Mr. Chair, we have three individuals who have signed up to testify in the chamber this morning. The first individual to testify is Cordelia MacLaughlin, to be followed by Rory Frampton.

PRESENTATION OF WRITTEN OR ORAL TESTIMONY

MS. CORDELIA MACLAUGHLIN (testifying on County Communication No. 16-296):

Good morning.

CHAIR WHITE: Good morning.

MS. MACLAUGHLIN: My name is Corde MacLaughlin, and I've been on the Seabury Hall Board for 28 years, serving as President for 12 years, and I'm speaking on behalf of the Board of Trustees.

Thank you, Chair White and Members, for the opportunity to testify in support of County Communication 16-296, which is a resolution that if approved would refer the land use entitlement changes for the Seabury Hall campus to the Maui Planning Commission.

The area under consideration by this resolution includes the 'A`ali`ikuhonua Creative Arts Center and associated parking lot. These improvements were approved by the County Council in 2003 and 2011 via conditional use permits.

First, we are grateful to Chair White for his support of a Council-led initiative that will save the school a tremendous amount of time and resources that we would much rather put towards program.

As most of you know, Seabury Hall provides education for about 450 students in grades 6 through 12. In 2000, we created a campus masterplan that embody the school's mission to develop students' mind, body, and soul, or academics, athletics, and the arts.

The completion of the Creative Arts Center and parking area were the final stages of the campus improvement plan, which began in 2000, and fulfilled a third leg of the school's mission. Seabury Hall also opens the facilities to the community. The Creative Arts Center is used by MAPA, various hula halaus, Mathcounts, TEDx, and other organizations. Rory Frampton will follow me and provide more specifics of the request.

I just wanted to thank the Council Chair first, for introducing this communication. And respectfully request the Council to consider passage of the resolution, which would allow the ordinances to be referred to the Maui Planning Commission for review and recommendation, after which the package of ordinances will come back to this body for a more detailed review and consideration. Mahalo.

CHAIR WHITE: Thank you.

Members, any need for clarification of the testimony? Seeing none, thank you very much for being here this morning.

Mr. Clerk.

COUNTY CLERK: Mr. Chair, the next testifier is Rory Frampton, Land Planning Consultant on behalf of Seabury Hall, testifying on County Communication 16-296.

MR. RORY FRAMPTON (testifying on County Communication No. 16-296):

Good morning, Chair and Councilmembers.

CHAIR WHITE: Good morning.

MR. FRAMPTON: I'm Rory Frampton, Land Planning Consultant for Seabury Hall, and testifying in support of County Communication 16-296, a resolution referring to the Maui Planning Commission land use entitlement changes for the Seabury Hall campus.

As the previous testifier noted, the resolution before the Council would refer to the Maui Planning Commission three bills that would establish appropriate designations

for the previous, previously approved campus improvements. The bills would also establish consistency with the existing land use designations for the main campus area.

I've provided written testimony that gives a little bit more background information, along with some maps. I understand that this matter will likely be referred to committee, and considered at committee. And we can provide more details when it's before the committee, before the Land Use Committee.

So, we want to thank the Chair for agreeing to initiate these bills. The Council initiated process will save Seabury Hall considerable time, effort, and resources, which in my opinion would be more appropriately directed towards educational programs and student support.

It's rare for me to have additional time left on the clock. But I just, for the record, I have to disclose that I'm a proud St. Anthony graduate. Often gets, I often get confused, my brothers who were Seabury Hall graduates, but I, just for the record. So, thank you very much for your, your--

CHAIR WHITE: I don't know how staff missed that.

MR. FRAMPTON: Thank you.

CHAIR WHITE: Members, any need for clarification?

Thank you very much for being here this morning.

Mr. Clerk.

COUNTY CLERK: Mr. Chair, the last individual who signed up to provide testimony this morning is Rosemary Robbins, testifying on Bill 111, County Communication 16-296 and County Communication No. 16-287.

MS. ROSEMARY ROBBINS [testifying on County Communication Nos. 16-287 and 16-296, and Bill 111 (2016)]:

Good morning, everybody.

CHAIR WHITE: Good morning.

