Please do not take away the opportunity for an economic future on Molokai. Too many of my friends and Ohana have been forced to look elsewhere for stability and our island loses our best and brightest looking for a chance to take care of their families. **Additional Comments:**

I have come Molokai over the past 2 decades and have increased my understanding and love of Hawaii and it's culture because of my involvement with the outrigger canoe groups. It is only with knowledge that this respect happens. Not allowing rentals seems counter intuitive. Paddlers are not overly wealthy but in general are very respectful of culture and life styles and make for strong ambassadors world wide.

**Additional Comments:**

I totally respect the issue of short term rentals namely when not legally permitted. When permitted in a legal and appropriate manner, you get economic benefit of us water people from around the globe who come to explore Molokai before (or after) we cross the channel. Of the best times I've ever had in Hawaii (before and since I moved here) it was those staying on Molokai extra days before Na Wahine or after Pailolo to get needed chill time. When I lived mainland, there was no way to afford those long flights, race fees, and such without having access to affordable short term rentals (house

and condo) for the team. In fact, there are a whole lot of paddlers even here in Hawaii who could never afford to race Molokai Hoe or Na Wahine without team housing options such as short term house/ condo rentals. Talk about a killing kick to the state's team sport and the internationally renowned Kaiwi Channel races any action to deny legally permitted short term housing. Talk about a killer to the economy of Molokai, Maui County, and the State to deny legally permitted short term housing.

**Aloha, Please accept my testimony below and I humbly ask for your support of legally permitted Short Term Rentals on Molokai and for support of Council Member Crivello's Resolution 17-74, as submitted, to place a cap on the number of permits on Molokai at 40 island wide (15 West End, 10 Central and 15 East End).**

**I support the regulation of Short Term Rental Homes on Molokai which helps protect the safety and security of Molokai residents and island visitors.** YES

**I support the enforcement of illegal and un-permitted Short Term Rental Homes on Molokai.** YES

**I support legally permitted Short Term Rental Homes on Molokai because they provide an economic benefit to the island economy and support local jobs.** YES

**I support legally permitted Short Term Rental Homes on Molokai because they provide an income for property managers, housekeepers, landscape and maintenance workers.** YES

**I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local retail and grocery stores, restaurants, gas stations and Saturday market vendors.**

YES

**I support legally permitted Short Term Rental Homes on Molokai because they provide an income for our local tourism activity providers, rental car companies and airlines.**

YES

**I support legally permitted Short Term Rental Homes on Molokai because they provide critical County and State tax revenue that pays for the many Maui County and State of Hawaii services and programs that benefit Molokai families.**

YES

**I strongly disagree with the Molokai Planning Commission's recommendation to stop all Short Term Rental Homes on Molokai as it would have a negative cumulative effect on the island's economy and well being.**

YES

**Additional Comments:**

I believe 40 residings is also too Low a number. Molokai has many large events each year which helps to support the local community. Such legislation would have a serious impact on world renowned events and Molokai tourism as a whole.

**Additional Comments:**

Molokai is a beautiful, unique place within the Hawaiian islands and the loss of short term rental homes would limit many, many people's opportunity to visit the island and learn about its history, quiet charm, and aloha. I personally wouldn't have had the opportunity to visit Molokai, and bring my mother, if short term rental housing wasn't available. In addition, having served on an Molokai2Oahu support boat three times in recent years, it would be a terrible shame to see such an important event be negatively impacted by the banning of

short term rental homes on Molokai. Please continue allowing legal, safe short term rental housing on Molokai. Thank you for your consideration.

**Additional Comments:**

Stopping short term rentals will have a devastating effect on the Hawaiian Cultural Sport of Paddling. Races like the Molokai Hoe cannot exist without short term rentals. There will be pressure to build large hotels which will have a more detrimental effect on the Molokai way of life. Please reconsider.
