**Re: Kahului Community Center Park and Surrounding Area  
Master Plan (PRL-10)**

Aloha Chair Guzman:

The AARP Kula Chapter # 4937 wishes to express their support for the Kahului Community Center Park and Surrounding Area Master Plan and the proposed resolution "Authorizing A Grant Of A Lease Of County Real Property To Hale Makua Health Services". We further understand that this proposed resolution is to grant a 75-year lease to Hale Makua Health Services and will help establish a holistically planned senior community and related facilities. We realize that the 'silver tsunami' is happening on the island of Maui and we are in total support of Hale Makua's plan to establish additional facilities for our beloved seniors.

With much aloha from,

Adele Rugg  
President  
Kula AARP Chapter # 4937
