Subject: Please research the health effects before approving 5G

Dear Council Member,

I am very concerned about the potential adverse health effects of 5G.

Please take the time to consider all of the consequences before approving 5G.

Towers. antennas are harmful to human health: <https://ehtrust.org/science/cell-towers-and-cell-antennae/compilation-of-research-studies-on-cell-tower-radiation-and-health/>

I appreciate your time.

Sincerely,
