Ruidas – Funding for veterans' cemetery to be open for burials on Saturdays; road maintenance for Kamoku Road, which is in disrepair; funding so a hospice patient can return home to Lanai; support Chief of Police's efforts to recruit local Lanai residents.
17. Alberta DeJetley – Maui Economic Development Board.
18. Butch Gima – Lanai Kina`ole request for three-year funding; 1.0 E/P for Office on Aging, which was funded in FY19; Lanai Water Advisory Committee – minimum \$12,000-\$15,000 for the Planning Department for staffing, provided ordinance passes; approve Director of Housing and Human Concerns to work on affordable housing issues for horizontal and vertical construction; Lanai Community Health Center's behavioral health program.
19. Pua Turqueza – Secretary and Board Member, E Malama I Na Keiki O Lanai Preschool – continued funding.
20. Saul Kahihikolo – Funding for additional half-time position at Lanai Senior Center; increase the Nutrition Aide position to full-time; funding for a truck because of the shutdown of Lanai trucking to get products to Senior Center; MEO transportation; CDL program; E Malama I Na Keiki O Lanai Preschool.
21. Nancy Rajaei – Executive Director, Lanai Youth Center - support \$202,000 funding for a full-time program coordinator; Maui Food Bank; Lanai Senior Center; E Malama I Na Keiki O Lanai Preschool; Coalition for a Drug Free Lanai; MEO; Women Helping Women; Lanai Kina`ole.
22. Dr. John Janowski – Lanai Kina`ole.
23. Myles Saruwatari – MEO bus transportation, especially for elderly; support for keiki and senior programs.

Meeting adjourned at 7:40 p.m.

To: Maui County Council Members
Budget and Finance Committee

As parents of students attending E Malama I Na Keiki O Lana'i Preschool, we would like to emphasize the importance of this preschool to the community of Lana'i. Keiki O Lana'i is the only licensed preschool providing early childhood education and child care services to children ages two years eight months to five years 11 months old on the island of Lana'i. As working parents, we rely heavily on these services continuing on this island as there are no other options for early childhood education. The future of our keiki are in your hands.

We are expressing our support for Keiki O Lana'i and the important services they provide to our keiki. We respectfully request that the Budget and Finance Committee secure the funds necessary to fund the request by Keiki O Lana'i to ensure that they are able to remain open and provide much needed services to this island.

Thank you for the support of E Malama I Na Keiki O Lana'i Preschool and the community of Lana'i.

Mahalo,

Seril Shimizu and Kanoë Kaiaokamalie

To whomsoever it may concern

Aloha All,

Aloha All, I am a parent of 3.6-year-old Joshiah George Jeril, who is a student in E Malama I Na Keiki O Lanai, Pre School. We had enrolled him to the pre-school last summer.

Initially, my child was very much unwilling to go to school and it was a continuous struggle for a few months. However, with the constant support from the teachers and the staff of the Pre-school, he started liking the school and now he enjoys going to school. We as a parent have seen the transition within him, especially in his social and behavioral development. He is more outgoing and social. He identifies, uses names and greets his friends and teachers while he is out playing in the community or whenever he meet with any of them. He uses words like "Thank You", "Sorry" and "Please" more often. And he is more independent in his chores now.

Our decision to send him to the Pre-school was always right for his development and teachers are always helpful, kind to address any issues with us politely. They play a very important role in my child development in terms of Language, social, & behavioral skills. As a parent, I would request the full support and consideration from the County of Maui to the Pre-School for future success and all its endeavors.

Kind Regards and Mahalo

Blessy Anne Jeril

Dear Chairwoman Rawlins-Fernandez,
Vice-Chair King and Committee Members,

We appreciate your support and concern for Lana'i senior citizens. Your dedication to the senior population of Maui County is unquestionable.

We ask for your continued support of the MEO bus transportation services. Lanai MEO bus service allows many of our seniors to remain independent as they tend to their own shopping and bill paying.

The monthly shopping trips to Maui are greatly appreciated. Seniors who would not be able to shop on Maui can do so because of the MEO transportation service.

The MEO transportation services help to keep our Seniors active in mind and body.

Thank you for your consideration,

Nancy Tamashiro

To Whom it may concern:

Hello, my name is Alan Emmel. I'm a retired teacher who's lived and worked on Lanai for over 30 yrs. I'd like to say a few words in support of the MEO program and service we have here on Lanai. Speaking for myself, I've had health and eyesight issues for years now and have been very fortunate to have had use of the MEO Bus for transportation. I'm not supposed to drive anymore, so my wife and I have just one vehicle to get around with -- which she uses to go to work. The wonderful advantage of the MEO Bus is that when I need a medical appointment, bloodwork, pharmacy, bank, hardware store, grocery store trip to name a few -- the bus is available to seniors like myself and a lot of others for transport around town. I think I left out trips to the harbor for MEO shopping and medical appointments. This is an invaluable service that we are so lucky to have. Also, non-seniors have this service available to them which I think is just great.

The MEO staff are very friendly and accommodative in serving our community needs.

This MEO service is much needed and we all hope that it continues in the future. MAHALO!!!

Sincerely yours,
Alan Emmel

April 1, 2019

Chairwoman Keani Rawlins-Fernandez, EDB Chair
and Council Members
Maui County Council – Budget Committee
200 South High Street
Wailuku, Hawaii 96793

Dear Council Chair and Council Members:

The Lanai Community appreciates the support and show of concern for its citizens, especially the Seniors/Kupuna population. Our dedication to the senior population of Maui County is unquestionable.

The Lanai Area Council (LAC) Senior Club humbly asks for your continued support to maintain and extend the subsidy for the ferry fares that are utilized by the Lanai community. Especially utilized by the seniors for their monthly shopping trips to Maui. Since the funding of the ferry fares from July 1, 2018 to and including the month of March, 2019, the number of Seniors and or Lanai community are as follows:

Third (3 rd) Wednesdays:	96
Fourth (4 th) Thursdays:	104
First (1 st) Saturdays:	92
New riders utilizing the MEO bus:	107

Through the use of the funding programs for the monthly ferry fares, the seniors have found a safe and secured way of transportation to travel from the city of Lanai to the harbor on Lanai via the MEO bus, as well as the transportation on the island of Maui and then back to Lanai City upon the return from Maui. But most important to the travelers for these shopping trips are the payments for their ferry fares which is no longer a worry for them. Both the usage of the MEO buses and the funding for the ferry fares work hand in hand as more senior from the Lanai community depend on it.

