The County's failure to perform any part of this Agreement shall constitute noncompliance, and the HHFDC, at its sole discretion, may take any one or more of the following actions:

1. Withhold cash payments pending correction of any deficiency by the County;
2. Disallow all or part of the cost of the activity or action not in compliance;

4. Withhold future award(s) to the County; and
5. Terminate this Agreement without service or notice or legal process and without prejudice to any other remedy or right or action for breach of contract. Upon expiration or termination of this Agreement, the County shall transfer to the HHFDC any HOME Program funds on hand at the time of expiration or termination and any accounts receivable attributable to the HOME Program funds. Failure to terminate the Agreement upon one or more breaches shall not constitute a waiver of the HHFDC's right to thereafter terminate the Agreement upon a subsequent breach or breaches.

Use of any one remedy should not be construed as a waiver of other remedies available under this section or of any legal, equitable, or statutory remedies available under applicable Hawaii or federal law.

Upon termination of this Agreement, all finished or unfinished documents, data, studies, and reports purchased or prepared by the County for the project shall be transferred and assigned to the HHFDC and become the property of the HHFDC.

Except as provided in Section H, Noncompliance, Suspension and Termination, this Agreement may also be terminated in whole or in part under the following conditions:

J. TIME OF PERFORMANCE

The County shall not enter into any agreements for use of HOME Program funds with Sub-Recipients or Project Applicants prior to the execution of this Agreement.

This Agreement shall begin upon execution. However, if the HOME Program funds allocated to the County are not committed to a specific local project(s) by February 28, 2019, the HHFDC reserves the right to terminate this Agreement and recapture all uncommitted HOME Program funds.

All HOME projects must be completed no later than 4 years from initial activity funding and all funds disbursed by February 28, 2023 or the project funds may be recaptured by the HHFDC.

By execution of this Agreement, the County certifies that the proposed activities will be substantially in compliance with the time schedule contained in the Time of Performance Deadlines (Exhibit B). Failure to do so, may affect the County's continuing capacity in future funding decisions by the HHFDC.

The HHFDC retains the right to rescind all or any part of funds conditionally committed by this Agreement. Such right may be exercised if action, or the lack of action, by the County indicates that the proposed activities are not being implemented in accordance with the terms or schedule provided in the State Recipient Program Description or the provisions of this Agreement.

K. THIRD PARTY AGREEMENTS

Any agreements between the County and a Sub-Recipient, Project Applicant, or contractor must be in writing and must include appropriate provisions requiring compliance with all applicable federal requirements of the HOME Program. The County shall enter into a written agreement that complies with the provisions of 24 CFR §92.504 (c) with any other entity or individual to which it disburses HOME funds. The agreement must be in place before the HOME funds are provided and must prohibit charging servicing, origination, processing, inspection, or other fees for the costs of administering a HOME program, except as permitted by 24 CFR §92.214. In addition, the agreement must prohibit project owners from charging fees that are not customarily charged in rental housing pursuant to 24 CFR §92.214 (b)(3).

Pursuant to 24 CFR §92.206(d)(1), the County may allow for the use of HOME funds to pay architectural and engineering and other professional services costs that are incurred before the commitment of HOME funds. The costs may be paid if they were incurred not more than 24 months before the date that HOME funds are committed to the project and the County expressly permits HOME funds to be used to pay the costs in the written agreement committing the funds. In addition, these costs are subject to compliance with 24 CFR Part 58. The County shall limit the reimbursement for these costs to no more than 20% of the HOME funds committed for each activity.

The County shall be fully responsible to the HHFDC for the acts and omissions of the parties to such written agreements. The County shall maintain copies of executed third party agreements and contracts before the project will be set up in the IDIS.

L. ENVIRONMENTAL REVIEW

Pursuant to 24 CFR, Parts 50 and 58, no funds may be committed and no costs may be incurred for HOME Program projects funded by the County until the County has obtained the appropriate level of environmental clearance from the HHFDC through written notification. The County shall be responsible for conducting an assessment of all projects to be funded with HOME Program funds to determine the environmental impacts; the review of the assessment; the publication of appropriate notices; and the submittal of the required documentation to HHFDC.

Notwithstanding any provision of this Agreement, the County and the HHFDC agree and acknowledge that this Agreement does not constitute a commitment of funds or site approval, and that such commitment of funds or approval may occur only upon satisfactory completion of an environmental review under 24 CFR, Part 58. The parties further agree that the provision of any funds to the project is conditioned on the HHFDC's determination to proceed with, modify or cancel the project based on the results of a subsequent environmental review.

