Dear Ms. Rawlins-Fernandez:

**SUBJECT: ESTABLISHING CHAPTER 3.17, MAUI COUNTY CODE, RELATING TO THE REDUCTION OF ADMINISTRATIVE FINES (BFED-19)**

Thank you for your letter dated December 3, 2021 requesting information on “whether the Maui Automated Planning and Permitting System (“MAPPS”), once established, will contain data on settlement agreement.” Below is the response on behalf of the Information Technology Services Division:

MAPPS has the functionality to add and track fees and fines. Adjustments that are made within MAPPS are tracked with a detailed audit function. County departments provided their fee and accounting codes during the development of the system. Each department is responsible to develop specific operational processes and identify additional information to properly track fines and adjustments.

Should you have any further questions or need any further clarification, please do not hesitate to contact my office at ext. 7202

Sincerely,

*Sandy K. Baz*
