Dear Mr. Andaya:

SUBJECT: **WEST MAUI COMMUNITY PLAN** (PSLU-1)

At its meeting of February 9, 2021, the Planning and Sustainable Land Use Committee discussed the Draft West Maui Community Plan. A link to the Draft West Maui Community Plan is available here: <https://tinyurl.com/y5nwtqk4>.

Policy 2.1.8 on page 32 of the Plan states: "Require new buildings that will serve as emergency shelters to be built to hurricane standards."

May I please request your feedback on adding language to Policy 2.1.8 to support retrofitting existing buildings that currently serve as emergency shelters to comply with hurricane shelter standards. Please indicate the current hurricane level new and existing buildings need to withstand to comply with this policy.

May I please further request that you transmit your response **by February 26, 2021**. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.
