Subject: Please pass the EACP-1:

Aloha Maui County Council Environmental, Agricultural and Cultural Preservation Committee Members,

Please pass the EACP-1: INTEGRATED PEST AND ENVIRONMENTAL MANAGEMENT ON COUNTY PROPERTY, introduced by Council Member and Committee Chair Shane Sinenci.

This bill would prohibit the County's purchase or use of certain pesticides and fertilizers on County-owned parks and properties. This is so important for the health of Maui citizens, especially our keiki, and our coral reefs. Thank you.
