In these difficult and trying times, people have shown extreme kindness and compassion for one another. This bill is a far cry from kindness and compassion! It is cruel beyond measure! Whoever agrees with this bill should probably take a step back, and re-evaluate themselves as a human being! These beautiful and innocent creatures are being effected by Covid 19 as well, and should be getting more care.....NOT LESS!!! PLEASE DON'T LET THIS HAPPEN!!!

Sincerely,  
Patricia Gamet
