**Subject:** agenda item for IEM Moritorium

Aloha Councilmembers,

I am Gabe Johnson a Lāna'i resident. I am testifying that we stop mining our natural resources. In fact we should be doing the opposite by preserving it.

I won't be able to testify while I am working but I still took the time to write to you. I only hope that our Councilmembers take the time to show up to the meeting and vote to end all sand mining.

Mahalo

Gabe Johnson