We, and I speak as a member of the LAC Senior Club as well, would especially want to see that the funding for the ferry fare be maintained and extended for the new fiscal year, July 1, 2019 to June 30, 2020. Your consideration will be greatly appreciated.

Thank you for your time

Dorothy Emaris Yoza

2019 LAC Senior Club President

MAUI COUNTY COUNCIL
BUDGET HEARING
APRIL 1, 2019

My name is Dwight Gamulo.

I am 75 years old.

I retired in 2016.

I have lived on Lana'i since 1996.

On June 7th 2018 I had triple bypass surgery.

Little less than a month later I came back to Lana'i and came under the care of Dr. John Janikowski at Straub Lana'i Clinic and also under the care of Mrs Valerie Janikowski, RN at the Home Care organization where she worked here on Lana'i. I had know Dr. and Mrs. Janikowski since around the time they arrived on Lana'i. I went to a healthy life style class Valerie started here and Dr. John treated me for diabetes.

So I have known and been treated by each of them for some time. There are a lot of words I can use to describe both of them that can also be used to describe the people they have brought together to organize Lana'i Kina'ole to do the work they are trying to do. Which is Home Care and Home Health Care for our island residents and also visitors.

If someone were to look at a list the individuals who make up the advisers, board, partners and staff and then watch them work for a while they would see the words, the qualities the Janikowskis seek out in others, have in themselves, and by example instill, and inspire, those around them.

Compassion, empathy, tolerance, patience, kindness, competence, skill, energy, each you will easily be able to to apply to this team. All qualities necessary in health care.

And the care they want to give to Lana'i is badly needed now. I know. Many of us have witnessed it. And Lana'i Kina'ole needs funding now in its beginning stage to begin its work.

Dwight Gamulo.

April 1, 2019

Aloha. Mahalo for giving us this opportunity to testify and for the support provided to all of our services.

KAUNOA SERVICES: As a senior I participate daily at the Senior Center in exercise provided by the Lana'i Community Health Center, availability of exercise equipment, daily lunch and social activities. I appreciate availability of the computers for personal business and news. The Nutrition Lunch Program is critical to those who cannot travel to the center. I would recommend

- Converting the part-time Program Nutrition Aide position to a full-time for delivery of meals and support to existing staff who provide organized activities along with support of the meal program.

MEO SERVICES: The MEO Programs are a strong support to children to seniors. The transportation service is important to those needing dialysis, to transportation to various necessary activities from daily shopping, transportation to medical appointments, for shopping and to airport and ferry. I recognize the acquisition of a new bus/van, however I recommend

- A bus with a full handicap lift and space for walkers and chairs.
- Support staff of one FTE additional driver
- Support staff one FTE for administration and management of the program. The transportation program often has requests beyond regular working hours due to airline and ferry schedules and late appointments.

SHARED COMMUNITY KITCHEN: PARKS AND RECREATION: Residents are excited about the renovation of the Community Center kitchen creating an opportunity for those who are seeking to prepare foods for sale or personal activities. The funding of the design has been crucial to move the project forward. I believe the plans are being reviewed by the County and a public notice of a bid is expected shortly.

- Please expedite the project through to completion.
- Please provide additional funds to ensure the project is completed as designed.
- Please provide Parks and Recreation with the staff and funding support to administer the program.
- The kitchen will provide an opportunity for a vendor to provide nutritional meals through the nutrition program. Currently meals are provided by Lana'i High and Elementary School Food Services Program. Our senior participants have a wide variety of

RECEIVED AT EDD MEETING ON 4/1/19

nutritional needs due to health and dietary requirements. A vendor may be able to adjust to these needs at a reasonable price.

- Local farmers and produce vendors should be able to provide farm to table products or meals locally at a fair market price.
- Some are looking forward to producing value-added products from Lana'i.

PUBLIC WORKS:

- **State Veterans Cemetery:** Lana'i Veterans Cemetery is administered under the State Office of Veterans Services – Honolulu. In 2018 the U. S. Veterans Administration provided approximately \$700,000 to upgrade the cemetery with fencing to protect from our local deer, a new gate, flag poles, water tank and solar panels to light the flags.

County Public Works is providing valuable support to the maintenance of the cemetery by lawn maintenance, flag lowering and raising, maintenance to the building facility.

Note that the cemetery has no water line and all water must be trucked to the cemetery. In addition the cemetery has no electrical power line to the facility.

Public Works may be required to open and close the cemetery at times required by regulations for the cemetery.

Public Works has provided placement of flags, preparation of burial graves and cremations and many additional accommodations. Public Works has been critical to creating an environment for families of veterans have access and feel the respect the veterans deserve.

- **County Roads and Highways:** With the renovation to the Ko'ele Lodge and construction of the Adventure Park large, heavy vehicles have used streets and roads to move heavy equipment and loads through Lanai City. Residents have expressed concern. The request is requisition of funds in anticipation of that need. Safety for the drivers and operators is paramount. The wet unpaved pineapple roads are not safe for operating heavy loads. Until those private roads are upgraded the safest operations are through the city.

HOUSING AND HUMAN CONCERNS: Affordable housing remains and will continue to be problematic for residents working and residing on Lana'i.

- According to 2017 American Fact Finder estimates Lana'i Census Designated Place **population is 3185** with **1496 housing units of which 260 are vacant units.**
- The **Homeowner vacancy rate is 3.8%** and **rental vacancy rate is 7.6%.**
- With increased demand currently and with the opening of the Ko'ele Wellness Center higher demand is anticipated with concurrent rise in prices.