MS. ROBBINS: Speaking also, affectionately, about Seabury Hall, former faculty. And before they built the grade 6 campus, we had a pool there where we were able to certify American Red Cross situation so that people who graduated from there could show up at campuses elsewhere in the United States, and be able to say that they were trained on Maui. And all the admissions committees and those campuses said, send this person to us. So, hooray.

Would like to start this morning on page 3 of today's agenda, item 16-282, 283. Reports of settlements that have been made in terms of disagreements between people in the community and some of the behavior that they were involved with. When I went to look those up on the seventh floor, the only thing that was there in the folder was saying that it had been settled.

So, the amounts we know that we were up, we are up in the millions with what has been paid out to attorneys for address of these. And there's nothing in there about what the amounts were or who the folks were. And there are people out in the community who are saying what the heck is this executive session where we don't get a chance to see, and then we don't get a chance to read afterwards what happened. So, just to alert you, that's still a concern going on out there.

Also, over on page 5 of today's agenda. Bill No. 111, a bill for an ordinance authorizing the Mayor of the County Council [*sic*] of Maui to enter into an intergovernmental agreement for a loan from the State of Hawaii's Clean Water State Revolving Fund for the Central Maui Landfill Phase V Gas Collection System Expansion, Fiscal Year for the 2017 Budget ordinance, has been said repeatedly here by concerned citizens. A reminder for those of us who have worked on water issues over the years, that money that we would get from that, and when I read the materials supporting this, it said that that application had already been filed.

Is Federal money that gets distributed to the states, so we're competing with 49 other states for that, and then from the state gets distributed to us here. And anything that's dealing with that Revolving Fund has to have a, a plan, definitive plan, not just a hope for how it's going to be used. The shovel-ready time, it's got to be ready before the money will be dispersed to any of those recipients. And there needs to be follow-up on how the money was spent. We don't have a sterling record of those records over history. So, plenty of room for improvement on that one.

Keeping in mind, again, that we have huge debts that ride on the backs of the taxpayers for address of these things that had they been done timely and so thoroughly as the requirements require, we wouldn't be facing those kinds of debts for the community that's out there wondering when is that debt going to be a closed dam so that it won't continue on.

So, I thank you very much for that, and for all of the good work that everybody is doing. This morning's paper had a message in it from the Mayor; worthwhile message to be read. So, I encourage everybody to do that, Section A. Thank you.

CHAIR WHITE: Thank you very much, Ms. Robbins.

Members, any need for clarification of the testimony? Seeing none, thank you for being here this morning.

MS. ROBBINS: You're welcome.

CHAIR WHITE: Mr. Clerk.

COUNTY CLERK: Mr. Chair, there is no further individuals who have signed up to provide testimony in the chamber. If there is any individuals in the Council chamber or at the District Offices who would like to provide testimony, please identify yourself to the appropriate staff, and proceed to the testimony lectern or District Office phones at this time.

Hana Office, are there any additional testifiers?

MS. LONO: No one is waiting to testify at the Hana Office.

COUNTY CLERK: Thank you.

Lanai Office, are there any additional testifiers?

MS. FERNANDEZ: There is no one waiting to testify at the Lanai Office.

(Councilmember Baisa was excused from the meeting at 9:17 a.m.)

COMMITTEE REPORT
NO. 16-179 - ECONOMIC DEVELOPMENT, ENERGY, AGRICULTURE, AND
RECREATION COMMITTEE:

Recommending the following:

1. That Resolution 16-153, entitled "AUTHORIZING A GRANT OF A LEASE OF COUNTY RECREATIONAL SPACE TO BOYS & GIRLS CLUBS OF MAUI, INC. (HAIKU CLUBHOUSE)," be ADOPTED;
2. That Committee Report 16-167 be FILED; and
3. That County Communication 16-170, from the Director of Parks and Recreation, be FILED.

CHAIR WHITE: Vice-Chair Guzman.

VICE-CHAIR GUZMAN:

MOVE TO ADOPT THE RECOMMENDATIONS IN
COMMITTEE REPORT 16, SORRY, 16-179.

COUNCILMEMBER COCHRAN:

MR. CHAIR, I SECOND THE MOTION.

CHAIR WHITE: Okay, we have a motion from Mr. Guzman, and a second from Ms. Cochran.