The County, a subrecipient, project applicant or contractor may not undertake or commit any funds for physical or choice-limiting actions, including property acquisition, demolition, movement, rehabilitation, conversion, repair or construction prior to the environmental clearance. Any violation of this provision may result in the denial of any funds under this Agreement. The County shall, therefore, provide the HHFDC with the assessment of environmental impacts; the review of the assessment; the publication of appropriate notices; the environmental review records of exempt or categorically excluded activities and submit the required documentation to HHFDC for acknowledgement or approval, before the project will be set up in the IDIS.

M. INTEREST OF CURRENT OR FORMER MEMBERS, OFFICERS OR EMPLOYEES

No member, officer, or employee of the County, no member of the governing body of the locality in which the work is situated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to this Agreement, shall, during his or her tenure, or for one year thereafter, have any interest, direct or indirect, in this Agreement or the proceeds thereof. Any violation of this section may, at the option of the HHFDC, result in unilateral and immediate termination of this Agreement by the HHFDC. Further, the County agrees to comply with all of the Conflict of Interest provisions contained in 24 CFR §92.356.

N. ASSIGNABILITY

The County shall not assign any interest in this Agreement, and shall not transfer any interest in this Agreement whether by assignment or novation.

O. INDEMNIFICATION

The County shall indemnify, defend and hold harmless the HHFDC, and the State of Hawaii and their respective officers, agents and employees from any liability, actions, claims, suits, damages, or costs arising out of or resulting from the acts or omissions of the County, and the County's officers, employees and agents in connection with the activities that may be funded, in whole or in part, from HOME Program funds provided to the County under this Agreement, including actions by HUD against the HHFDC resulting from the County's breach of any agreement, laws, or rules and regulations relating to the HOME Program.

The County shall require its contractors, if any, to indemnify, defend and hold harmless the HHFDC, the State of Hawaii, the County and their respective officers, employees and agents from any liability, actions, claims, suits, damages or costs arising out of or resulting from the acts or omissions of the contractor, and its officers, employees and agents in connection with the activities that may be funded, in whole or in part, from HOME Program funds provided to the County under this Agreement.

The County will provide to the HHFDC any and all agreements; a subsidy-layering analysis; and the necessary level of environmental review, with the request for release of funds from the HHFDC before a project will be set up in the IDIS.

3. Certification of Project Cost

The HHFDC shall rely on 24 CFR Part 200, Subpart D, as applicable, in its use on project close-outs. However, the HHFDC shall retain the right to require the

The “Project Specific” monitoring reviews may include, but not be limited to, an evaluation of the written agreements between the County and other entities, cash management records, match obligations and credits, and affordability requirements.

The County shall conduct property inspections for their activities in accordance with 24 CFR §92.251. In addition, the County must examine the financial condition of HOME assisted rental projects with 10 or more HOME-assisted units to determine the continued financial viability of the project. The County shall maintain documentation of its annual project monitoring for review by the HHFDC.

T. DURATION OF AGREEMENT

1. Term of Agreement

Unless this Agreement is terminated, this Agreement shall begin on the date of execution, and shall remain in force for the period(s) of affordability applicable to the project(s) for which HOME Program funds are invested, unless the HHFDC determines that a breach of contract has occurred, at which time the HHFDC may exercise any and all of its rights and remedies under the HOME Program Regulations, 24 CFR, Part 92 and 2 CFR Part 200.338, including the right to terminate this Agreement and recapture any HOME Program funds allocated to the County.

2. Extension of Term

The parties hereto may extend the term of this Agreement through written consensus by the HHFDC and the County.

U. EQUAL EMPLOYMENT OPPORTUNITY

The County agrees to comply with Executive Order 11246, as amended, to ensure nondiscrimination in employment by contractors and subcontractors for federally assisted construction contracts.

1. The County will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin, or on any other basis prohibited by State law. The County will take affirmative action to ensure the applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin, and without regard to any other basis prohibited by State law. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The County agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
2. The County will, in all solicitations or advertisements for employees placed by or on behalf of the County, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin, and without regard to any other basis prohibited by State law.
3. The County will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice regarding the Contractor's commitments under Executive Order No. 11246, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The County will comply with all provisions of Executive Order 11246, and of the rules, regulations, and relevant orders of the Secretary of Labor (hereafter, collectively "Executive Order 11246").