KINA'OLE LANAI: The program provides excellent Hone Health services to Lana'i residents. I have personally observed families taking advantage of the service to care for elderly parents at home.

EMERGENCY PREPAREDNESS FOR LANAI: The coordination of service in advance of a weather or other emergency has been excellent. I believe Lana'i needs a plan to pre-stage equipment and supplies before such an event our harbor and airport may be impacted for a month or more. Pre-staging will ensure sufficient resources are on-island until facilities are available.

Maui County Budget Hearing
Lanai Senior Center
Monday, April 1, 2019

Kumpang Lana'i, DBA: Coalition for Drug Free Lana'i
Testimony: Joelle MLA Aoki, Executive Director

I am the Executive Director for the Coalition for Drug Free Lana'i (CDFL), which is the only prevention based agency on Lana'i that serves the general community. The commitment and partnership of the County of Maui for the CDFL has helped to secure federal monies every year for the past 19 years. We thank you for your support and greatly appreciate the line item allocation of \$50,000.00. Funding provided was utilized tenfold as matching funds by leveraging monies with other funders, partners, and specifically with Federal Funding through the Substance Abuse Mental Health Services Administration (SAMHSA), Office of the President and the State of Hawaii, Drug and Alcohol Abuse Division. This funding would not be possible without the commitment of the County of Maui. Federal mandate requires our Drug Free Coalition to have a partnership with our local government providing matching funds in order to receive funds through SAMHSA and other Federal agencies.

This coming bi-annual year our efforts continue to make a tremendous difference in our community such as the Annual Student Drug and Alcohol Use Survey which is a tool utilized to collect data. This is an important resource for all organizations on Lana'i needing data specific to our island.

Another effort is one of our prevention education curriculums offered in partnership with Lanai High & Elementary School, this health curriculum is facilitated in the classroom called Botvin Lifeskills. This is a Science Based curriculum which coincides with benchmark standards in the Middle and High School grades. We have certified two teachers and plan to have two additional teachers complete the certification this year.

We continue emphasis on environmental strategies relating to tobacco, drug use, underage drinking and alcohol abuse at our only public beach park as well public facilities within our community and continued support of compliance checks at all licensed alcohol point of sale.

This past year the CDFL applied once again for services through the US Pentagon, Armed Forces, Innovative Readiness Training Program (IRT); for medical services in the County of Maui. The mission was held this past August 8 – 22, 2018. This event was a huge success in partnership with the County of Maui, Department of Health, Maui Economic Opportunity, Pulama Lana'i and many others.

We ask for your continued support of our partners the Lanai Youth Center, Keiki O Lana'i Preschool, Maui Economic Opportunity and Women Helping Women.

In closing, we humbly request for continued funding for the bi-annual 2020-2021 Fiscal Year to \$50,000.00, this will help to meet the federal match requirement from our local government and the overall match needed for the CDFL. Thank you Joelle Aoki; Executive Director.

Health Care Options

For Senior Citizens on Lana'i.

