Dear Chair Hokama:

SUBJECT: AMENDMENTS TO THE FISCAL YEAR 2018 BUDGET

On behalf of the Department of Environmental Management, I am transmitting the attached revised bill for the purpose of adding a \$1,659,979 appropriation to the Countywide Sewer Capital Improvement Reserve Fund for the Lahaina Wastewater Reclamation Facility Primary Electrical System Replacement.

The funding under Countywide Sewer Capital Improvement Reserve Fund will be utilized for the replacement of three switchgears at the Lahaina Wastewater Reclamation Facility that are near or at the end of useful service life. This equipment replacement is vital for electrical service reliability as the switchgears are used to provide power to the entire facility.

Thank you for your attention in this matter. Should you have any questions, please feel free to contact me at Ext. 7212.

Sincerely,

LYNN A.S. ARAKI-REGAN