Mr. Guzman.

VICE-CHAIR GUZMAN: Your Committee met on November 1, 2016, to consider recommitted Committee Report 16-167, recommending: 1) the adoption of the proposed resolution to authorize the Mayor to enter into a lease with the Boys & Girls Club of Maui, Inc., for the Haiku Clubhouse, for a term expiring on June 30, 2046, for an annual rent of \$1; and 2) filing of County Communication 16-170.

The Committee noted a desire to discuss concerns raised about the area covered by the proposed lease and any impact the Clubhouse use, the Clubhouse use might

have on the public's ability to use the Haiku Community Center. The Clubhouse is one of three separate buildings; one being the Community Center, under a large over-arching roof.

The Clubhouse is composed of an area of 3,850 square feet. The organization intends to continue the use of the premises for a drop-in youth center for ages 9-17, with programs addressing character and leadership, education and career development, health and life skills, and the arts, and fitness and recreation.

Pursuant to Section 3.36.090 of the Maui County Code, the Council may authorize, by resolution, the grant of a lease of real property at less than fair market value.

The Director of Parks and Recreation said that the organization provides a much needed service in the Haiku community, and the Department fully supported the lease.

I ask the Councilmembers for the full support of this Committee recommendation.

CHAIR WHITE: Thank you, Mr. Guzman.

Mr. Couch.

COUNCILMEMBER COUCH: Thank you, Mr. Chair. At this time, I wish to disclose I am a Board member of the Boys & Girls Club of Maui, and therefore, request that I be recused, excused from this vote.

CHAIR WHITE: Thank you, Mr. Couch.

Members, any further discussion on this item?

COUNCILMEMBER VICTORINO: Chair.

CHAIR WHITE: Yes, Mr. Victorino.

COUNCILMEMBER VICTORINO: You know, I'd like to put a comment in as far as Mr. Couch is concerned. And it is your call, but I feel that he has no financial or other gains in this matter. He is a Board member, like many of us, from many community associations. And we do it because we enjoy doing it, because we want to give back to our communities. And I don't think recusing ourselves in this kind of a situation, maybe budgetary, I got that picture, but other than that, I really don't think that's necessary. But it's your call, Mr. Chair. But I feel that it's not, not really appropriate in this manner.

CHAIR WHITE: The Chair agrees with you, and leave it up to Mr. Couch. If you would like to participate in the vote, I see nothing inappropriate.

COUNCILMEMBER COUCH: Thank you, Mr. Chair. I would be happy to participate in the vote. Thank you.

CHAIR WHITE: Any further discussion, Members?

VICE-CHAIR GUZMAN: Chair, it's quite unusual. Initially, it was passed out with Mr. Couch as a bare quorum Member. It got to first reading, and then he then recused himself, so therefore, the initial vote in Committee was questionable. So at this point, Chair, I would rather that Mr. Couch recuse himself for the vote so that it's very clean and clear for the reasons why it was placed back to the Committee.

Aside from Mr. Hokama's questions as to the use, that was discussed in Committee in reference to Mr. Hokama's questions. It was said in Committee, I just wanted to state further that, that little area that they're going to be using as a Clubhouse is only for their specific use. But, whenever there's a need for the community or the public to use it, they are freely able to use it upon request. But, it's just a very small area of the Community Center. So those two issues have been addressed in Committee.

So at this point, Chair, I would rather that Mr. Couch recuse himself for this vote, please. Thank you.

CHAIR WHITE: Your point is well taken. I'm just, I'm just stating that I'm okay with it. And I'm okay to leave it up to Mr. Couch. And if you choose to recuse yourself, that's fine with me.

COUNCILMEMBER COUCH: Yea, you know, I'd love to participate in the vote, but Mr. Guzman has a point. And I will request that everybody support this item. And I will, to make it clean, and no questions, I'll recuse myself. Thank you.

CHAIR WHITE: Okay. Thank you, Mr. Couch.

Any further discussion, Members? Seeing none, all those in favor please signify by saying "aye".

AYES: COUNCILMEMBERS BAISA, CARROLL,
COCHRAN, CRIVELLO, HOKAMA, VICTORINO,
VICE-CHAIR GUZMAN, AND CHAIR WHITE.