Observations

The further from Home the more care costs

Most people prefer being at home rather than a facility

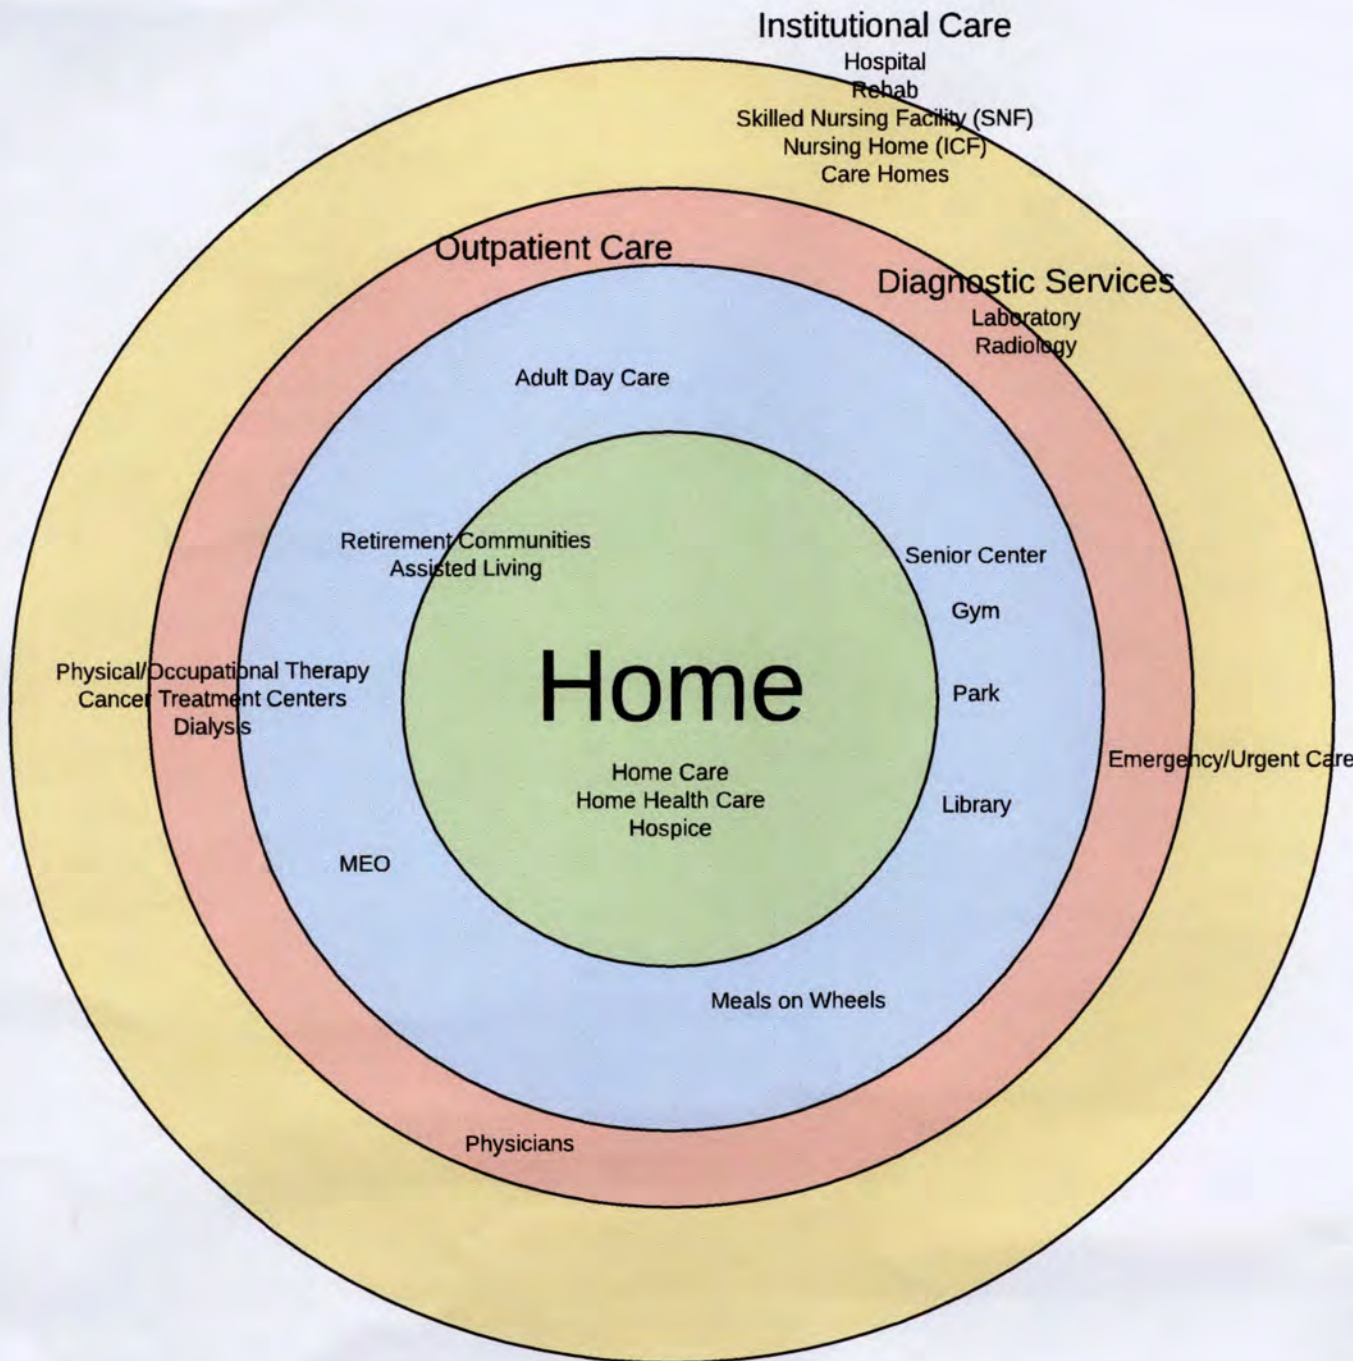

Care at the various levels will be needed, however, HOME should be the ultimate goal after appropriate treatments are provided.

Retirement Communities and Assisted Living are considered HOME.

Services not listed can be added as needed.

18% of our population are 65 and older. By 2030 they will be 22% of the population and by 2060 they will be 26%.

Our goal is to provide assistance for those on Lana'i who want to stay HOME.

RECEIVED AT EOB MEETING ON 4/1/19

Good Evening Maui County Council Members,

Thank you for taking the time to come to the Island of Lana'i to listen to the needs of our small community.

My name is Kris Kahihikolo and I am the Program Manager for Kauna'oa Senior Services at the Lana'i Senior Center.

I come to you today for the main purpose of asking for your continued support of the Lana'i Senior Center.

Currently we have close to 25-30 seniors who come on a **daily** basis Monday through Friday to participate in activities and receive a meal. We are also currently delivering 50 meals a day to our homebound seniors and caregivers who are unable to attend do to health related issues.

Lana'i is an extremely unique place in so many ways. As on all the islands, our Kupuna are respected, loved, and cherished. I feel that it is important to remind ourselves that that due to our geographical remoteness and the availability of services, we often have a disadvantage compared to the other islands.

This Lana'i Senior center provides a place for a variety of activities daily such as; special events, educational presentations, exercise classes, leisure trips, a hot meal, arts and crafts, and daily social stimulation to 80 registered seniors. We are committed to our senior participants by inspiring them to learn new ideas, master new skills, and live healthy, active, productive lives.

As the **only** full-time employee of the Lana'i Senior Center, I am the only one overseeing and or executing 4 different Programs within the Lana'i Senior Center. Now, with the expansion of programs and services to our seniors in the next fiscal year 2020, and potentially adding Assisted Transportation, there will be a great need for another half time position added to our current staffing. Even our current half time Program Nutrition Aid position could potentially be taken away at any time due to the fact that it is grant funded. Given the information stated above, we request making our Program Nutrition Aid position a full time county funded position.

We are also requesting the purchase of a truck. When Lana'I Trucking a local freight delivery company left Lana'i, there was no way to get our freight from Kaunapali Harbor. (Please reference the formal impact statement enclosed.)

I come to you today not only from the standpoint of the Seniors who I represent, but from the other members of this community who have invested so much of their time and energy to better the overall quality of life and productivity of the people who live here.

I thank you for your past, and present support of the Lana'i Senior Center to make these retirement years the "best years" of their lives

I would ask that you would consider the need of this community for a certified kitchen.

Please continue to support our Lana'i Youth Center and CDFL.

Finally, I would ask for continued support for MEO and their request for a part-time driver position.

Mahalo for your consideration in these matters,

Kristin (Kris) Kahihikolo

Lana'i Senior Center

August 13, 2018

Formal Impact Statement for Lana'i Senior Center

Issue: Loss of Services from Lana'i Trucking

The Lana'i Senior Center was notified on August 9th 2018 that Lana'i Trucking would no longer be providing transport services of freight or otherwise to business' and residence of the island of Lana'i. Due to the above circumstances, the Lana'i Senior Center would have no way of hauling freight to the Center that would come via Young Brothers therefore, making it hard to operate without adequate supplies for daily operations. This would make a great impact on the Lana'i Senior Center's service delivery both for the Congregate Nutrition Program and Meals on Wheels.