5. The County will furnish all information and reports required by Executive Order 11246, and will permit access to its books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and order.
6. In the event the County is found to be in noncompliance with the nondiscrimination clauses of this Contract or with any of such rules, regulations or orders, this Contract may be canceled, terminated or suspended in whole or in part and the County may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246, or as otherwise provided by law.
7. The County will include the provisions of paragraphs (1) through (6) of this Paragraph in every subcontract or purchase order unless exempted pursuant to section 204 of Executive Order 11246, so that such provisions will be binding upon each subcontractor or vendor. The County will take such action with respect to any subcontract or purchase order as the HHFDC may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event the County becomes involved in, or is threatened with litigation with a subcontractor or vendor as a result of such direction by the HHFDC the County may request the United States to enter into such litigation to protect the interest of the United States.

V. LABOR STANDARDS

1. Contracts for construction funded in whole or in part with Federal funds are generally subject to the requirements of the Davis-Bacon and Related Acts (DBRA). The Davis-Bacon Act provides that contracts in excess of \$2,000, involving construction, rehabilitation, alteration and/or repairs including painting and decorating of public buildings or public works, which involve the employment of laborers and/or mechanics shall contain provisions with respect to minimum wages, fringe benefits, payments without deductions or rebates, withholding funds from contractors to ensure compliance with the wage provisions, and termination of the contract or debarment for failure to adhere to the required provisions. The County shall provide certification of compliance with labor provisions before the HHFDC makes any payment under this Contract. Projects involving construction of fewer than 12 HOME assisted units are not subject to the foregoing requirements.
2. The County acknowledges that this Contract and any subcontract awarded under this Contract is also subject to the Contract Work Hours and Safety Standards Act, as amended (40 USC 327-333, the Copeland (Anti-Kickback) Act (40 USC 276c), and the Fair Labor Standards Act of 1938. The County agrees to comply with the provisions thereof.

W. LABOR, TRAINING & BUSINESS OPPORTUNITY

The County agrees to comply with the federal and State regulations governing training, employment and business opportunities. All Section 3 covered contracts shall include the following clause (referred to as the Section 3 clause):

1. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
2. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
3. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitment under the Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeships and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
4. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
5. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
6. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

X. FAIR HOUSING

Any housing or housing services offered by the County must be made available without discrimination based on race, color, national origin, age, sex, religion, familial status, or disability, or on any basis prohibited by State law, in accordance with fair housing laws. In providing rental housing the County shall not discriminate against a rental applicant based on the fact that he or she receives a direct rental subsidy, such as a Section 8 voucher or HOME tenant-based rental assistance (TBRA), in accordance with 24 CFR § 92.252(d). In addition, County acknowledges that the following fair housing and nondiscrimination laws apply to its provision of housing or housing services: Title VIII of the Civil Rights Act of 1968 (Fair Housing Act), as amended and implementing regulations at 24 CFR, Part 100; Title VI of the Civil Rights Act of 1964; The Age Discrimination Act of 1975, as amended and implementing regulations at 24 CFR, Part 146; Executive Orders 11063 and 12259- Equal Opportunity in Housing, and implementing regulations at 24 CFR, Part 107; Section 504 of the Rehabilitation Act of 1973 (Section 504) and implementing regulations at 24 CFR, Part 8; and Title II of the Americans with Disabilities Act (ADA). County agrees to comply with all applicable provisions of these statutes and rules.

Y. CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

The County further warrants and agrees to include or cause to be included the criteria and requirements of this section in every non-exempt subcontract in excess of \$150,000. The County also agrees to take such action as the federal, state or local government may direct to enforce aforesaid provisions.

Z. DEBARMENT AND SUSPENSION

EXHIBIT A

COUNTY OF MAUI
HOME PROGRAM DESCRIPTION
Kaiwahine Village, Phase I
December 2017

In accordance with the HOME Program Description requirements of the Hawai'i Housing Finance and Development Corporation (HHFDC), this Program Description is provided for Kaiwahine Village, Phase I.

ADMINISTRATIVE OVERVIEW

The County of Maui, through its Housing Division, issued a HOME Request for Proposal in December 2017, seeking private developers to submit affordable housing applications for use of FY2017 HOME Program funds. Applications were received, reviewed and evaluated. Kaiwahine Village, Phase I, to be developed by Ikaika Ohana, has been conditionally selected as the PY2017 HOME Program recipient.

