Dear Maui County Clerk Maui County Council,

I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,

The County of Maui should not be spending money attempting to gut the Clean Water Act. Instead, the money should be spent ensuring no pollutants reach the ocean from our wastewater facilities.

Enough 'brown' water alerts!

Sincerely,
Laurie Gray

Dear Maui County Clerk Maui County Council,

I am a classroom teacher, parent, and active community member. I am appalled at the details of this situation. Of all places in the world, Hawaii, once a pristine island chain with unique natural features and animal life, should be a leader for causes of environmental justice.

I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225.

The County of Maui should not be spending money attempting to gut the Clean Water Act. Instead, the money should be spent ensuring no pollutants reach the ocean from our wastewater facilities.

Just looking at the before and after photos of the reef at Kahaekili Beach should be enough to make you want to stop the injection wells and upgrade the sewage plant that has been overburdened for decades now!

Please do the right thing. Dont kill the goose that is laying the golden eggs otherwise known as tourists....

Dear Maui County Clerk Maui County Council,

I am not understanding WHY the Maui Co has fought this for and for so long and wasted my hard earned tax money for over 8 years. I am very strongly, asking to SETTLE the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,

The County of Maui should not be spending ANY MORE money on legal action by sending this case to Supreme Court where it is possible that doing so could gut the Clean Water Act and make it possible for pollutants to be dumped into our waterways of our Nation.

If you don't settle, you will be spending more of my tax dollars to defend, yet again, on what has already been ruled as a violation twice in the courts! You will also create a very negative reputation for Maui, voted the BEST Island on Earth, the island where it's leaders dismantled the Clean Water Act for the entire country. Why would you want to do that?

I know in your heart of hearts you will do what is PONO and Settle this case so that we can make this Injection Well as environmentally friendly as possible and Maui can continue to be the BEST Island in the World.

Instead, please use my tax dollars ensuring that no pollutants reach the ocean from our wastewater facilities period.

Sincerely,
Kecia Joy

Dear Maui County Clerk Maui County Council,

I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,

The County of Maui should not be spending money attempting to gut the Clean Water Act. Instead, the money should be spent ensuring no pollutants reach the ocean from our wastewater facilities.

County officials have a Public Trust responsibility under Hawaii State Constitution to protect our nearshore coastal waters. This lawsuit if it succeeds would create a giant hole for polluters to exploit. A more responsible approach is to drop out and expand water recycling efforts that Maui is already committed to. This pays for itself through the sale of recycled water. Water recycling protects our water resources for future generations.

Injection wells have been allowed to proliferate even when groundwater carries pollution to our beaches. This needs to end.

Mahalo for your support.

Sincerely,
Stephen Holmes