Other considerations in honoring our request for a truck would be that there is often large amounts of green waste accumulated from the trees, yard debris etc. Having a truck to take the waste to the green waste disposal area would not only be better environmentally but it would save the space in our current dumpster that is also utilized by Office on Aging.

Because the Senior Center is the managing office for the other offices within the building, a truck is often requested to move something that is large enough that it requires a truck. Some of these items include but not limited to a long ladders, pressure washers, furniture, and disposing of an accumulation of old materials downstairs that need to go to the dump etc.

Due to the lack of truck transport services on Lana'i is the main justification for requesting a budget amendment to accommodate the increasing need for a truck. As we continue to increase in the numbers of seniors served, the need for a secondary vehicle for the Senior Center will also increase to also accommodate Kaunoha support staff coming over to Lana'i to cover when regular staff is either gone due to vacation or illness.

Thank you for your consideration in this matter.

Aloha Maui County Council,

Thank you for coming to Lānaʻi!

Last year you approved our program budget request of \$202,817.00; with that budget we were able to, for the first time, fund a full time Program Coordinator position. Having a full time program coordinator has been awesome, it has enhanced the quality, delivery and reach of our program, with someone purely focused on program development and community outreach our services as of today has reached 200 youth served. We anticipate reaching our goal of 230 a year by the end of this fiscal year. Through efforts from our coordinator, collaborations with community organizations like the Lanai Community Health Center were made possible. LCHC's team visits with youth to discuss various behavioral health topics and provides extra drug prevention education sessions for our youth.

With your ongoing support our program yearly is able to provide:

- 279 Educational activities and Homework assistance sessions.
- 244 Health & Wellness sessions, that include cooking & nutrition classes, behavioral health education and fitness activities.
- 58 Prevention sessions that address potential at risk behaviors.
- 79 Character building and value development sessions.
- 304 Alternative Activities sessions that are fun and innovative.
- 52 Culture appreciation and awareness sessions
- 263 Outdoor recreation, team building and sports sessions and
- 36 Junior Youth & Teen nights.

Please approve our program budget request for fiscal year 2020 of \$202, 679.00 (two hundred and two thousand and six hundred and seventy nine dollars), for fiscal year 2020, so we can continue our vital work.

Please also continue to support the Maui Food Bank, who through their Keiki Café program help us provide free snacks daily to our members and with food baskets to families in need.

Please also continue to support The Lanai Senior Center, Na Keiki O Lanai Preschool, CDFL and MEO as they all provide valuable services to our community.

Mahalo,
Nancy Rajaei
Executive Director
Lanai Youth Center

Erin Nakano
PO Box 631406
Lana'i City, HI 96763

April 1, 2019

To Whom It May Concern,

I am writing in support of the Lana'i Youth Center so that they may continue to receive Maui County funding for fiscal year 2020. As the current Lana'i Youth Center Board President and a former worker, I can attest to the wonderful work done by the staff at the Lana'i Youth Center. This agency gives our keiki have a safe and caring place to go after school and during school breaks, free of charge. The Lana'i Youth Center targets a population of youth who are at a critical stage of development and helps them to grow into responsible, productive young men and women.

They have a wide range of activities both inside and outside of the center itself, which the youth engage in. The staff go above and beyond their job requirements to ensure a positive experience for our keiki. They host regular activity sessions that include healthy cooking, prevention, arts and crafts, fitness, and homework help. They also hold special events such as camping trips, water play days, and community service projects that provide the youth with a holistic experience unique to our community.

In addition to the awesome programs, the Lana'i Youth Center partners with other community agencies, including the Maui Food Bank and the Lana'i Senior Center. These programs deserve Maui County funding for the 2020 fiscal year as well, in order for our small community to be able to serve our residents to the fullest extent.

We truly appreciate your consideration and support for the benefit of the youth of Lana'i.

Sincerely,

Erin Nakano
Lāna'i Youth Center
Board President

March 28, 2019

Dear Maui County Council,

My name is Ka'olumakana Plunkett, and I am 15 years old. I have been coming to the Youth Center for 8 years. Some things I like about the Youth Center are the activities they offer us, the helpful staff, and the safe environment. My vision/new ideas for the center are ports in which we can interact with other centers within Maui County or even the state, a center dance team which is something I've been talking to the staff about to get kids involved with dancing, and maybe a music program where kids can find different instruments. I believe that it'll be fun.

Sincerely,
Ka'olumakana Plunkett

April 1, 2019

Dear Maui County Council,

Thank you for your continuous support throughout the years. This fiscal year you helped us fund a full time program coordinator position, of which I'm extremely grateful. With an individual purely focused on strengthening the quality, delivering and reach of community outreach, events, outing, planning, fundraisers and youth participation. Planning fundraisers and youth participation.

Please continued to support us in our efforts by approving our request of \$202, 679.00, for fiscal year 2020.

are the activities and the many things
also we have computers. They will have
food. They make fun like kinds of homework.
My vision / new ideas for the center
are none.

Sincerely,
Elikia Mono

Dear Mayor, County Council
My name is Dreydah and I am 10 I
have been coming to the center
for 2 years. Some things I
like about the youth center
are Dodgeball. My vision/new
ideas for the center are
games.

Sincerely,

Dreydah Fernandez

April 1, 2019

Aloha Maui County Council Members,

I would like to give many thanks to you for supporting the Lanai Youth Center.

By you supporting The Lanai Youth Center we can create/provide fun, educational, and healthy activities for the youth of Lana'i. The youth love coming to the youth center. They enjoy the activities that our team creates, computers, field trips, and many more. Please continue to support us in every possible to provide a fun and safe place for our youth to gather.