A. DESCRIPTION OF THE PROPOSED PROJECT

Kaiwahine Village, Phase I is new construction 64-unit affordable rental housing complex for households at or below 60 percent of AMI. The project is located on a site in Kihei, Maui and identified as Tax Map Key (2) 3-8-004: 28 (lot 134-A). Kaiwahine Village, Phase I, will have 64 rental units comprised of 32 two-bedroom and 32 three-bedroom dwelling units. Unit sizes will be approximately 736 square feet for a two-bedroom unit and 1,104 square feet for a three-bedroom unit. One two-bedroom unit will be reserved for the manager. Twelve (12) of the units shall be designated as floating HOME-assisted units as defined in the HOME regulations at 24 CFR § 92.252(j).

B. HOME-ASSISTED UNITS

The project will consist of twelve (12) HOME-assisted units and that these units will be "floating". Final determination on the number of HOME-assisted units will be made once all financing commitments are confirmed. The HOME investment is expected to run approximately \$187,500 per unit, below HOME maximum per unit subsidy limits for 2017. The remaining fifty-one (51) non-HOME assisted units will be rented to individuals or families at or below 60% AMI for the County of Maui. One (1) unit will be reserved for an on-site residential manager.

Total proposed development cost is \$31,840,000. Based on proposed pro-rata share of development cost, a HOME investment of \$2,250,000 will require a minimum of twelve (12) HOME-assisted units.

Determination of Number of HOME Units:

\$ 2,250,000 HOME Funds
\$31,840,000 Total Development Budget
= .070, 7% of Development Budget

Fair Share Test:

7% x 64 units= 4.48 or 5 units, minimum.

Subsidy Limit Test:

2-bedroom: 6 x \$196,672= \$1,180,032

3-bedroom: 6 x \$245,431= \$1,472,586

Totalling \$2,652,618, above the \$2,250,000 HOME funding

To meet the Subsidy Limit Test, the project requires a minimum of twelve (12) HOME-assisted units.

C. FINANCING

The County plans to provide \$2,250,000.00 in total HOME funds. A Sources and Uses Budget, attached as Exhibit A, was prepared by Ikaika Ohana as part of their application to the County. The total development costs is estimated at \$31,840,000. The County finds the use of HOME funds to be reasonable and necessary project costs.

D. FORM OF HOME INVESTMENT

The HOME assistance will be in the form of a forgivable deferred payment loan. This loan will not be required to be paid back and forgiven if the project meets all of the requirements during the twenty (20) year affordability period.

E. HOMEMATCH

The 25% HOME match obligation will be satisfied using the County's banked contributions. Based on the HOME match log verification last conducted by HHFDC on in June 2017, Maui County has a match credit of \$13,828,923.26. This verifies that the current banked match credit is sufficient to offset the 25% match liability of \$562,500.00 needed for this project.

F. TERM OF AFFORD ABILITY

The minimum HOME affordability period is twenty (20) years. Because of other funding sources, a longer affordability period for the entire project will be in place. A deed restriction will be recorded to ensure that the minimum HOME twenty (20) year affordability period is met and enforceable.

G. ELIGIBLE FAMILIES/SELECTION PROCEDURES

The County requires an affirmative marketing plan to be implemented. Applications received by the submittal deadline will be placed in an application lottery. Ikaika Ohana and their selected property management company is required to conduct income verifications to certify household income at or below Low and High HOME AMI percentages for the County of Maui, as established by HUD. The County also reviews income verifications and source documents to ensure that participants are income eligible at the time each household begins tenancy.

H. CONSOLIDATED PLAN CONSISTENCY

The State of Hawaii Consolidated Plan (2015-2020) identifies the shortage of rental housing for low-income families as a housing goal. The State has identified HOME funds as a source to construct affordable rental housing. Based on these identified needs, Maui County believes that the proposed HOME activity is consistent with the State's Consolidated Plan housing objectives and priorities.

I. PROPOSED TIMEFRAME

Major project milestones include the following:

Environmental Assessment Completion - Spring 2018

Project Closing - Spring 2018

Construction Start Date - Early Summer 2018

First Building Completion - Fall 2018

Project Completion - Fall 2019

Certificate of Occupancy - Winter 2019

Initial Occupancy Begins - Winter 2019

J. RELOCATION

The project site is vacant. Kaiwahine Villages, Phase I, will not cause temporary or permanent displacement of any individual or business to require payment of relocation costs pursuant to the Uniform Relocation Assistance and Real Property Acquisition Policies of 1970.

