Aloha Budget and Finance Committee,

We in Hana are working very hard to secure Hana coastal lands so they may be placed in Conservation for our community, but we need your help!

I respectfully request that the agenda for the Nov. 13 Budget & Finance Committee meeting include item # BF-183; "Hana Lands appraisal from Open Space Funds."

This is not a request for additional funds, simply a change in the scope of the work for the appraisal.

Mahalo Nui Loa for your help,

Robin Rayner