Mahalo,
Dajia Baldeviso
The Lana'i Youth Center
Admin/Program Assistant

3-26-19

Dear Maui County Council

My name is Joshua

and I have

been coming to the youth center

for 1 year some thing I

about the youth center are educational zones

are education My vision idea for the

center are a sports field.

sincerely,
Joshua Agcaoli

Dear Maui County Council,

My name is Jessamae, and I am 11. I have been coming to the center for 2 years. Some things I like about the youth center are how fun it is here. My vision ideas for the center are to add iPhones.

Sincerely,
Jessamae Agcaoili

Aileen G. ...
Program Aide
Landa Youth Center

Dear Maui County Council

I have been working for the Landa Youth Center for 3 months. I really enjoy working here not only because of my coworkers but because of the children, they bring joy and happiness throughout the hours of operation and I am thankful that I am able to work in this environment because my career goal is dealing with babies/kids (pediatric nurse). Thank you for all the funds that you have given us, the Landa Youth Center to keep going. We the Landa Youth Center always find a way to strive and make the center as safe and fun as possible. New visions that I have is to maybe someday have our own janitors, because we clean our facility

Sincerely,

~~Aileen Fajana~~

Monday, 2/25/15

Dear, Minn county council,

My name is Linfred, and I am 10 years old I have been coming to the center for 2 years. Some things I like about the youth center are doing activities. My vision/new ideas for the center are more field trips.

4/1/14

Dear Maui County Council,

My name is Skyler Segismundo, and I am 14 years old. I have been coming to the Center for 4 years. Some things I like about the youth center are cooking foods, doing out air fitness, and doing homework over their. They have staff's that help you if you need help. My vision / New ideas for the center are more room space, more zones, sections, Multi-gym (Basketball & volleyball courts), longer hour nights, Work-out gym (weight lifting), More things for sale, Backyard, pool, showers, More sports equipment, Wrestling mats, More tables/chairs, More computers/tables, More field trips, More bathrooms, Kitchen room, and utensils.

Sincerely,

Skyler Segismundo

April 1, 2019

Dear Maui County Council,

Thank you for many years of your continuous support. As this Fiscal Year draw to a closed for us. I wanted to show my sincere gratitude. This Fiscal year 2019, you helped our program gain a Full – Time position for a Program Coordinator position. As now our Lānaʻi Youth Center, non-profit program had finally had sometime to operate and focus on the planning of the outreach for memberships, events, outings, fundraisers, and daily program activities. In having this full-time position we were able to see the growth of a stronger strength with our program and Community relationships. Also more active activities youth engage in, and we were able to conduct more events this year.

In this effort we ask for your continuous support on funding this coming Fiscal year 2020 Program Coordinator budget for \$22,679. As it may seem steep, I believe with the continuous blessing. Our youths will have absolutely the most benefits out of this request. However, the goals next fiscal year 2020 is for us to add and consider and focus on more engaging activities/outings for our upcoming middle school and high school ages. In which it will need a lot of planning and interactions.

And finally, we would love to request for your most support for our new facility dreams and goals in the near future.

Me ke ʻAloha ame Mahalo,

Maile L. Garcia
Program Coordinator
Lānaʻi Youth Center

WHO WE ARE:

Our mission as family and friends is to be committed to advocating for care service delivery to our community, with a focus on individual preferences, preserving dignity, promoting quality and honoring our kupuna.

OUR COMMITMENT & PURPOSE

HOME TEAM

HOME & COMMUNITY BASED SERVICES
SERVING PEOPLE IN THEIR HOME
ENVIRONMENTS OR AT EACH
INDIVIDUALS PREFERRED COMMUNITY
LOCATION.

HOME HEALTH

Client services requiring skilled nursing support. Typically, a Registered Nurse (RN) assessment, and implementation of a plan of care (POC), to include interventions based on a primary care provider (PCP) orders. Such as, specialty wound care, administration and management of medication(s), lab/blood collection, health monitoring, etc.

HOME CARE

Under the supervision of the RN the trained caregivers, typically Certified Nursing Assistants (CNAs), provide support with basic activities and functions also known as, activities of daily living (ADL) and/or instrumental activities of daily living (IADL). Examples are personal care, light housekeeping, some exercising, assisting with ambulation, assistance with errands, etc.

RECEIVED AT EDB MEETING ON 4/1/19
Submitted by: Valerie Janikowski

Lāna'i Kina'ole – Home and Community Based Services (HCBS) Home Health Services

Purpose Statement: Lāna'i Kina'ole, is a community group and a nonprofit incorporated agency formed to focus on health care service advocacy to include kupuna care, with an initial focus on supporting the continuation of licensed Home Health Services. The purpose of this initiative and the activity related to such is to provide HCBS, Home Care and Home Health services, including ancillary services, to the community members of Lāna'i, focusing on the homebound kupuna who desire to remain in their own homes/enable these kupuna to "age in place" for as long as it is feasibly possible, with the appropriate services.

As the proposed HCBS and Home Health services will be a continuation of ongoing services in partnership with Arcadia through licensure, collaborating with the new business Lāna'i Kina'ole, Inc. Services will be available to all community members, with focus attention on kupuna and the Native Hawaiian population, on island. The Home Health and Home Care is intended for homebound clients in need of services. However, the HCBS portion is to lend support for caregivers, interested community members who would desire education or health monitoring, and support for healthcare conditions. Note - Lāna'i Kina'ole, Inc. has applied for HI state licensure for Home Care and Home Health which must be evaluated by, processed through and approved by the Department of Health (DOH) Office of Healthcare Assurance (OHCA). Timing undefined at present.

Year One (1) July 1, 2019-June 30, 2020: Requesting \$75,000.00 of Maui County funds allocation. As a new agency, support is required to establish supplies and equipment to start-up the new business and implement services through Lāna'i Kina'ole. **See the attached** details for necessary items to procure for original supply and equipment for the critical services, to the community of Lāna'i.