COUNTY OF MAUI
HOME PROGRAM DESCRIPTION
Kahoma Residential Subdivision Project
December 2017

In accordance with the HOME Program Description requirements of the Hawai'i Housing Finance and Development Corporation (HHFDC), this Program Description is provided for Kahoma Residential Subdivision Project.

ADMINISTRATIVE OVERVIEW

The County of Maui, through its Housing Division, issued a HOME Request for Proposal in December 2016, seeking private developers to submit affordable housing applications for use of FY2017 HOME Program funds. Applications were received, reviewed and evaluated. Kahoma Residential Subdivision, to be developed by Habitat for Humanity Maui Inc. (Habitat), has been conditionally selected as the PY2017 Community Housing Development Organization (CHDO) HOME Program recipient.

A. DESCRIPTION OF THE PROPOSED PROJECT

The Kahoma Residential Subdivision Project is located in Lahaina, Maui, Hawaii [Tax Map Key: (2) 4-5-037: 001, 002, 003, 004, 026, 027, 028, 029, 030, 031]. Habitat is partnering with West Maui Land Company (WMLC) to build 10 single family homes within the larger Kahoma Subdivision Project in Lahaina. The Kahoma Residential Subdivision Project will be solely for families and individuals with incomes below 80% of the median income for Maui County. Four (4) of the homes shall be designated as HOME-assisted dwellings as defined in the HOME regulations at 24 CFR § 92.252(j).

Kahoma Residential Subdivision targets low-income households (below 80% of AMI) needing affordable housing and who are seeking first-time homeownership to improve their lives and the community they live in. Habitat participants undergo homeowner education classes and financial counseling to learn the mortgage loan process, budgeting, property taxes, insurance, safety practices in the home, basic construction skills, and problem solving. Each participant must provide at least 500 hours of sweat equity to build their own homes.

B. HOME-ASSISTED UNITS

The project will consist of four (4) HOME-assisted units. Final determination on the number of HOME-assisted homes will be made once all financing commitments are confirmed. The HOME investment is expected to run approximately \$120,778.25 per home, below HOME maximum per unit subsidy limits for 2017. The remaining six (6) non-HOME assisted dwellings will be sold to individuals or families at or below 80% AMI for the County of Maui. HOME- assisted units in the project are designated as fixed HOME units. HOME units are comparable to non-HOME assisted units in terms of size, materials, interior features, and bedroom sizes.

Total proposed development cost is \$2,926,910. Based on proposed pro-rata share of development cost, a HOME investment of \$483,113 will require a minimum of two (2) HOME-assisted units.

Determination of Number of HOME Units:

\$ 483,113 HOME Funds
\$2,926,910 Total Development Budget
= .165, 17% of Development Budget

Fair Share Test:

17% x 10 homes= 1.7 or 2 units, minimum.

Subsidy Limit Test:

3-bedroom: 4 x \$245,431= \$981,724 (homes will range from 2 to 4 bedrooms depending on family size, 3 bedroom subsidy limit was used in the calculation as an average estimate)

Totaling \$981,724, greater than the \$483,113 HOME funding.

To meet the Fair Share or Subsidy Limit Tests, the project requires a minimum of two (2) HOME-assisted units.

C. FINANCING

The County plans to provide \$483,113 in total HOME funds. A Sources and Uses Budget, attached as Exhibit A, was prepared by Habitat as part of their application to the County. The total development cost is estimated at \$2,926,910. The County finds the use of HOME funds to be reasonable and necessary project costs.

Based on the preliminary development budget, Habitat estimates that participants will be able to finance a house and lot package for approximately \$292,691.00. HUD's current purchase value limit for a 1-family unit (\$475,000.00) within the County of Maui is substantially higher.

D. FORM OF HOME INVESTMENT

The HOME assistance will be in the form of a forgivable deferred payment loan. This loan will not be required to be paid back and forgiven if the project meets all of the requirements during the fifteen (15) year affordability period.

E. HOMEMATCH

The 25% HOME match obligation will be satisfied using the County's banked contributions. Based on the HOME match log verification last conducted by HHFDC on in June 2017, Maui County has a match credit of \$13,828,923.26. This verifies that the current banked match credit is sufficient to offset the 25% match liability of \$120,778.25 needed for this project.

