Hello my name is Brian Marshall. I'm an airline pilot for United Airlines, it was my career goal to fly to Maui in order to be able to go windsurfing at Kanaha Beach Park. I have achieved that goal and windsurf there at least one day a week! I greatly appreciate the facilities that are available as it is truly one was the best windsurfing beaches with the best conditions in the world.

Whatever your future plans are for that special place please make sure to accommodate all of the water women and men who enjoy the beautiful North Shore of maui.

Mahalo,

Aloha

Brian Marshall