Year Two (2) July 1, 2020-June 30, 2021: Requesting \$50,000.00 of Maui County funds allocation. Project team anticipates that services will be delivered to clients as referred and as staffing availability dictates. We anticipate some clients to continue with services needs but there will be clients revolve on and off services and expect 10-12% duplication of services but a potential 15% increase in new clients. During year two (2) supplies to deliver services will continue to be required. Evaluation of utilization, of supplies, and equipment will be ongoing. Additionally, staff will be working with clients and caregivers to evaluate services delivered through focus groups and surveys. Budget specifics to be submitted January 2020, based on utilization analysis and determined support requirements.

Program Sustainability - Efforts will be made to secure contracts with individual private insurance companies and agencies for reimbursement for services. Potentially initiate process for Medicare Certification Readiness Analysis through consultants. Fee for services expected.

Year Three (3) July 1, 2021-June 30, 2022: Requesting \$35,000.00 of Maui County funds allocation Ongoing service provision with projected increase services options and collaboration with other agencies with goal to support the community with Behavior Health services and propose innovative working model for RN/CNA care in tandem to improve client services and the client experience. Again, these steps are to be evaluated through focus groups and surveys. Budget specifics to be submitted January 2021, based on utilization analysis and determined support requirements.

Program Sustainability - Efforts will be made to pursue Medicare Certification for the Home Care and Home Health Services to allow for reimbursement for services.

Thank you in advance for considering this request. Routine reports will be provided as instructed and status evaluated on a regular basis. Please contact Valerie Janikowski with any questions, comments or concerns vjanikowski@lanaikinaole.org or (760)362-2750 and (808)565-7805.

WHO WE ARE

Our mission, as family and friends is to be committed to advocating for care service delivery to our community, with a focus on individual preferences, preserving dignity, promoting quality and honoring our Kūpuna.

To Whom it May Concern;

Please accept this as written support advocating for Lana`i Kina`ole Home and Community-Based Services (HCBS) in particular licensed Home Health and Home Care services, for Lana`i residents.

A team of nurses and certified nursing assistants have been providing Home Care and Home Health through a Hawaii state approved Home Health license, in partnership with Arcadia, since July 2015. The Home Health Services will be provided by many of the same providers while working under a new business Lana`i Kina`ole Inc as The Home Team.

Until we are able to acquire adequate funding Lana`i Kina`ole Inc. is contracting one (1) full time registered nurse (RN), one (1) part time RN, and pursuing employment for two (2) part time nursing assistants to continue with the existing case load. Unfortunately, our staffing level limitations will impact the number of clients who will be able to be served, as well. However, everyone involved in this project is working relentlessly to secure funding through grants, donations, foundations, etc. at which time we hope to be able to increase our staffing and increase the amount of clients we can admit to our services.

Your support and advocacy are required and the Lana`i community support is essential to pursue funding to implement these critical healthcare services. Consider a signature on this letter as promoting and expressing full cooperation, for future services HCBS with Home Health and Home Care services, on Lana`i.

Sincerely,

A handwritten signature in black ink, appearing to be 'J. Smith', written over a horizontal line.

Supporter of Lana`i Kina`ole & HCBS with Home Health Services, on Lana`i

12/31/2018

Aloha,

My name is Mililani Martin and I am writing on behalf of my mom Jackie Woolsey who is one of the founding mothers of the Lana'i Community Health Center. My mother was also the Public Health Nurse for the island of Lana'i for 30 years.

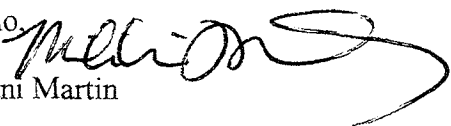

Throughout her career she tended to the community by servicing people with their health needs. She expedited programs for wellness for babies and our 'Kupuna'. My mother would administer medication, to our 'Keiki' starting school, newborn baby shots, and to people with mental health issues. At times she would go to peoples' homes after her working hours to help with IV's, baths, eating and over all well checks. My mother Jackie along with co-worker was very instrumental in keeping our island informed by holding clinics in Diabetes, Asthma and other informational groups. She is well known in our community for her unending service to help our Kapuna and people with health needs.

Since retiring at 71 years old, my mother had a stroke. It became prevalent for her to receive services to help her through her needs. Valerie Janikowski, along with her diverse helpers are able to help my mother throughout her adjustment of having a stroke. On a weekly basis they have helped with daily activities that my mother could not perform for herself. Through the love, dedication and caring service that Valerie and her workers give, my mother is thriving. They have been consistent in helping with my mothers' adjustment for the past nine years. Valerie and her team also helped with the caretaking of my father Edwin Woolsey up till his demise.

I along with my Ohana encourage you to please consider their grant that they are asking for. Lana'i Kinaole is vital to our survival of 'Home Health Care' needs for our Kupuna and others on our island of Lana'i.

Mahalo,

Mililani Martin

Supporter of Lana`i Kina`ole & HCBS with Home Health Services, on Lana`i

To Whom it May Concern:

Home Care and Home Health Services are being discontinued on Lanai.

At present approximately 40 people are receiving services at home.

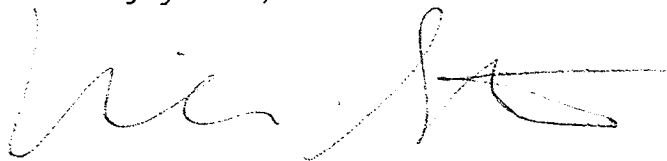

Each week there are requests from the families of our aging or disabled population seeking in home care services.

Without Home Care and Home Health Services people who need care will no longer be able to stay at home. Some will seek care in the ER, some will be made to move off island for care, away from friends and family.

Home Care and Home Health Services are crucial for the health and safety of Lanai's incapacitated population.

We have confidence that you will seek to find ways to provide Home Care and Home Health Services to Lanai.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Uilani Stokes". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Until we are able to acquire adequate funding Lana`i Kina`ole Inc. is contracting one (1) full time registered nurse (RN), one (1) part time RN, and pursuing employment for two (2) part time nursing assistants to continue with the existing case load. Unfortunately, our staffing level limitations will impact the number of clients who will be able to be served, as well. However, everyone involved in this project is working relentlessly to secure funding through grants, donations, foundations, etc. at which time we hope to be able to increase our staffing and increase the amount of clients we can admit to our services.