F. TERM OF AFFORD ABILITY

The minimum HOME affordability period for investments over \$40,000 is fifteen (15) years. Because of other funding sources, a longer affordability period for the entire project will be in place. A deed restriction will be recorded to ensure that the minimum HOME fifteen (15) year affordability period is met and enforceable.

G. RECAPTURE/RESALE PROVISION

If a home subject to recapture is sold during the affordability period, the County of Maui requires a recapture of the HOME direct subsidy for the unit, less the subsidy amount prorated for the length of time the homeowner owned and occupied the unit. The homeowner is allowed to recover the

homeowner's entire investment (down payment and capital improvements made since purchase) before any of the direct subsidy is recaptured.

The recapture amount is limited to net proceeds. Net proceeds are the sales price less the superior loan repayment (other than the direct subsidy) and any closing costs. The County's recapture provision allows for the assumption of recapture obligations by a subsequent homebuyer, provided the subsequent homebuyer is HOME eligible and no additional HOME assistance is provided to the subsequent homebuyer. If the subsequent homebuyer does not assume the HOME recapture obligations, the homeowner must repay the prorated HOME investment from any net proceeds as described.

The direct HOME subsidy provided to the homebuyer is calculated using the difference, at the time of purchase, between the sales/purchase price of the home and the appraised value of the home.

G. ELIGIBLE FAMILIES/SELECTION PROCEDURES

The County requires an affirmative marketing plan to be implemented. Habitat is required to conduct income verifications to verify household income below 80% of median for Maui, as established by HUD. The County also reviews income verifications and source documents to ensure that participants are income eligible at the time each household closes their permanent take-out financing. Recruitment of prospective homeowners is done with public notices, community outreach, and information meetings. Selecting new homeowners is done by Habitat's staff and board, and involves organizing their application paperwork, conducting credit checks, and holding interviews to evaluate a prospective participant for the self-help building program. As necessary, Habitat will use a lottery system to keep the selection process fair.

H. CONSOLIDATED PLAN CONSISTENCY

The State of Hawaii Consolidated Plan (2015-2020) provides strategies to increase homeownership opportunities to first-time low-income homebuyers. The State has identified HOME funds as a source to develop affordable homeownership opportunities. Based on these identified needs, Maui County believes that the proposed HOME activity is consistent with the State's Consolidated Plan housing objectives and priorities.

I. PROPOSED TIMEFRAME

Major project milestones include the following:

Begin project construction- Summer 2018

Completion of all HOME funded homes- Summer 2019

All ten homes occupied- Summer 2019

J. RELOCATION

The project site is vacant. Kahoma Residential Subdivision will not cause temporary or permanent displacement of any individual or business to require payment of relocation costs pursuant to the Uniform Relocation Assistance and Real Property Acquisition Policies of 1970.

Public reporting burden for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u., mandates that the Department ensure that employment and other economic opportunities generated by its housing and community development assistance programs are directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing. The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as a self-monitoring tool. The data is entered into a data base and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. An assurance of confidentiality is not applicable to this form. The Privacy Act of 1974 and OMB Circular A-108 are not applicable. The reporting requirements do not contain sensitive questions. Data is cumulative; personal identifying information is not included.

Instructions: This form is to be used to report annual accomplishments regarding employment and other economic opportunities provided to low- and very low-income persons under Section 3 of the Housing and Urban Development Act of 1968. Form HUD-60002 has three parts which are to be completed for all programs covered by Section 3. Part I relates to *employment and training*. The recipient has the option to determine numerical employment/training goals either on the basis of the number of hours worked by new hires (columns B, D, E and F) or the number of new hires utilized on the Section 3 covered project (columns B, C and F). Part II of the form relates to *contracting*, and Part III summarizes recipients' *efforts* to comply with Section 3.

Recipients or contractors subject to Section 3 requirements must maintain appropriate documentation to establish that HUD financial assistance for housing and community development programs were directed toward low- and very low-income persons.* A recipient of Section 3 covered assistance shall submit two copies of this report to the local HUD Field Office. smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings such that variations are necessary because of prevailing levels of construction costs or unusually high- or low-income families. *Very low-income persons* mean low-income families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

Public reporting burden for this collection of information is estimated to average 45 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

The HOME statute imposes a significant number of data collection and reporting requirements. This includes information on assisted properties, on the owners or tenants of the properties, and on other programmatic areas. The information will be used: 1) to assist HOME participants in managing their programs; 2) to track performance of participants in meeting fund commitment and expenditure deadlines; 3) to permit HUD to determine whether each participant meets the HOME statutory income targeting and affordability requirements; and 4) to permit HUD to determine compliance with other statutory and regulatory program requirements. This data collection is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act or related authorities. Access to Federal grant funds is contingent on the reporting of certain project-specific data elements. Records of information collected will be maintained by the recipients of the assistance. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when public disclosure is not required.