CHAIR WHITE: Those opposed say "no".

NOES: NONE.

EXCUSED: COUNCILMEMBER COUCH.

16-283, 16-284, AND 16-285.

COUNCILMEMBER HOKAMA:

SECOND.

CHAIR WHITE: We have a motion from Ms. Cochran, with a second from Mr. Hokama.

Ms. Cochran.

COUNCILMEMBER COCHRAN: Yes, thank you very much. Chair, Section 3.44.015H of
the Maui County Code, provides for Director of Finance to notify the Council in writing
of any acquisition that does not require Council approval.

The notice shall include a map of the easement acquired, which we have, and
submitted no later than five days after the date of acquisition is completed. This
section of the County Code authorizes Director of Finance to acquire real property
with a purchase price, with a purchase price that does not exceed \$250,000 without
Council approvals.

So these three waterline easements meet these requirements, and therefore, if there are no objections, I would like to get support on filing these three county communications. Thank you very much, Chair.

CHAIR WHITE: Mr. Victorino.

COUNCILMEMBER VICTORINO: Thank you, Mr. Chair. If I'm correct, there is really no motion that's needed on this one, because the appointment is an automatic, if I am correct, by the Mayor. I, we do not act on this particular one. This is more for informational purposes.

AND SO THAT IS, I WOULD LIKE TO FILE THIS REPORT
16-286.

COUNCILMEMBER VICTORINO:

AND THE FILING OF THIS COMMUNICATION.

CHAIR WHITE: --communication.

COUNCILMEMBER VICTORINO: Yes.

CHAIR WHITE: Thank you. We have a motion by Mr. Victorino, and a second from Mr. Couch.

Mr. Victorino.

COUNCILMEMBER VICTORINO: Thank you. Tammy is a graduate of Baldwin High School, and obtained Associate Degree in Secretarial Science from then Maui Community College.

Prior to coming to work at OCS, she worked in the law firm as a legal secretary. Tammy has been employed at OCS for 26 years. I know, she started when she was four years old, by the way. And she is very knowledgeable of her duties and responsibilities. She's very dependable, a team player, and is always willing to adapt to change. And I can attest to that, cause I've had her as a Committee secretary. Her experience, work ethic, positive attitude will make Tammy a great Supervising Committee Secretary. Tammy was a substitute Committee secretary when the current supervisor was on leave for several months.

So with that being said, Mr. Chair, I am proud and honored that I can bring this forward on your behalf, and wish all my Councilmembers to support this young lady. All of us have worked with her at one time or another, and we have always found her, not only pleasant, but like it was stated earlier, willing to adapt to change, and help us get the work done when we need it done. So, I urge your support on this resolution. Thank you, Mr. Chair.

CHAIR WHITE: Thank you.

Members, any further discussion on this item?

Well, I'll just add my support. Tammy's done a wonderful job for us, and is a very hard worker. And I think we can count on her to provide the appropriate level of leadership to the secretarial team downstairs. And so I would ask that all of you support this motion.

Any further discussion? Seeing none, all those in favor please signify by saying "aye".

AYES: COUNCILMEMBERS BAISA, CARROLL,

RESOLUTIONS

RESOLUTION
NO. 16-155

AUTHORIZING THE MAYOR TO SUBMIT AN APPLICATION TO REQUEST
THE GOVERNOR OF HAWAII TO DESIGNATE THE ISLAND OF
MOLOKAI AS AN ENTERPRISE ZONE FOR TWENTY YEARS
DUE TO EXPIRATION OF THE PRIOR ENTERPRISE ZONE
DESIGNATION, PURSUANT TO SECTION 3.80.030,
MAUI COUNTY CODE

CHAIR WHITE: Vice-Chair Guzman.

VICE-CHAIR GUZMAN:

I MOVE TO ADOPT THE RESOLUTION.

COUNCILMEMBER VICTORINO:

SECOND, MR. CHAIR.

CHAIR WHITE: We have a motion from Mr. Guzman, and a second from Mr. Victorino.

Mr. Guzman.

VICE-CHAIR GUZMAN: The purpose of the proposed resolution is to authorize the Mayor to submit an application to request the Governor designate the island of Molokai as an Enterprise Zone for another 20 years.