Your support and advocacy are required and the Lana`i community support is essential to pursue funding to implement these critical healthcare services. Consider a signature on this letter as promoting and expressing full cooperation, for future services HCBS with Home Health and Home Care services, on Lana`i.

Sincerely,

Supporter of Lana`i Kina`ole & HCBS with Home Health Services, on Lana`i

To Whom it may concern:

August 15, 2018

Hello, my name is Alan Emmel. I am a retired teacher and have lived and worked on Lanai for the past 30 yrs. I'm writing this letter in support of the Ke Ola Hou O Lanai / Na Pu'uwai home health care service, which has provided excellent care for the people of Lanai and Molokai over the years.

I'd like to share with you my own personal experience of care that I received from them. This past year, I had a foot infection that needed constant and daily medical attention. It was an infected foot ulcer that had severe tunneling and needed daily draining and packing. Their staff would come to my house and service me. They even showed my wife how to help treat the ulcer in case of their absence. I'm happy to say that my foot is nearly 100% healed thanks to their staff. I don't know how I could've set up daily appointments and transportation to and from our local clinic in order to treat and heal my foot,

My case is just one of the many people here on Lanai that they have helped and continue to do so. I have the utmost respect and thanks to this home health care service. They are a vital service to our community

To Whom It May Concern.

My name is Diane Preza and I was born and raised on Lānaʻi. I've lived on Lānaʻi all my life. I'm writing this letter in support of home health care services here on Lānaʻi.

Through Ke Ola Hou, Valerie Janikowski and her staff provided essential home health care for our residents. Our Lānaʻi community is very grateful for their service. They provide a variety of patient care that helps provide a better quality of life for patients and their families.

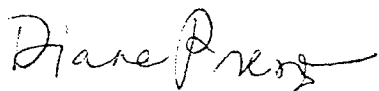

I can tell you that my friends living off-island found comfort in knowing that their elderly parents were taken care of by Val and her staff. I have another friend that depends on home health care in dealing with his diabetes. He can barely walk so those daily house calls are vital to him.

Home health care help keeps folks out of hospitals thereby reducing medical costs. There are not many options for people on Lānaʻi in terms of good health care, especially for the elderly. Val and her staff helped alleviate some of the burden.

I feel that Val and her staff have not only provided a better quality of life but also helped prolong a meaningful life. They are welcomed into homes and are made to feel like family.

I understand that funding and a licensed health care agency are necessary in order to keep home health care alive on Lānaʻi. I hope that somehow we can provide the support for Val and her staff to continue their good work on Lānaʻi. Please feel free to call me at (808)563-0331 with any questions. I would be happy to assist in any way I can.

Sincerely,

A handwritten signature in cursive script that reads "Diane Preza". The signature is written in black ink and is positioned above the printed name.

Diane Preza

To Whom it May Concern,

As a Kanaka Maoli I feel the need for Home Health Care is extremely valuable because I am aging and disabled. Among other medical concerns I have recurring diabetic foot ulcers that need care from the Lana`i Kina`ole RN every day. Previously, I received this care from the same nurses who originally worked at KOHOL. I also require regular monitoring on the status of my other medical conditions.

I know I am one of many who required professional care and supportive services on Lana`i. This is a small island and yet, especially with our older population, this type of nursing care is a must. For me I was forced to spend an extra 4 days in the hospital because there were questions about the care being in jeopardy, on Lana`i. My conditions are so many and so serious that I would need to live on another island, to receive the care required if professional services are not available. I want to remain on Lana`i, living in my home as long as I can, and Lana`i Kina`ole will allow this to happen. Lana`i is a small island with limited resources, but now that Lana`i Kina`ole has been formed we need to support this program. It will allow the people of Lana`i to receive professional and supportive care by RNs and nursing assistants, as needed.

In conclusion, Lana`i NEEDS a grant for the services and staff to ensure Lana`i Kina`ole Inc. can guarantee to provide.

Sincerely,

A handwritten signature in black ink that reads "Wallace Hanog". The signature is written in a cursive style with a long, sweeping underline that extends to the right.

To Whom it May Concern;

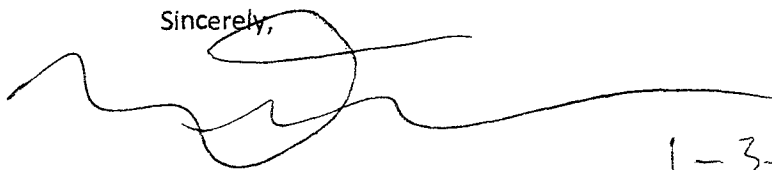

Please accept this as written support advocating for Lana`i Kina`ole Home and Community-Based Services (HCBS) in particular licensed Home Health and Home Care services, for Lana`i residents.

A team of nurses and certified nursing assistants have been providing Home Care and Home Health through a Hawaii state approved Home Health license, in partnership with Arcadia, since July 2015. The Home Health Services will be provided by many of the same providers while working under a new business Lana`i Kina`ole Inc as The Home Team.

Until we are able to acquire adequate funding Lana`i Kina`ole Inc. is contracting one (1) full time registered nurse (RN), one (1) part time RN, and pursuing employment for two (2) part time nursing assistants to continue with the existing case load. Unfortunately, our staffing level limitations will impact the number of clients who will be able to be served, as well. However, everyone involved in this project is working relentlessly to secure funding through grants, donations, foundations, etc. at which time we hope to be able to increase our staffing and increase the amount of clients we can admit to our services.

Your support and advocacy are required and the Lana`i community support is essential to pursue funding to implement these critical healthcare services. Consider a signature on this letter as promoting and expressing full cooperation, for future services HCBS with Home Health and Home Care services, on Lana`i.

Sincerely,

A handwritten signature in black ink, consisting of a series of loops and a long horizontal stroke extending to the right.