Instructions for the HOME Match Report

Applicability:

The HOME Match Report is part of the HOME APR and must be filled out by every participating jurisdiction that incurred a match liability. Match liability occurs when FY 1993 funds (or subsequent year funds) are drawn down from the U.S. Treasury for HOME projects. A Participating Jurisdiction (PJ) may start counting match contributions as of the beginning of Federal Fiscal Year 1993 (October 1, 1992). A jurisdiction not required to submit this report, either because it did not incur any match or because it had a full match reduction, may submit a HOME Match Report if it wishes. The match would count as excess match that is carried over to subsequent years. The match reported on this form must have been contributed during the reporting period (between October 1 and September 30).

Timing:

This form is to be submitted as part of the HOME APR on or before December 31. The original is sent to the HUD Field Office. One copy is sent to the

Office of Affordable Housing Programs, CGHF
Room 7176, HUD, 451 7th Street, S.W.
Washington, D.C. 20410.

The participating jurisdiction also keeps a copy.

Instructions for Part II:

1. **Excess match from prior Federal fiscal year:** Excess match carried over from prior Federal fiscal year.
2. **Match contributed during current Federal fiscal year:** The total amount of match contributions for all projects listed under Part III in column 9 for the Federal fiscal year.

3. **Total match available for current Federal fiscal year:** The sum of excess match carried over from the prior Federal fiscal year (Part II, line 1) and the total match contribution for the current Federal fiscal year (Part II, line 2). This sum is the total match available for the Federal fiscal year.
4. **Match liability for current Federal fiscal year:** The amount of match liability is available from HUD and is provided periodically to PJs. The match must be provided in the current year. The amount of match that must be provided is based on the amount of HOME funds drawn from the U.S. Treasury for HOME projects. The amount of match required equals 25% of the amount drawn down for HOME projects during the Federal fiscal year. Excess match may be carried over and used to meet match liability for subsequent years (see Part II line 5). Funds drawn down for administrative costs, CHDO operating expenses, and CHDO capacity building do not have to be matched. Funds drawn down for CHDO seed money and/or technical assistance loans do not have to be matched if the project does not go forward. A jurisdiction is allowed to get a partial reduction (50%) of match if it meets one of two statutory distress criteria, indicating "fiscal distress," or else a full reduction (100%) of match if it meets both criteria, indicating "severe fiscal distress." The two criteria are poverty rate (must be equal to or greater than 125% of the average national family poverty rate to qualify for a reduction) and per capita income (must be less than 75% of the national average per capita income to qualify for a reduction). In addition, a jurisdiction can get a full reduction if it is declared a disaster area under the Robert T. Stafford Disaster Relief and Emergency Act.

5. **Excess match carried over to next Federal fiscal year:** The total match available for the current Federal fiscal year (Part II, line 3) minus the match liability for the current Federal fiscal year (Part II, line 4). Excess match may be carried over and applied to future HOME project match liability.

Instructions for Part III:

1. **Project No. or Other ID:** "Project number" is assigned by the C/MI System when the PJ makes a project setup call. These projects involve at least some Treasury funds. If the HOME project does not involve Treasury funds, it must be identified with "other ID" as follows: the fiscal year (last two digits only), followed by a number (starting from "01" for the first non-Treasury-funded project of the fiscal year), and then at least one of the following abbreviations: "SF" for project using shortfall funds, "PI" for projects using program income, and "NON" for non-HOME-assisted affordable housing. Example: 93.01.SF, 93.02.PI, 93.03.NON, etc.