The Hawaii's Enterprise Zone Program was created by Act 78 (1986), and codified as Chapter 209E, of the HRS, to increase business activity, job retention, and job creation in areas and industries where they are most needed and most appropriate via tax and other incentives.

The program is a collaboration between the State and the County, with each providing some incentives, and allowing each county to select up to six areas meeting unemployment or income criteria for 20-year designations as Enterprise Zones. Eligible businesses within an Enterprise Zone may apply for incentives.

Pursuant to Section 3.80.030, of the Maui County Code, the Council may nominate an area in the County for designation as an Enterprise Zone by adopting a resolution after a public hearing.

Your Committee notes that the current Molokai Enterprise Zone designation will expire on December 31, 2016.

At our meeting on November 4, 2016, the Council decided to schedule the resolution for further consideration following a public hearing on the matter. A public hearing was held on November 10, 2016, at which no objections were voiced.

I request the Council's full support of this resolution.

CHAIR WHITE: Thank you, Mr. Guzman.

Ms. Crivello.

COUNCILMEMBER CRIVELLO: Thank you, Chair. I'd like to thank my colleague, Mr. Guzman, for his expeditious [*sic*] reply to Office of Economic Development, and hearing this request and so that the Hawaii State Department of Economic Development also will expedite this before we just get eliminated from this designation. So, I want to thank Mr. Guzman. And I ask the Members to please support this request. Thank you.

CHAIR WHITE: Thank you, Ms. Crivello.

Members, any further discussion on this item?

I'll just add that this does need to be expeditiously passed through so that the designation can be completed by the end of this year, because if it's not then, the process to re-designate once it's been, once it's expired is much more tedious, and not necessarily going to be approved. So, this is important for us to handle today.

With that, all those in favor please signify by saying "aye".

AYES: COUNCILMEMBERS BAISA, CARROLL,
COCHRAN, COUCH, CRIVELLO, HOKAMA,
VICTORINO, VICE-CHAIR GUZMAN, AND
CHAIR WHITE.

CHAIR WHITE: Those opposed say "no".

NOES: NONE.

CHAIR WHITE: Measure passes with nine "ayes".

Dear Chair White and Council Members

Re: SEABURY HALL - County Communication 16-296: "REFERRING TO THE MAUI PLANNING COMMISSION PROPOSED BILLS TO AMEND THE STATE LAND USE DISTRICT CLASSIFICATION, ENACT A COMMUNITY PLAN AMENDMENT, AND CHANGE THE ZONING FOR 14.950 ACRES AT 305 MEHA ROAD (PORTION) AND 480 OLINDA ROAD, MAKAWAO, HAWAII".

Thank you for the opportunity to testify in support of County Communication 16-296, a Resolution referring to the Maui Planning Commission land use entitlement changes for the Seabury Hall campus.

Background. The main portion of the Seabury Hall Campus which includes the middle and upper school campuses, gymnasium and play fields, has appropriate use land use designations. This 22.5 acre area is designated Urban by the State, and is zoned and community planned for Public/Quasi Public Use. These entitlements were established (zoning) and expanded (Community Plan and State Land Use) in the mid-1990s. See attached TMK map.

In 2003 and 2011, the Council approved uses outside of the main campus area via Conditional Permits. (See Ordinance Nos. 3412 and 3808.) The 2003 Conditional Permit allowed for the parking lot expansion that was constructed as part of the middle and upper school campus improvements. The 2011 Conditional permit approved the Creative Arts Center and additional parking. These improvements were constructed on Agricultural designated lands, outside of the 22 acre main campus area.

One of the conditions of the 2011 permit was for the School to submit applications for Community Plan Amendment, District Boundary Amendment and Change in Zoning in order to establish appropriate land use designations for the expanded campus improvements which were allowed via the Conditional Permits.

Proposed Bills. The Resolution before the Council today, would refer to the Maui Planning Commission three bills to establish appropriate designations for the previously approved

Chair Mike White

Page 2

campus improvements. The bills would also establish consistency with the existing land use designations for main campus area. The majority of the area under consideration in the proposed bills includes the previously approved parking lots and Creative Arts Center. See attached figure showing proposed land use change area. The entire area is designated within the Seabury Hall Urban Growth Boundary in the Maui Island Plan. There are no immediate plans for additional improvements in the areas proposed for re-designation.

