ENVIRONMENTAL, AGRICULTURAL, AND CULTURAL PRESERVATION COMMITTEE

June 5, 2020

**Committee
Report No. _____**

Honorable Chair and Members
of the County Council
County of Maui
Wailuku, Maui, Hawaii

Chair and Members:

Your Environmental, Agricultural, and Cultural Preservation Committee, having met on May 19, 2020, makes reference to County Communication 17-99, from Councilmember Elle K. Cochran, relating to the matter of wastewater infrastructure needs.

Your Committee notes the Council's Infrastructure and Environmental Management Committee (2017-2019 Council term) met on this matter on March 20, 2017, November 20, 2018, and December 3, 2018.

Your Committee noted, in accordance with Resolution 19-214, your Water, Infrastructure, and Transportation Committee has jurisdiction over the operations of the Department of Environmental Management, which oversees wastewater infrastructure needs. Therefore, this item would be more appropriate in your Water, Infrastructure, and Transportation Committee.

Your Committee voted 7-0 to recommend referral of the communication to your Water, Infrastructure, and Transportation Committee. Committee Chair Sinenci, Vice-Chair Kama, and members King, Lee, Molina, Paltin, and Sugimura voted "aye."

Your Environmental, Agricultural, and Cultural Preservation Committee **RECOMMENDS** that County Communication 17-99 be **REFERRED** to your Water, Infrastructure, and Transportation Committee.
