Subject: 12-1-2016 Owners opted out of FRONT STREET APTS. Affordable Housing Program

Importance: High

Aloha Ellen Cochran, COUNCIL MEMBER,

I rented my 1BR/1BA apartment at Front Street Apts. in May 2006 & my monthly rent in the last 10 years has increased by 60%. This is a little over 1/2 of my monthly Social Security income to date & with no cost of living increase for the last two years.

If Front Street Apts. is removed from this 50 year Affordable Housing Program at today's HUD rental rates, my monthly rent would double & be more than my monthly SS monthly income.

I'm 78 years old & I have been a resident of Maui since 4/1984 & I have hoped to spend my remaining time on Maui.

Mahalo & Aloha ELLE,
Ray M Rogers
