For Transmittal to:

Honorable Michael White, Chair
and Members of Maui County Council
200 South High Street
Wailuku, Hawaii 96793

Dear Chair White and Members:

SUBJECT: AMENDMENTS TO THE FISCAL YEAR 2017 BUDGET

On behalf of the Department of Parks and Recreation, I am transmitting the attached proposed bills for the purpose of deleting the appropriation for a capital project entitled, "Waikapu Community Center Basketball Court Improvements", in the amount of \$500,000 and increasing the appropriation for a capital project entitled, Waikapu Community Center Expansion", in the amount of \$500,000 under the Wailuku-Kahului Community Plan Area, Bond Fund.

According to the department, the appropriated amounts are not sufficient to complete either project. Based on community need, the department feels that priority should be placed on completing the Waikapu Community Center Expansion project. The department is proposing to delete the basketball court improvement project from this fiscal year's capital budget and increase the community center expansion project an additional \$500,000 which will allow the department to move forward with planned improvements. The basketball court improvement project will be included as part of the department's FY 2018 capital budget request.

Thank you for your attention in this matter. Should you have any questions, please feel free to contact me at Ext. 7212.

Sincerely,

LYNN ARAKI-REGAN
Budget Director
