SUBJECT: Maui County Fire Chief Jeffrey Murray's Performance Evaluation

Aloha Honorable Mike White and Council Members:

The Maui County Fire & Public Safety Commission recently completed its Annual Performance Evaluation of Fire Chief Jeffrey Murray for calendar year 2017.

The Commission finds Chief Murray to be a very proficient manager with effective customer service skills. He is goal-oriented and has commendable planning and organizational skills which lends to his policy development efficiency for the department. Chief Murray perseveres through challenges, and continually challenges his team to find innovative ways to achieve department objectives and goals with less resources. He is pragmatic and diplomatic, remains resolute and committed to the community and the Department.

Chief Murray works well with his management team and collaboratively with other emergency response agencies to provide the public with exceptional service. He is a Fire Chief that Maui County can be proud of.

Sincerely,

ROBYNE NISHIDA NAKAO
Commission Chair