Passage of the Resolution will allow the Maui Planning Commission to conduct a detailed review and analysis of the three bills. The Planning Commission's recommendations on the three bills will come back to the Council for further review.

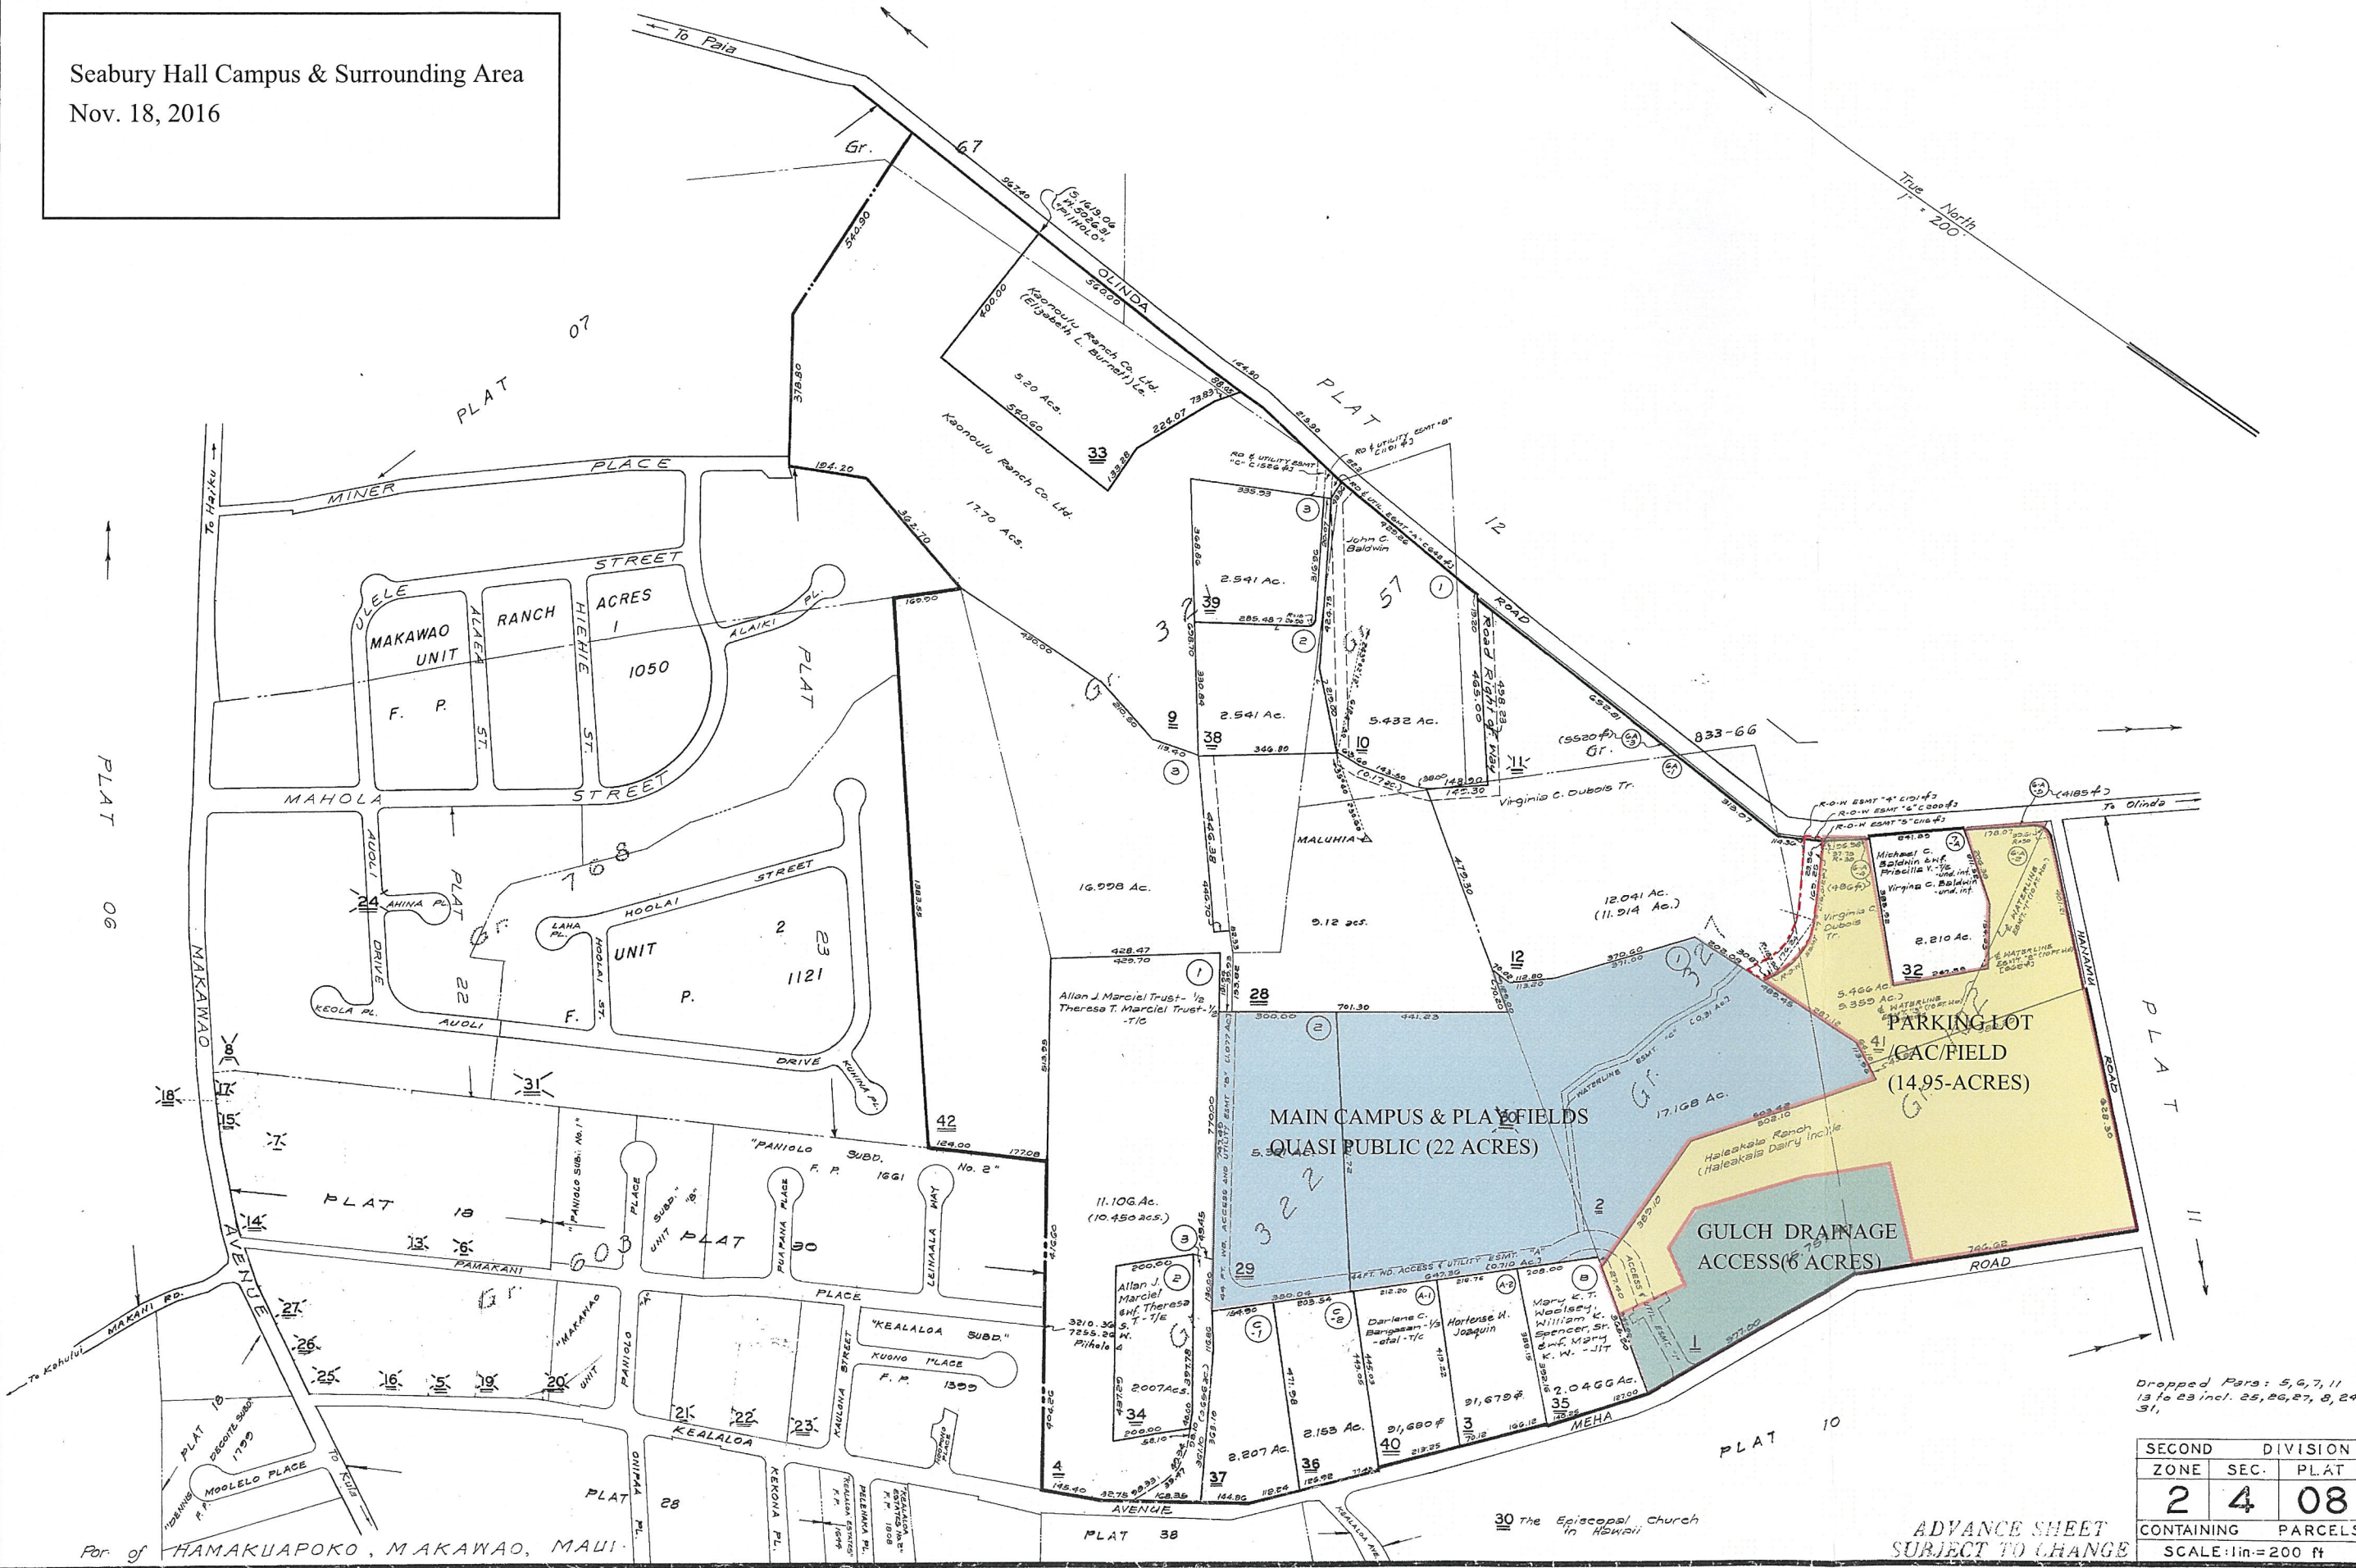

We want to thank Chair White for agreeing to initiate these bills. The Council initiated process will save Seabury Hall considerable time, effort and resources, which in my humble opinion, would be more appropriately directed towards educational programs and student support.

Thank you again for your consideration,

Rory Frampton