Shortfall funds are non-HOME funds used to make up the difference between the participation threshold and the amount of HOME funds allocated to the PJ; the participation threshold requirement applies only in the PJ's first year of eligibility. [§92.102]

Program income (also called "repayment income") is any return on the investment of HOME funds. This income must be deposited in the jurisdiction's HOME account to be used for HOME projects. [§92.503(b)]

Non-HOME-assisted affordable housing is investment in housing not assisted by HOME funds that would qualify as "affordable housing" under the HOME Program definitions. "NON" funds must be contributed to a specific project; it is not sufficient to make a contribution to an entity engaged in developing affordable housing. [§92.219(b)]

2. **Date of Contribution:** Enter the date of contribution. Multiple entries may be made on a single line as long as the contributions were made during the current fiscal year. In such cases, if the contributions were made at different dates during the year, enter the date of the last contribution.
3. **Cash:** Cash contributions from non-Federal resources. This means the funds are contributed permanently to the HOME Program regardless of the form of investment the jurisdiction provides to a project. Therefore all repayment, interest, or other return on investment of the contribution must be deposited in the PJ's HOME account to be used for HOME projects. The PJ, non-Federal public entities (State/local governments), private entities, and individuals can make contributions. The grant equivalent of a below-market interest rate loan to the project is eligible when the loan is not repayable to the PJ's HOME account. [§92.220(a)(1)] In addition, a cash contribution can count as match if it is used for eligible costs defined under §92.206 (except administrative costs and CHDO operating expenses) or under §92.209, or for the following non-eligible costs: the value of non-Federal funds used to remove and relocate ECHO units to accommodate eligible tenants, a project reserve account for replacements, a project reserve account for unanticipated increases in operating costs, operating subsidies, or costs relating to the portion of a mixed-income or mixed-use project not related to the affordable housing units. [§92.219(c)]
4. **Foregone Taxes, Fees, Charges:** Taxes, fees, and charges that are normally and customarily charged but have been waived, foregone, or deferred in a manner that achieves affordability of the HOME-assisted housing. This includes State tax credits for low-income housing development. The amount of real estate taxes may be based on the

post-improvement property value. For those taxes, fees, or charges given for future years, the value is the present discounted cash value. [§92.220(a)(2)]

5. **Appraised Land/Real Property:** The appraised value, before the HOME assistance is provided and minus any debt burden, lien, or other encumbrance, of land or other real property, not acquired with Federal resources. The appraisal must be made by an independent, certified appraiser. [§92.220(a)(3)]
6. **Required Infrastructure:** The cost of investment, not made with Federal resources, in on-site and off-site infrastructure directly required for HOME-assisted affordable housing. The infrastructure must have been completed no earlier than 12 months before HOME funds were committed. [§92.220(a)(4)]
7. **Site preparation, Construction materials, Donated labor:** The reasonable value of any site-preparation and construction materials, not acquired with Federal resources, and any donated or voluntary labor (see §92.354(b)) in connection with the site-preparation for, or construction or rehabilitation of, affordable housing. The value of site-preparation and construction materials is determined in accordance with the PJ's cost estimate procedures. The value of donated or voluntary labor is determined by a single rate ("labor rate") to be published annually in the Notice Of Funding Availability (NOFA) for the HOME Program. [§92.220(6)]
8. **Bond Financing:** Multifamily and single-family project bond financing must be validly issued by a State or local government (or an agency, instrumentality, or political subdivision thereof). 50% of a loan from bond proceeds made to a multifamily affordable housing project owner can count as match. 25% of a loan from bond proceeds made to a single-family affordable housing project owner can count as match. Loans from all bond proceeds, including excess bond match from prior years, may not exceed 25% of a PJ's total annual match contribution. [§92.220(a)(5)] The amount in excess of the 25% cap for bonds may carry over, and the excess will count as part of the statutory limit of up to 25% per year. Requirements regarding

bond financing as an eligible source of match will be available upon publication of the implementing regulation early in FY 1994.

9. **Total Match:** Total of items 3 through 8. This is the total match contribution for each project identified in item 1.

Ineligible forms of match include:

1. Contributions made with or derived from Federal resources e.g. CDBG funds [§92.220(b)(1)]
2. Interest rate subsidy attributable to the Federal tax-exemption on financing or the value attributable to Federal tax credits [§92.220(b)(2)]
3. Contributions from builders, contractors or investors, including owner equity, involved with HOME-assisted projects. [§92.220(b)(3)]
4. Sweat equity [§92.220(b)(4)]
5. Contributions from applicants/recipients of HOME assistance [§92.220(b)(5)]
6. Fees/charges that are associated with the HOME Program only, rather than normally and customarily charged on all transactions or projects [§92.220(a)(2)]
7. Administrative costs
